CIRCULATION SECOND TO NO PAPER IN MISSISSIPPL

MAYERS & RICHMOND, PROPRIETORS.

LOVE FOR OUR PRIENDS; COURTESY FOR ALL; FEAR FOR NONE."

M. B. RICHMOND, Editor. P. K. MAYERS, Business Manager.

PASCAGOULA, MISS.....Oct. 11, 1878.

Democratic Nominee-For Congress. HON. CHARLES E. HOOKER,

LAST Wednesday was observed as a day of fasting and prayer in Louisiana.

Of Hinds County.

THE yellow fever has run its week.

GOV. STONE has appointed Hon. J. B. Morgan, senator from DeSoto, as chancellor for the Third district, days.' As the farmer did not want vice Hon. J. C. Gray, deceased.

BRONZE JOHN permitting, the next term of the United States supreme court will begin at Jackson on the third Monday, the 21st day, of this month.

GEN. E. C. WALTHALL contribu ted \$1250 to the fever sufferers of Grenada. Such generous donations from a gentlenran of his means will not soon be forgotten by the people.

· WE learn that Col. McCallum, editor of Yazoo City Herald, and Capt. E. L. Ross, of the Canton Mail, are candidates for secretary of state. Both are worthy and well qualified gentlemen.

MR. JOHN P. COLEMAN, city ediat sixty cents a hundred. He who writes locals, then runs away, may true of the difficulties that the Kiuloch Falconer. live to pick cotton another day.

D. W. Coon, manager of the Grenada Howard association, bas been presented with a gold watch as a slight appreciation of the gratitude those citizens feel for his meritorious services during the a visitation this year, but late de-

ager, is at Handsboro working no. advanced, there is yet time for the bly among the fever suffers. He fell destroyer to work its way into and family were up and well last many a household earrying death Wednesday evening when we last and suffering in its wake. Still we heard from him. He is cut of see no cause for a panic or general from this place by quarantine, con- alarm, and in times of danger and sequently has not been here for disease every man should act and over two months.

found the announcement of Col. W. about his business as usual, don't H, McCardle as a candidate for become excited, and if taken sick secretary of state. Col. McCardle the chances of getting well will be is a distinguished member of the increased. press of this State, has been an active and efficient worker up, the houses being far apart, the in the democratic ranks, and is too well known to our citizens to need commendation from us.

A RURAL journal speaking of the sickly times and the dangers thereunto belonging says: "Our flag is nailed to the mast and we intend to keep it flying." Is it a yellow flag?—Seashore Gazette.

We heard of a rural journalist last week who in times of health deaths from yellow fever, though party. enlisted in a society to care for the there have been two deaths during stricken, and when the yellow flag the week from other causes, and of the saffron-faced enemy was several lying very low. flung to the breeze deemed it best to remove to healthier quarters.

week says "in the event a new election is ordered for secretary of state, the chairman of the State executive committee will call a meeting of the committee as soon as it is practical for it to assemble, to consider the question of concentrating the support of the democratic party upon one candidate." Col. Barksdale, the chairman, is of then on that: the opinion that it is not within the province of the committee to select a candidate, but that it should be decided by a State convention of duly appointed delegates.

Thompson, of New York City, who when the pestilence subscribed liberally to the fund to danger is present and imminent—there are be raised to pay the expenses there-duties to family. of, a yellow fever commission was friends and neighbors appointed by Surgeon-General to be performed, and Woodworth consisting of Dr. S. M. those who shirk or shrink from their Bemiss, of New Orleans; Dr. Je-performance perpirate a crime again rome Cochran, of Mobile, and Prof. E. Lloyd Howard, of Baltimore; for the purpose of enquiring into commission met in New Orleans 3d to 18th was 101 per day, since

THE NEWSPAPER BUSINESS.

Not many people outside the newspaper business know the ups and downs connected with publishing a newspaper, and the difficulties under which a publisher labors. People who owe only small amounts get his paper out every week, and they preach, you know. lay before them the news of the

matter of only two dollars or less, jority. and the neighbor says, 'I will hand you the amount in a few to be small about the matter, be says all right, and the man leaves with the wheat. Another comes in the same way until the whole of the one thousand bushels of wheat are trusted out to one thousand different persons, and not one of the purchasers concerns himself about it, for it is a small amount that be owes the tarmer, and of course that would not help him any. He does frittered away all his large crop of wheat, and that its value is due him in a thousand little driblets, But it all would pay him promptly, the "River of Death." which they could do as well as not, it would be a very large amount to newspaper man has to contend

AT LAST.

After escaping the saffron-faced enemy so long we had thought our community would be exempt from velopments prove to the contrary. Col. Mayers, the Business Man. us, and though the season has far be somewhat alarmed; let each them and pay your voting tax. In the proper column will be one possess his soul in patience, go

Our place not being closely built disease may not spread much nuless carried from one house to another by visitors, therefore we advise that no one visit fever patients except those who go to nurse, and then let those stay with the sick. Up to this writing (Thursday 2 p.m.) there have been but two out a search warrant to find their

In another column will be found report of the sickness by Dr. Lam-THE Jackson Clarion of last port from Dr. Blount, port physician, but failed to obtain it.

"CONSISTENCY, THOU ART," ETC.

The two following items were clipped from the Seashore Gazette. One written, we presume, before the yellow fever made its ap-

It is natural that people should dread having made its apa disease so fatal as pearance in our yellow fever. Political Points.

Cleveland Herald: Butler ought to give up polities and take to the He would be a great sucstage. cess as Richard III.

New Orleans Picavune: Over-The disease has appeared among the connudrum that politicians are last 24 hours. trying to settle.

republicans are howling about is day, five. that it is next to impossible for Pattersonville, La., October 8,honest working people to get it.

the republicans on the run for their house to house and assuming a home for self-protection, nor to aid Am sen R. B. Taylor, Loring, 205 tons, for intrenchments behind the mone talk calmly even though he may bags of the officeholders. Push

Boston Post: Those chubby rogues, the young republicans, have wandered off down to Gloucester, and their mammas are in a state of great anxiety about their getting drowned.

San Francisco Post: It is evident that Butler will get away with the democratic party of Massachusetts. What troubles the republicans is, will Massachusetts get away with Butler !

Cincinnati Commercial: The anti-Butler democrats of Massachasetts will feel very lonesome after the election, and be under the painful necessity of getting

Washington Post: The heart of the old and feeble republican party seems to be filled to the brim with malice. It faces its fate with a bitterness of spirit that ill befits the closing hours of a bad life. bert. We endeavored to get a re. The organs of the party and the speeches of its orators are slopping over with the gall of bitter ness. The party will be a repulsive corpse if it keeps on in this way a little lenger.

Portland Argus: The democrats propose to abolish bank bills and substitute greenbacks. The difference between the two policies in cost to the people would be not pearance at Handsboro and the less than thirty millions of dollars other after. Look on this, and a year. The longer the radical leaders try to "educate the people" up to this doctrine, whether under the sham banner of "bonest money or other hypocritical pretense, the weaker they will be. The greenbacks have come to stay. Bank bills will go out, the radical lead-

A National's Reception.

Columbus Independent. Gen. Davis spoke at Caledonia last Saturday. Two responsible gentlemen who were present make the following report: There were in town some fifteen people, two of whom came to hear the general speak. One of those two was from Mouroe, and last year ran on the independent ticket. The general suggested to the crowd that they go to church where they could be seated. But the crowd voted to stand and hear the general who spoke in front of Carter's store.

"I don't like that cat; it's got splinters in its feet," was the ex- this district as a goat would have cuse of a four-year old for throw- of going to heaven in a wheelbaring the kitten away.

THE YELLOW PLAGUE

The Death March Goes Steadily on in New Fields-

New Orleans and Holly Springs.

Weeks.

Bay St. Louis, Oct. 8 .- Fitteen cases and four deaths. Osyka, Miss., Oct. 8 .-- Six new cases and one death. Biloxi, Oct. 8 .- Forty new cases

and one death. Thibodaux, La., Oct. 8 .- Seveneen new cases and two deaths reported. The fever is said to be spreading rapidly in the surround ig country.

Tangipahoa, La., Oct. 8.-Twelve new cases and no deaths in the 48 hours ending Tuesday evening, public, not as "Liberty," in the Several patients are reported to be very low.

Dry Grove, Miss., Oct. 8 .- Five at McNair's plantation, Lebanon Church. No new cases at Dry Grove and but one death. Dr. Quijano went to Cox, six miles from Crystal Springs, and found during the war, and who is now one three cases of malarial fever had treatment at Lebanou Church and Dry Grove.

Morgan City, La., Oct. 8 .- No France, has contributed \$1000 to accurate figures are attainable. It deaths in all have occurred to date. The death rate was increased by 6 yesterday, making 11 since Sun-

Holly Springs, Miss., Oct. 8 .-There are only a few cases, but nearly all malarial or remittent, and lack the peculiar features that COL. D. P. PORTER, clerk of the Howards in recalling some of the

are now under treatment.

six whites have died out of three hundred and forty-nine who have had the fever, making a death rate whelming majorities will now be of about fifty-five per cent. Ten in order. Who is to get them is new cases and two deaths in the

Vicksburg, Oct. 9.-The fever New York Express: The worst continues increasing in the counthing about the "hard money" the try and at Delta, La. Deaths to-

No abatement of the fever here, sent, a motion was made and ear-Harrisburg Patriet: We have It is gradually spreading from ried-not to keep "the money at more malignant form; 75 whites have been attacked, and 20 deaths to date.

has settled warm, which is favorthe disease. From 6 o'clock last that "our next door" is in need of night until noon to-day, 22 deaths means, and in response to their call were reported. The Howard Assonurses to LaGrange, five to Collierville and three to Tuscumbia, ing "at home for self-protection,

deaths in town since Sunday's re- tive committee has it in their port. A few cases and but few to power to send them the last dime have the fever. News from the country is fearful. At least forty in the country.

Decatur, Ala., Oct. 8 .- About 40 sick, many with fever. Grand Junction, Tenn., Oct. 8 .-Three new cases; no deaths to-day.

At LaGrange, Tenn., two deaths; four new cases. Chattanooga, Tenn., Oct. 8 .- Four

deaths reported and twenty new cases. Weather unfavorable, but the disease is still in its first quarters. A camp has been established on Bald Knob.

Canton, Miss., Oct. 9 .- There are reported nine new cases and nine deaths. The fever is decreasing in town, but in the surrounding country it is on the increase. Appeals for aid have come from Sulphur Springs, eighteen miles distant, and from Vernon, twenty-one miles

off, and also from other points. Jackson, Miss., Oct. 9 .- Fiftyseven cases to date: ten deaths, Fever on the increase slowly.

Dull of Comprehension Washington Post.

Friends of the administration claim that "entire harmony" has been restored by Coukling's speech and the New York platform. If Mr. Hayes were a man of spirit, be would understand that the studied ignoring of the administration by Conkling and his crowd was intended as an expression of contemptaous scorn. Anything less demonstrative than a kick seems to be accepted by Mr. Hayes as a mark of affection indicating "barmony.

A Slim Chance.

Starkville Times. Gen. Davis has about as much chance of going to congress from row on the back of a burricane.

"Vox's" Reply to "Liberty."

Moss Point, Miss., Oct. 8, 1878. Editor Democrat-Star.

"This is no invitation to discussion." This expression I find just above the signature "Liberty" in The Signs More Hopeful than for Many

your last issue. I do not wish to discuss the question with this lover of freedom, but I cannot permit such a slanderous report to pass unnoticed. It was expected that some one would write up Moss Point, after the grand success achieved on the night of the 25th ult., but it was thought that somebody would attempt it who would not so grossly misrepresent facts, 00 9 24 8 \$ thus casting a slur on our noble, generous hearted people. It is nothing but right that the facts, as they are, should be set before the

wild hallucinations of his mad-

dened brain," presented them.

Ot his description of the performances I will say nothing, as the public has already passed sen tence on them. But it was the public opinion that the entertainment was given for the benefit of of the most celebrated barristers already occurred. Two deaths, Dr. the yellow fever sufferers, and no in England, has contributed \$500 Quijano has about torty cases under doubt this benefit brought out a great many people who otherwise would not have come, and who contributed their money-not to is conjectured that 176 cases are "Moss Point's self-protection," nor now under treatment, and that 63 to "aid Mobile,"-but to the sufferers at various points. Now if the money did not go for this purpose the aim of the entertainment was a deceit; and the good people who patronized it would have a right to complain. "Liberty's" pen must characterize the scourge. Some surely have made a blot when his physicians have left and others spectatorship was jotting down speak of going. A half dozen notes, or else his time and attennurses left Tuesday evening for tion being so engrossed in eye-sore fests, etc. We will furnish mer-New Orleans. The limited number gazing upon Moss Point's magic chants in quanties to suit at prices of cases and the daily increasing circle of beauty and loveliness he number of convalescents, many of entirely forgot he was a newspaper whom belong there, will justify the correspondent. Whatever might have been his feelings toward Moss Point he should have at least given Mobile, Oct. 7 .- Since October 1 us fu'll justice for what we did. the board of health reports 8 new Had this money gone in the director of the machinery to the man in the cases and 3 deaths, of which one tion "Liberty" said it did, some one machinery. was a case previously reported and else beside his honor would have two were of the eight cases report- opposed it with quite as much veed since the 1st inst. Four cases bemence as he has, But, Mr. Editor, such a thing was not thought and takes the most with him. Greenville, Miss., Oct. 9 .- The of. On Thursday morning after fever is abating for want of new the entertainment, when our material. One hundred and eighty- worthy townsman and president of our relief association, Hon, George

Wood, took the chair and declared the house open for a motion as to what disposal should be made of the \$300, then, in view of the fact that the various cities where the epidemic was prevailing had, through their relief associations and citizens, published cards of thanks, stating that their present needs were bountifully supplied, and asking that no more money be Mobile," as "Liberty" would have it-but to place the money in the hands of the executive committee Baton Rouge, Oct. 8 .- Official re- of our relief association to be disbursed as they saw fit, and, Mr. Editor, our executive committee is composed of men in whose judg-Memphis, Oct. 8.-The weather ment our people have much more confidence than in that of this herable to the further spreading of ald of "Laberty." We are aware \$225 has been sent to Ocean ciation this morning sent eight Springs from that very fund which "Liberty" represented us as keep-Port Gibson, Miss., Oct. 8 .- No and if she needs more our execuin the treasury. The reliet association of Moss Point has had whites have died of yellow fever money in its treasury for a month or more, and they have repeatedly offered aid to Ocean Springs, which has been refused, not through any disrespect toward us but because at that time they had a sufficiency to meet their necessities, and when they found that they needed aid "delicacy" did not "prevent the echo of want reaching our ears,' They asked for it and got it. Our people are not so parrow-minded as to be bound in by State lines in their liberality; they would not stoop so low as to regard State lim its as the extent to which they should lend a helping hand. Fie on a man who would be so sectional in his feelings toward his fellow man, bound as they are by a com-

mon weal and a common woe. Go, "Liberty," write a lew more articles for the Globe, Sun and Herald before you soar so high in your unbridled ambition as to place your sophomoric effusions before the public through the columns of our VOX.
