## To The Children Of Jackson County

This has been a joyous Christmas for most of you with peace and prosperity prevailing throughout our glorious land.

Not so with children of many other lands, where five years ago millions of us—your fathers and brothers—spent a dreary Christmas in the armed forces. A lot of things have happened since then, most of them for the good, but a lot more will have to happen before we can nail down the objectives for which we fought.

American aid to Europe in its various forms has held off starvation and political communism, but unfortunately most of it has been cold-blooded government hand-out.

Now, remembering how members of the armed forces befriended children of Europe during the war, even children of our enemies, you can join in a

## "TIDE OF TOYS"

The Jackson County Post of the American Legion, along with other Posts in every Community in America, asks you to give a surplus toy to a child in Europe. It's a small thing to do; but it will make for happiness and permanent peace.

## HERE'S WHAT YOU CAN DO

Bring your surplus (not needed) toys to one of the following places:

KOCH APPLIANCES, 304 Delmas Ave., Pascagoula, Miss.

THE LEGION HOME, Market Street.  
STANDARD FURNITURE CO., 314 Krebs Ave., Pascagoula, Miss.

SUTHOFF HDW. & SUPPLY CO., 608 Main St., Moss Point, Miss.

WIGGINS DRUG STORE, Kreele, Miss.

BUD SHERMAN'S, Escatawpa, Miss.

CARTER'S STORE, Wade, Miss.

ALFORD'S STORE, Hurley, Miss.

(Closing date, Jan. 7)

Bring only sturdy toys. Do not bring war-like, electrically powered or fragile toys. They must be packed and shipped overseas. Wrap each toy separately, so it will stand handling. Write on the wrapper what it is.

IMPORTANT: Inclose a letter or note of greeting, giving your full name and address. If the toy isn't wrapped, attach the note in an envelope to the toy.

The chief purpose of "Tide of Toys" is to let the children of Europe—the generation of the future—know that they have real American friends. Such letters and cards can start a chain-writing and build friendships for years to come.

The Jackson County Post will ship the toys to Philadelphia, where a ship will take them to Europe and distribution will be in the hands of CARE, which has an efficient organization in most European countries.

Everybody is asked to help. Not just veterans, but every organization. Churches and schools and other organizations are asked to make announcement.

Let it be a Tide of Toys for Peace
