

Mrs. Billa Patterson To Again Head Noble County W.C.T.U.

At the fifty-fifth annual convention of Noble county W. C. T. U. held in the Methodist church at Ava, Friday, approximately seventy-five persons were present.

The program was carried out as planned, with members of the Caldwell, Ava, Sharon, and Hiramburg unions participating. Mrs. Billa Patterson, county president, presided, and the vice president, Mrs. J. B. Farris, led in prayer. Outstanding features were the demonstrations and songs by the Ava and Caldwell L. T. L., and Y. T. C. members with Miss Lillian Harkins at the piano throughout for the musical numbers.

Rev. Clair Gray was the guest speaker, and Mrs. Columbia Shriver, probably the oldest W. C. T. U. worker in Noble county, gave an interesting talk, and Miss Luna Hunter, one of Cumberland's oldest active workers was present and brought greetings from the Cumberland Union.

Splendid reports were given by the various unions, with two reporting more than twenty-five percent gain in net membership. Around seventy-five new members of the younger group was also reported. The "Miles of Quarters" was reported as amounting to \$75.00. Great credit is due to the county president, for her organization of the younger groups in the county, and she was unanimously reelected president of the county union.

At the close of the session, Mrs. Billa Patterson was reelected president, vice president, Mrs. J. B. Farris; Corresponding secretary, Miss Effie Warren; Recording secretary, Mrs. Velma Cartell; Treasurer, Mrs. Vera Harmon, who succeeds Mrs. Cora Marquis, who resigned because of other activities. Mrs. Patterson extended thanks to all who in any way assisted in making the convention a success.

Price Controls Effective Now

Washington—The new price control law became effective immediately with President Truman's signature at 4:05 p. m., (Eastern Standard Time) today, to run until next June 30.

All rent and price ceilings and other orders of the OPA which were in effect June 30 were automatically restored except:

1. Ceilings on meat, poultry, eggs, dairy products, grain and feed, soybeans, cottonseed, petroleum and its products, and tobacco and its products; and

2. The maximum average price order which required clothing manufacturers to turn out a certain proportion of cheap wear.

The OPA will be required, however, to raise many of the ceilings within 60 days and to change some of its former practices.

OPA Prices Again In Effect Locally

All community ceiling prices lists including those on dry groceries, poultry, eggs, butter and cheese, as well as on fresh fruits and vegetables are revoked, the OPA District Office announced today, but new community ceiling prices lists for Caldwell and Noble county will be back August 1 on fresh fruits and vegetables and new lists are promised on dry groceries by August 5.

In the meantime, the local food dealers will figure their own individual ceiling prices by applying markup over costs as they did before OPA furnished the dollar and cents price lists and posters. These costs may not exceed the ceiling price of his supplier prior to June 30.

Meat, poultry, eggs, milk, cheese and butter items which the Act of Congress definitely decontrolled will not be included in the new lists until after August 21 or until it has been decided whether they shall be under price control.

The new community price lists are necessary it was pointed out because new prices will apply on the 1946 pack of canned goods, because of removal of subsidies on some items and by reason of increased freight rates.

'BLESSING ON THE DAY I FOUND RHU-AID' HER RHEUMATIC PAINS END

One lady recently took RHU-AID three days and said afterward that she never would have believed such a "wonder medicine" existed. She says she couldn't raise her left arm more than a few inches. Rheumatic pains afflicted the muscles of her shoulder and arm.

She could hardly move the fingers on her left hand. Now this lady's rheumatic pains are gone since she got RHU-AID and she says she can use her left arm as well as her right, in fact, she says she simply blesses the day she got this medicine and she feels like an altogether different woman.

RHU-AID is the new liquid formula containing three valuable medical ingredients. These Three Great Medicines, all blended into one, go right to the very cause of rheumatic and neuritic aches and pains. Miserable people soon feel different all over. So don't go on suffering! Get RHU-AID.
