### ANNOUNCEMENT.

We are authorized to announce

ADAM M. BYRD,  
OF NESHOBA COUNTY,

For Congress, Fifth District.

Subject to the action of the Democratic Party.

Columbus, Miss., is rapidly surging to the front as a manufacturing centre.

It is reported that Russian warships have sunk Japanese transports with 4,000 men.

The negro Paris, who murdered John T. Stockton on the 29th of February, was hanged in Meridian on Monday.

The more we learn of Judge Alton B. Parker, the more Democracy has to congratulate itself upon its coming standard bearer.

The reports of the various State Democratic conventions evidence the fact that the axe which hit that hen is swinging behind the head of the Hon. Willie Hearst.

The State Democratic Executive Committee met in Jackson Monday and issued a call for the meeting of the State Democratic Convention to be held Wednesday, June 15th.

With William Jennings Bryan it is rule or ruin. As his rule in the affairs of Democracy has ended, he is now devoting his best endeavors to fomenting discord in the ranks of the party which has honored him so greatly in the past. Bryan is a demagogue, pure and simple, and his disgruntled utterances should have no weight.

A disordered stomach may cause no end of trouble. When the stomach fails to perform its functions the bowels become deranged, the liver and kidneys congested, causing numerous diseases, the most fatal of which are painless and therefore the more to be dreaded. The important thing is to restore the stomach and liver to a healthy condition, and for this purpose no better preparation can be used than Chamberlain's Stomach and Liver Tablets. For sale by M. E. Ward, druggist.

Time was when everything was furnished, bands played, people came long distances, paid big money and trod on each other's toes to hear William Jennings Bryan speak. Time is and Bryan blows his own bugle, pays the hall rent and the vacant seats in the auditorium are decidedly in evidence. And, if he doesn't change his course, time will be when people will go to hear him (if they go at all) with the same feelings that they now flock to the dime museum to see Mistress Carrie Nation. Bryan is rapidly drifting into the realm of the "has-beens."

We notice that the Governor has ordered a special election in Kemper County, to be held on Monday, May 23rd, for the purpose of filling the vacancy in the House of Representatives caused by the death of the Hon. A. E. Grantham. This vacancy can be filled at the regular election to be held this fall, and there is no need of putting this extra expense on the tax-payers of the county. We would call the attention of the members of the Board of Supervisors to the matter, and would suggest that, at their meeting next Monday, they take some action towards having the Governor rescind his order.

Democratic strongholds in California, the State of his birth, in New York, the State of his adoption, and even popocratic Gibraltars in Kansas have repudiated William Randolph Hearst. Intelligence has met presumption on the political battlefield, and though the latter was arrayed in golden armor, intelligence won and the Democracy of the United States is to be congratulated upon placing intellectuality above gold and fitness above bribery. Hearst has become the political necessity to an anti-election Democratic funeral, and it would be well to bury him as deep as is necessary for the strengthening of the party. Let no man who is or was a Hearst advocate go either to a State or to the National Convention unless he be bound by anti-Hearst instructions.—Woodville Republican.

### A DANDY FOR BURNS.

Dr. Bergin, Pana, Ill., writes: "I have used Ballard's Snow Liniment; always recommended it to my friends, as I am confident there is no better made. 'It is a dandy for burns.' Those who live on farms are especially liable to many accidental cuts, burns, bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency. 25c, 50c, \$1.00 a bottle. Sold by M. E. Ward, druggist.

### "Bois d'Arc."

I feel that some will be surprised upon receiving their HERALD with "Carry's" dots again in its columns; I think she is somewhat surprised at herself.

Times are very dull out in our little village just at present, but "there'll come a time some day" when it will be a "fine day's wonder" to some of us.

Messrs. John and Robert Bryan, two of Bois d'Arc's "good-natured" old farmers, have been taking in weddings, acting as best men, going on wedding trips, etc., in the Queen City this week. That was like a "nine days' wonder" to some.

Misses Maude and Mai Bryan are expected home in a few days from their long-continued trip along the Gulf Coast, and the weddings that are so "prolific" in Meridian just now.

Mr. and Mrs. S. H. Evans took a trip over to Pickensville, Ala., last week. They returned Saturday afternoon.

Misses Alice Gay and Mary Etta McCaskill, two of Bois d'Arc's popular young belles, were called to the bedside of Mrs. Joe Carnathan, of Porterville, last week. When we last heard from that lady she was very ill, but we hope to hear of her recovery soon.

Miss Bessie Moseley was the guest of little Miss Boyd Sunday. Miss Annys Boyd accompanied her home.

The young people had a most enjoyable time last Thursday night at the home of Mr. D. B. Land. Flirting and "fantastic toe" were the principal events.

Misses Lucyle and Ida Bryan and Messrs. Ernest Bryan and "Marcus" Boyd were the guests of the Misses Keene last Saturday evening.

The ladies of Bois d'Arc think their truck patches will come up with Mrs. Rosenbaum's this year. There will be a plenty of "rosten ears" in their gardens by the latter part of May.

The crops look beautiful out in this part of the world. Everything is on a boom. CARRY.

Note—The editor feels safe in saying that if any surprise is felt on the part of our readers at the resumption of "Carry's" letters in our columns, that surprise will be largely mingled with pleasure. She has been greatly missed, and we are highly gratified to have her "on the staff" once again.

### CURES COUGHS AND COLDS.

Mrs. C. Peterson, 625 Lake st., Topeka, Kansas, says: "Of all cough remedies Ballard's Horehound Syrup is my favorite; it has done and will do all that is claimed for it—to speedily cure all coughs and colds—and it is so sweet and pleasant to the taste." 25c, 50c, and \$1 a bottle. Sold by M. E. Ward.

The celebrated First Royal Marine Band of Germany, one of the finest in the world, will be one of the attractions at the World's Fair. The members are all six footers and the band is the crack military band of the German Empire. It has a repertoire of 1,500 compositions.

### Peden Penellings.

April 22nd, 1904.

We are having some cool weather for the time of year.

The 3 months old infant of Mr. and Mrs. Jim Henson died Monday. The bereaved family have our sympathy.

Miss Alma Myatt is spending a few days with her sister, Mrs. Jim Mitchell of Pea Ridge.

Miss Mary Warren, accompanied by her little brother Campbell, spent Tuesday night with the family of her uncle, Al. H. Warren of Moses.

There was no service at Bloomfield last Sunday as the pastor, Rev. Mr. Boyles, was called upon to officiate at the burial services of Mrs. S. O. Pell of DeKalb.

Miss Jennie Peden visited relatives and friends in town last Friday night and Saturday. She was accompanied by her little niece, Miss Lois Peden.

Miss Lillian and Master Howard McNeill spent Friday night with their aunt, Mrs. Kate McNeill of Moses. They have recently returned from a visit to relatives in Meridian and Wabash.

Mrs. J. D. McNeill visited her sister, Mrs. A. A. Overstreet, of DeKalb, last week.

S. B. Botham and son Shade went to Shuqua on business Wednesday.

H. H. W. hasn't been seen in Peden on Sunday afternoon lately. Wonder why?

Mr. and Mrs. Marvin Davis passed through Peden Friday.

Everyone is counting on going to the memorial services at Kellie's Store on the 30th.

Drs. Bell and Stennis, of DeKalb, were called here professionally last week.

E. T. Jarvis and daughters, Misses Laura, Annie and Mary, went to DeKalb Friday. Guess they visited the popular milliner, Miss Daisy Hopper.

Miss M—— is all smiles; guess she heard of Mr. W——'s new buggy. Expect she'll get the first ride.

Mrs. Milton Smith and little daughters, Mary and Esther, spent Wednesday with relatives.

Add Boyd of Sumter County, Ala., has been in our midst again this week. If he keeps coming beet will soon be scarce in West Kemper.

Jimmie Smith has had his pretty curls cut off.

Miss Lou Clark, of Moses, was shopping in our city one day last week.

W. C. Peden and sister, Miss Bonnie, of Moses, were in Peden last Saturday. We Two.

### BEST COUGH MEDICINE FOR CHILDREN.

When you buy a cough medicine for small children you want one in which you can place implicit confidence. You want one that is unquestionably harmless. You want one that is pleasant to take. Chamberlain's Cough Remedy meets all of these conditions. There is nothing so good for the coughs and colds incident to childhood. It is also a certain preventive and cure for croup, and there is no danger whatever from whooping cough when it is given. It has been used in many epidemics of that disease with perfect success. For sale by M. E. Ward.

### In and Around DeKalb.

From Southern Star, April 20.

Mr. Frank Lang's 3-year-old child was buried here Saturday morning.

Mr. John Gewin, Jr. and wife were blessed last Wednesday night by the appearance of a girl baby at their home.

Dr. C. T. Bell is receiving the congratulations of his many friends upon the arrival of a fine baby girl at his home, which happened some time since.

Mr. Howell Stennis, of Moscow, and Miss Alma McWilliams, of Daleville, were married today at the home of the bride at 3 o'clock. Mr. Stennis is one of our county's brainy, intelligent and worthy young men and a son of Dr. Deb Stennis, of Mt. Nebo. Miss McWilliams is one of Lauderdale county's fair and accomplished young ladies. Many hours of happiness and pleasure to this newly wedded couple is the wish of their friends in this and Lauderdale county.

### A GREAT SENSATION.

There was a big sensation in Leesville, Indiana, when W. H. Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from Asthma, but your New Discovery gave me immediate relief and soon thereafter effected a complete cure." Similar cures of Consumption, Pneumonia, Bronchitis and Grip are numerous. It's the peerless remedy for all throat and lung troubles. Price 50c and \$1.00. Guaranteed by M. E. Ward, druggist. Trial bottles free.

You can tell a successful farmer by the condition of his live stock. You can tell a slouchy woman by looking at her hair. You can tell a poisonous serpent by the bluntness of his tail. But the easiest of all—you can tell an enterprising merchant by a glance at the local newspaper. This is no divine revelation, but the gospel truth.—Clarksdale Challenge.

### A THOUGHTFUL MAN.

M. M. Austin of Winchester, Ind., knew what to do in the hour of need. His wife had such an unusual case of stomach and liver trouble, physicians could not help her. He thought of and tried Dr. King's New Life Pills and she got relief at once and was finally cured. Only 25c at M. E. Ward's drug store.

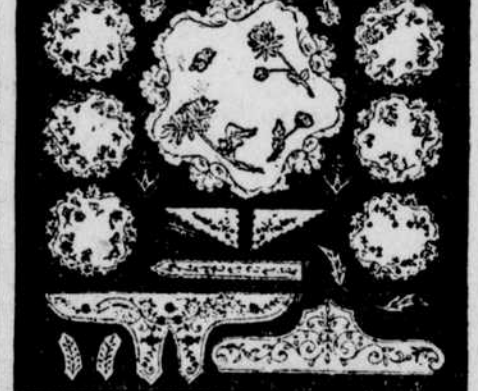

The war situation continues about the same, with reports of engagements and contradictions of said reports. There can be little doubt, however, but that a big land battle must be fought at an early day.

A mint to be used in exemplifying the coining process has been sent from Philadelphia to the World's Fair.

## GULFPORT!

The coming great port of the Gulf of Mexico.

I have a proposition to offer you that cannot be excelled in any part of the United States, being sole owner of some of the best speculative property in and adjacent to Gulfport. I have an addition in particular I wish to develop, called

### RACE TRACK ADDITION.

This tract lies just one mile from the Town. I intend to run a Street Railroad to the Race Track, which will make lots near by treble in value within two years. I give a written guarantee with every lot sold that this Railroad will be in operation within two years from date. Backed by a general bond sufficient to build and equip the same, I intend placing the first 100 lots on the market at \$25.00 and increase \$5.00 per lot every 100 lots sold thereafter. There are about 2,400 lots in Race Track Addition. An increase of \$5.00 per lot on every 100 lots sold, the last 100 lots must bring \$130.00 each.

The payments can be as follows: \$5.00 cash down and \$2.00 per month on each lot, with no interest on deferred payments. Those that get in on the first installments will beyond a doubt make good investments. Two years ago I started Standard Land Company Addition to Gulfport at \$50.00 per lot, many of which cannot be bought today for \$300.00 per lot. These lots are further out, but believe I can make equally as valuable by Street Railroad connection.

Get in while you can cheap. Buy a lot for your children; it may be the means of giving them a good start in life. This is an opportunity you may never get again. For maps and plate showing location see
