### THIS STORE PREACHES ECONOMY.

THERE is but one true economy in money spending. This store continually preaches it. This economy consists in buying good reliable merchandise and in paying for that meachandise the lowest legitimate price for which it can be sold. Every section of the store teems with object lessons in money saving. Not to test the truth of all this is to be careless of your own best interests.

There is no disease so insinuat ing, so slow but sure, as kidney disease, or so wide-spread. The symptoms are so slight as to generally

escape notice.

The first indications appear in the urine, with varied effects. The quantity may be increased or decreased; it is likely to be highly colored and scalding; it may be pale ored and scalding; it may be pale or thin, or thick and milky with a sediment. Later on more pro-nounced symptoms will be present, such as dizziness, bloating, etc., with marked bladder and urinary

disorders.

Poisonous waste matter is collected by the blood from all parts of the system and carried to the kidneys, where it is separated and cast out through the urine. The kidneys deal with the blood only, deriving nourishment therefrom. Hence, if the blood is bad the kidneys are not only overworked, but underfed. How necessary is it, therefore, that the purity and vitality of the blood should be maintained. It is plain why the great blood purifier and strengthener—Dr. Harter's Iron Tonie—has been successfully used in treating kidney diseases and in preventing same. In purifying the blood the kidneys are greatly relieved, while, at the same time, new strength and vitality are given these organs. The following letter telis a very old story:

PINE KNOT, KY., June 25, 1902. The Dr. Harter Medicine Co., Dayton, O. GENTLEMEN: I had a severe case of typhoid fever six years ago, which left my kidneys in bad order. I have tried a number of remedies and taken treatment from doctors, but Dr. Harter's Iron Tonic has done me more good than everything else. C. CORDELL,

Merchant and Mine Operator.

There are thousands of just such ases as the above that are treated cases as the above that are treated without results because they are wrongly treated. Mr. Cordell's condition resulted from an exhausting fever; the kidneys, as well as the rest of the system, had been wasted by disease. No wonder Dr. Harter's Iron Tonic promptly cured, because it purified and enriched the blood, and such blood carried new strength and vitality directly to the kidneys and to all the organs.
