LEGAL NOTICES

RESOLUTION
RESOLUTION PASSED IN COMMISSIONERS MEETING OF SEPTEMBER 9, 1946—
C. H. Rayner moved the adoption of the following resolution: Whereas, this Board has been informed that the Council of the Village of Caldwell, Ohio, is contemplating the installation of parking meters in said Village; and Whereas, this Board is of the opinion that the parking area on the inside of the street surrounding the public square in Caldwell should be for the free use of the general public;

Now, therefore, be it Resolved that this Board of Commissioners condemn the placing of parking meters or any other instrument or device for the collection of money from the public for parking privileges on the inside of said square and urge the Council to refuse to place said meters or devices, and that a copy of this Resolution be delivered to the Clerk of the Village of Caldwell forthwith.

H. G. Williams seconded said motion.

Upon the roll being called, the roll resulted as follows: C. H. Rayner, yes; H. G. Williams, yes; Ray Shriver, yes. 9c

OBITUARY

Nola Thompson Heller was born December 4, 1905, near Harrietsville. She passed away August 31, 1946, at her home in Norton Center at the age of 41. In 1930 she was united in marriage to Willard Heller and to this union two sons were born, Willard Junior and David. She obeyed the call of her master at an early age and later united with the Baptist church of Barbeton. Surviving are her husband and sons and her father, H. W. Thompson, of Clinton; two sisters, Mrs. Flossie Parks of Barbeton and Mrs. Freda Rich of Waterford; and one brother, Bert Thompson of Clinton. God grant that some day we shall meet for we have this promise that if the earthly house of our Tabernacle be dissolved, we have a building from God, a house not made with hands eternal in the heavens.

Mrs. Heller wrote these lines before she died.

Services were held at 4:00 p. m., Wednesday, in the Campfield Hickman chapel, Barbeton.

Burial in Greenlawn Memorial Park. 9c

County Agent News

Recently there have been many Noble county farmers concerned about the control of Stinking Smut in wheat.

This disease can be controlled by seed treatment before planting. Treatment with new improved Ceresan is effective, is inexpensive and can be made quickly and easily.

New improved Ceresan is prepared as a very fine dust. It adheres to the grain, yet does not interfere in any way with drilling. In fact treated wheat flows more smoothly and evenly than untreated grain.

Treatment may be made in various ways. A barrel or some form of closed container with baffles arranged on the sides to assist in mixing is satisfactory. If no other method is available, the grain can be spread on a floor, the required amount of new improved Ceresan sprinkled over it, then the grain shoveled over several times to insure thorough distribution of the dust. Every grain should be coated with powder.

In these critical times when it is necessary not only to maintain but also to increase wheat yields in Ohio, it is just as important to give adequate attention to disease control as it is to soil fertility, variety of wheat sown, or time of seeding.

Along West Frontier

Along West Frontier, Sept. 11—About a fortnight ago the home of Walton Morris, of Rich Valley, was the scene of a conflagration which might have proven disastrous to life and property but for the good luck and prompt action by owners. The nation of the home had just replenished her smoothing-iron with gasoline from a vessel near by and as she lighted the iron, the gasoline in the vessel ignited and the explosive effect caused the burning of some of the ceiling lathe and plastering. An oil-cloth on a table, rug and other articles within the room were destroyed or damaged.

Earl Smith of Reinersville, received two broken ribs, Monday and possibly other internal injuries when the ladder of a wagon-rigging which he had mounted to release a wire which was holding it, fell, throwing him backward bodily across the horizontal pieces of rigging. His body passed through rigging onto the surface below and he is suffering much pain as a consequence. Vic Walters of Reinersville fell last Friday and is suffering from a leg injury at first, thought to have been a fracture. He hobbles about plus a cane. J. H. (Huston) Rohrbough has purchased the Dow M. Haines property according to reliable reports. Dale Grandstaff of Sycamore, Wyandott Co., is visiting in the village having arrived, Sunday. Fred Combs, mother and his brother, Bernard, a wife and Dow Haines of Sharon township, returned home last Monday from a several days tour through Pennsylvania, Virginia and West Virginia.
