MARIETTA DAILY LEADER

TUESDAY, JUNE 9, 1898

PERSONAL AND LOCAL.

—Mr. and Mrs. W. W. Mills left Monday for Bluff Island, Mass., where Mrs. Mills will spend the summer.

—Deputy United States Marshal W. E. Mason, who was called here to testify in the Harry Thompson highway robbery case, returned to Cincinnati last night.

—John W. Overturf, of Portsmouth, is in the city on business.

—William Weaver, who was killed on the C. & M. a few months ago, was a member of the Marietta Lodge, B. of R. T., and was insured for \$1200. The money was received Monday and will be paid to his widow today.

—No further efforts will be made to raise the sunken steamer C. C. Martin, but the work of building a new boat to take her place will be begun at once. The new boat will be 105 feet long, 20 feet wide and one foot deeper hull than the Martin. She will be neat and handsome and will outshine any boat that ever ran on the Little Kanawha. Capt. Summers is now receiving bids for the new boat and it is thought that they will have her ready to enter the trade before fall.—Journal.

—C. E. Jennings, for many years editor and proprietor of the Athens Messenger, the leading Republican paper of the county, died very suddenly of apoplexy at his home in that place at 6 o'clock Monday morning. The funeral will take place at 4 o'clock Wednesday afternoon. The deceased was 62 years of age.

—Belpre was visited by a bold burglar on Saturday night who succeeded in entering five different houses, but fortunately he was alarmed and made his escape at each place without securing any booty. Among the houses entered was Mrs. Shall's, Mr. Farson's, C. W. Hawke's and two others. He was probably a green hand at the business, as he made enough noise in each of the places he visited to awaken the inmates.—Sentinel.

—An alarm from box 13 Monday evening called the fire department to the residence of Friend H. Harding, on Charles street, which had caught fire from an overturned lamp. The department arrived promptly and subdued the blaze with the chemical extinguishers and small hose, but not before considerable damage to building and contents had resulted. The inside of the house was practically burned out and the household goods were somewhat damaged by water.

—A Parkersburg special of Sunday says: In leaving the Keystone State last night, at the wharf here, a lady passenger whose name is unknown, was insulted by one of the negro roustabouts. Thomas Merriam, a colored local heavy weight pugilist of this city, who happened to notice the occurrence, went to the assistance of the lady and knocked the negro who insulted her down. This enraged the rest of the crew, who came to the assistance of the roustabout. Merriam drew his coat and drove the whole crew back into the boat. The occurrence created quite an excitement at the wharf and for a time it looked very dangerous for the boat's crew, as a number of citizens were getting ready to take a hand. The officers of the boat are investigating the matter and are trying to ascertain who the man was who insulted the lady, who hurriedly made her escape when freed from the negro.

—Rev. David Jones, of Wellston, O., is in the city visiting friends and relatives.

—In Probate Court Monday a marriage license was issued to Sylvester J. Chapman and Allie C. Springer, both of Stanleyville.

—There will be a social at the residence of Mr. and Mrs. W. Shaw, Veto, O., Saturday afternoon and evening, June 20th, for the benefit of Veto Sabbath School. Lap supper in the afternoon and ice cream and cake in the evening. All are invited.

—There will be an Epworth League social at the residence of Milton Ellis, Bartlett, Saturday evening, June 13th. Ice cream and cake will be served. Everybody invited.

—The Senior class of the High School will give a reception at the High School rooms this evening.

—The rains of Monday afternoon and evening interfered somewhat with the attendance at the Christian Endeavor lawn fete given at the home of Mr. and Mrs. G. A. Wood, Rainbow, but in no wise dampened the ardor of those who were present. The steamer Sonoma was chartered for the occasion, leaving the Putnam street landing at 7 p. m. and returning late in the evening.

—The wedding of Mr. Arthur Beach and Miss Mary Dawes occurred at the bride's home as announced in the Leader Monday morning. It was a pretty home affair, only the relatives and intimate friends of the bride and groom being present. After the ceremony the happy couple left on the B. & O. S. W. for New York City to take passage for Germany.

—A daughter was born Sunday night, May 7th, to Mr. and Mrs. C. E. Corwin, Fifth street; granddaughter of Mr. and Mrs. R. M. Stimson.

—Attorney J. C. Noland, of St. Marys, W. Va., was in the city Monday on business.

—Elder J. E. Artis left Monday for Xenia to attend the Sunday School Institute.

—The "Mosaic" published by the young ladies of the Woman's College is out, and is a very interesting number.

—Alf. Carpenter left Monday for Huntington, W. Va., to spend his annual vacation with friends in that city.

—A. V. DeRousse and George H. Morrison, of Butler, Pa., will remove with their families to this city in a few days and occupy the McCoy houses on White's road.

—T. B. Townsend and daughter arrived last night from Zanesville and are guests of the family of W. H. Leeper.

—The Alumni Association of the High School will picnic Thursday at Blennerhassett.

—John Smith and Adam Kepler were fined \$2 and costs each by Mayor Meisenholder Monday, having been arrested Saturday night for drunkenness and disorderly conduct.

—Ex-Sheriff Rose's residence at Coal Run, was struck by lightning Saturday morning last, about 8 o'clock. Little or no damage was done and nobody was hurt, though the lightning played about the premises in a very frisky manner.

—Mrs. Alice Goodwin, of Boston, is in the city, calling on the citizens with a view to interesting them in the work of saving waifs who have no homes, and who if allowed to grow up wild frequently lead lives of criminals. There is a home for these urchins in Chicago, which is an entire success, and it is hoped that a similar home may be established in every State in the Union. Mrs. Goodwin's visit to this city is to create a sentiment for a home in Ohio.

—The trial of Harry Thompson, charged with highway robbery, began in Common Pleas Court Monday. The alleged offense occurred in 1894, on Scammel street, this city, and the victim was Charles A. Cook, of the Sandusky Soldiers' Home. Since his arrest Thompson has given the officers of the law a great deal of trouble. After his preliminary hearing he was released on bond, but skipped the country, and when the bond was declared forfeited it was found to be worthless. About a year ago he was arrested at Columbus by Deputy Sheriff McCallister and brought back. He was again released on bond, and again skipped the country, the bond turning out to be worthless, as before, the persons signing it having perjured themselves as to the amount of property they owned. Three months ago he was rearrested at Columbus and has been in the Washington County jail awaiting trial since that time. The case was given to the jury Monday evening.

—The new electric light plant at Beverly is in working order and pronounced a success. Both are and incandescent lights are supplied and power is furnished by a large turbine wheel in a sawmill. A. W. Humphrey, the well known lumber dealer, is the owner of the enterprise, which is expected to prove profitable though the town has less than one thousand population. Incandescent lights are furnished in residences for 25 cents per month each and in stores and business houses for 40 cents per month. Our little neighbor up the Muskingum is truly getting a hustle on herself.

—Chairman I. R. Rose, of the Republican Executive Committee, was in the city Monday. The Republicans of the County are anxiously awaiting the Chairman's call for the meeting of the Central Committee to select the Executive Committee for the coming year.

—It is suggested, as a precaution against the loss of bicycles by theft, that the local dealers keep a record of the numbers and persons to whom all wheels are sold, so that it may be referred to on short notice.

—Miss Mary Sharpe, of Sistersville, W. Va., is the guest of Miss Lucy Roush.

—Col. T. W. Moore, who has been confined to his room for several weeks, was in the city Monday, having recovered sufficiently to be able to be out driving.

—George Barker, the young man who stole Fred Mueller's wheel from the sidewalk in front of Hasty's residence last Thursday evening, was captured at Belpre Monday and brought to this city by Marshal Parlin. The wheel was recovered the day after being stolen, having been left at the house of a Mr. Williams. Monday morning young Barker returned to Williams' and asked for the machine. He was promptly taken in charge by Mr. Williams and the officers here were notified immediately. The culprit is not over 18 years of age and lives across the Kanawha from Parkersburg. He is unable to give a good account of himself and it is suspected that he is the person who stole Charles Holst's wheel Friday night. He will have a hearing before Mayor Meisenholder in a day or two.

—The work of excavating for the new Presbyterian church on the corner of Wooster and Fourth streets began Monday. The contractor is here from Columbus and will push the work as rapidly as possible.

Doctors are often handicapped by the mere fact that when treating the diseases of women, they suggest and insist on "examinations" and "local treatment." A great many of them do not know that this is absolutely unnecessary. Many a woman has been thrown into a dangerous state of nervous excitement by the mere suggestion of such treatment. Many women lie to the doctor. That sounds hard, but it is undoubtedly true. They know that if they admit certain symptoms that the doctor will inevitably insist on an "examination." They do not give him all the facts in the case, and so he works in the dark. Quite often the doctor is too busy and too hurried to make the necessary effort to obtain the facts. He frequently treats symptoms for what they appear to be on the surface, when the real cause and the real sickness is deeper and more dangerous. A derangement of the distinctly feminine organs will derange the whole body. The woman herself may not know exactly what is the matter with her, but whenever she is sick, there are two things she should look out for first. One is what is called "female weakness," the other is constipation, for these two things frequently go together. Dr. Pierce's Favorite Prescription is designed for the cure of diseases and disorders of women, and it does cure them. It has been performing its healing mission for 30 years, and tens of thousands of women have been made happy by it. Dr. Pierce's Pleasant Pellets are for constipation, and contingent ills. Druggists sell them, but sometimes in well meaning ignorance, they will try to sell you something else. There is nothing "just the same" or "just as good." The druggist who tells you there is, is either mistaken or dishonest.

If you care to know more about your own body, send at once a stamp to cover cost of mailing only, and you will receive absolutely free a copy of Dr. Pierce's 1,008 page book, "Common Sense Medical Advice." Address: World's Dispensary Medical Association, Buffalo, N. Y.

Close Down to Try to Force up the Price.

Toledo, O., June 6.—All the Toledo bicycle factories except two, and which employ altogether about 6,000 men, are to shut down for an indefinite period next week. The primary object is to force prices up to the \$100 notch on standard machines.
