THE FRIEND OF NERVOUSNESS.

 When a woman's mind is constantly filled with nervous unreasoning dread and apprehension it shows that her entire nervous system is disordered and broken down. Nine times in ten it indicates that there is some special disease or weakness of the important and delicate organs which make her a woman. Nine times in ten it means that some instant and radical measures must be taken to save her from complete mental and physical wreck.

"I was so nervous I couldn't bear to hear the sound of my own voice," says Mrs. Nettie Brittenham, of Davenport, Thayer Co., Neb. "I felt as though there was some one ready to grab me if the least sound was made. I really cannot describe the feelings I had, but I can say I have no such ugly feelings now and I trust I never may again. I was suffering from female weakness and very much from nervous prostration."
 "I was not able to do anything. I could not sit up all day. I had not sat up all day since the birth of my baby, four months before I began to take Dr. Pierce's medicine. I took one doctor's medicine for four months but did not get along at all; so, discouraged, I thought I would try Dr. Pierce's Favorite Prescription and Golden Medical Discovery. I took six bottles of the 'Prescription' and nine of the 'Golden Medical Discovery' and used Dr. Pierce's Pleasant Pellets along with the other medicines, and I can say they have done wonders for me."
 "I do all my work now and feel better than for two years. I had not eaten anything for three months except some kind of soup and crackers; now I eat anything I want. I believe I owe my health to Dr. Pierce's medicines."
 Discouraged, broken-down women should write to Dr. R. V. Pierce, at Buffalo, N. Y., and learn how carefully he studies into these apparently hopeless cases. He will send without charge, (in a plain sealed envelope) the best advice of a capable, experienced physician.

Feather and Wool Dusters!
 There's no question about the everyday usefulness of a feather or wool duster. You can get along without one, but better with one. Save stooping, reaching and climbing, and will do some kinds of dusting better than anything else. The time was when the cost made them luxuries, our prices ought to make them necessities. After using one a while you would as soon think of getting along without a broom as a duster. Our stock of dusters was bought close and we can afford to sell them in the same way. We have Turkey, Ostrich, Peacock and Wool.

Oh, here's to the health of you and to you,
 And the saving of wealth in prices, too.
 There's nothing old and there's nothing new—
 Each day's a hash of a left-over stew;
 So, to save your dollars and to save your dimes,
 Just wade beyond these hashed up lines,
 From top to bottom, beginning to end,
 You'll know then where your money to spend,
 And that I'm yet, with the same good will,

Beware of Ointments for Catarrh that Contain Mercury
 as mercury will surely destroy the sense of smell and completely derange the whole system when entering through the mucous surfaces. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by E. J. Cheney & Co. Testimonials free.
 Sold by druggists, price 75c per bottle.
 Hall's family pills are the best.

THE WEDDING TIE
 Joins the Lives of Two Well Known Young People.
 The picturesque home of Captain and Mrs. C. A. Miller, situated at the junction of the Little Muskingum and the Ohio River, was the scene Wednesday evening of the ceremony which united the lives and fortunes of Mr. Z. B. Hildreth and Miss Ollie Miller. The rooms were resplendent with color, the red and white roses which were tastefully arranged throughout the apartments reminding one that it was the season of flowers, the happy month of June of which poets sing their lays.
 To the sweet strains of Mendelssohn's wedding march the bride and groom entered the flower decked parlor where the solemn wedding rite was performed by Rev. O. K. McCall.
 The bride looked charming in a gown of white swiss. She carried a magnificent bunch of white bride's roses.
 The groom was attired in the costume of the established color and style.
 The congratulations of friends being received the company repaired to the dining room where an elegant wedding supper was served.
 The remembrances of friends from the city and vicinity and those from a distance were displayed in abundance and were remarkable for beauty and variety.
 The guests who lent their presence to the happiness of the occasion were: Dr. and Mrs. Hemmiger and Mr. Lyman Rose, of Adelphi, Mrs. Wood and daughter, Miss Ollie, of Clarinda, Iowa, and Miss Joanna Fay, of Springfield, Mr. and Mrs. Hildreth will be at home to their friends at their home east of the city.

The Right Remedy.
 Hundreds who have exhausted the skill of doctors and vainly sought relief in the many modes of local treatment have been cured of Rheumatism, Backache and Kidney Troubles by Dr. DeBell's Kidney Pills even after having good reason to think themselves incurable. DeBell's Kidney Pills goes direct to the cause of the disease and a sure and permanent cure results. Price 25 cents. For sale by the Kirby Drug Company.

High Priced Stamps.
 Thirty dollars apiece for two-cent postage stamps is a pretty stiff price, but that amount was refused by a New Yorker for two of the Pan-American stamps of the two-cent variety. They are prized so high because the Fast Express in the center is printed upside down. The mistake was made at the Bureau of Engraving and Printing, but there is no telling how many sheets were printed in that manner. One sheet went to New York and the stamps were sold before the error was discovered. Most of the stamps have been secured by collectors, and they are holding them until it can be ascertained how many were printed. If the mistake was made on several sheets the price will greatly decrease. Twenty-two years ago a similar mistake was made printing revenue stamps. They now sell for \$25 each.

College Notes.
 The Senior class of the College took to the boats last evening and oared up the beautiful and placid Muskingum to Devo's Dam where a disembarkment was made. The party was provided with generously filled lunch baskets the contents of which served as a substantial and welcome refreshment after the long row. After spending a few hours in picnic diversions the party drifted back to the town on the still river through the moonlight.

About Coughs and Colds.
 Many broadminded physicians prescribe Bunsen's Pine Tar Cough Honey openly or give it unknown to the patient. Physicians who have tested it, know that it will cure and leave no chance for the diseases which follow La-Grippe, Colds and Croup. Price 25 and 50 cents. For sale by Kirby Drug Company.

Their use proved their merit and it gives me great pleasure to recommend them to all I hear complaining of their back or kidneys. I bought a box at W. H. Styer's drug store, 240 Front street, for my boy and the use of the remedy in his case was also followed by the most gratifying results. Doan's Kidney Pills are up to representations."
