

The Y. M. C. A. takes great pleasure in announcing the appearance of Mr. Angelo Cortese, America's greatest harpist, and Mrs. M. S. Center, whose sweet and musical voice is not a stranger to Tupelo.

Mr. Cortese spent a number of years in Paris studying under the great master, Alphonse Hasselmans. The harp alone on which Mr. Cortese plays cost something over one thousand dollars. The harp, as claimed by expert musicians, is one of the most delightful musical instruments in the world, capable of the sweetest tones and depth of range, and under the master hand of Mr. Cortese a feast of music is promised the people of Tupelo, unlike anything ever presented.

Mrs. Center needs no introduction to the people of Tupelo. Having established herself among us as a teacher of voice there are hundreds here who have been charmed by her sweet

music. Mrs. Center has spent years of study and preparation in the best schools of the country and she comes to us with a voice

cultured and trained and we take the greatest of pleasure in presenting her in connection with the great harpist, Mr. Cortese, for an evening at the Y. M. C. A. W. T. Nettles, Sec.

A Spelling Bee.

The Daughters of the Confederacy are engaged in perfecting plans for the entertainment of the state organization which convenes here in May. They are somewhat handicapped by lack of funds and in order that the ladies may not be embarrassed on this account the Journal suggests that an old fashioned spelling bee be held at the opera house with the drummers of the city as participants. A number have expressed a willingness to spell and in addition to the local fraternity the visiting brethren who may happen to be guests of the hotels at the time will also be invited to display their knowledge of Webster.

The bee could be pulled off between the acts at the electric theatre and we feel that we can speak for the town when we promise that a crowd will be there.

Doctors Use This for Eczema

Dr. Evans, Ex-Commissioner of Health, says: "There is almost no relation between skin diseases and the blood." The skin must be cured through the skin. The germs must be washed out, and so salves have long ago been found worthless. The most advanced physicians of this country are now agreed on this, and are prescribing a wash of wintergreen, thymol and other ingredients for eczema and all other skin diseases. This compound is known as D.D.D. Prescription for Eczema.

Dr. Holmes, the well known skin specialist writes: "I am convinced that the D.D.D. Prescription is as much a specific for eczema as quinine for malaria. I have been prescribing the D.D.D. remedy for years." It will take away the itch the instant you apply it. In fact, we are so sure of what D.D.D. will do for you that we will be glad to let you have a \$1 bottle on our guarantee that it will cost you nothing unless you find that it does the work.
