Our old time friend, Mr. S. S. Hannah, was here Monday. Father time has dealt gently with him and he looks about like he did almost twenty years ago in the face.

We appreciate as an act of courtesy for our patrons to notify us at all times should they fail to receive their papers promptly. We wish for each to receive their paper. We will endeavor to remedy the fault let it be where it may.

Sheriff McD. McIlwain did not have to sell a single piece of land Monday. We take the liberty to say that it would be well to call and see the sheriff about lands advertised if you have not already done so. It might save cost and trouble, both needlessly further.

We were real pleased to meet upon our streets Monday Dr. Michael Smith of Cedar Bluff. The Dr. made this his home for a short while several years ago and we regretted very much that he saw it to his interest to locate at Cedar Bluff instead of continuing here. He is a most excellent gentleman and a good physician.

Mr. C. E. Buntin presented us with several ears of seed corn of the Moseby family. It is fine and upon the whole makes the largest yield of any corn known. It is highly recommended by our A. & M. C. It may be that Mr. B. has a small quantity for sale. A letter addressed to him at Starkville will receive his attention should any wish this corn.

The citizens of Sturgis and vicinity should by all means secure the cotton ware house. The one here is about the best advertisement for our town that we can exhibit. Go to work right now, you know how to accomplish the end. You have the clay out of which to make the brick right upon the spot and wood close by to burn the kilns. Should you wait for outsiders to come in and build the structure it may never be done.

Woman.

"All that I ask," said man, "is just to gaze on Thee!"
"I will be enough to see thine eyes, All that I ask is but to hover near and be Thy slave in this our Paradise!"

Yet, when she granted this, man took her in his arms

And kissed her lips, her eyes, her hair!

"All that I asked, thou gave—And God forgive me this.

But will is weak and love beyond compare."

"Sweetheart, my own," she said, "take all I have to give

For Man could not be slave, I fear, All that I ask for is Constancy and Love

I want not slave but Master dear!"
