As all parties manufacturing Sewing Machines are obliged to pay Mr. H. a fee for each Sewing Machine sold, and are also compelled to make quarterly returns to him, stating, under oath, the number sold, his books give a correct statement of the actual number of Machines sold by the different manufacturers. From this reliable source we have obtained the following reliable statistics, showing the number of Sewing Machines disposed of during the last year reported. The well known Dr. WARREN, of Boston says of these Pills, "They have the finest effect upon the Liver and digestive organs of any medicine in the world, and are the most perfect purgative which has ever yet been made by anybody. The effect have abundantly shown to the community how much they excel the ordinary medicines in use.— They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors that breed and grow distemper, stimulate sluggish and disordered organs into their natural action, and impart a healthy tone with strength to the whole system. Not only do they cure the everyday complaints of everybody, but also formidable and dangerous diseases. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children, and being purely vegetable are free from any risk or harm.
