## Don't Dig---

When pipes, Drains or Sewers are clogged it's easier and cheaper to open them with the Electric Eel.

No fuss or muss — roots, stones, debris cleaned out quickly and leaves drain as clean as new.

Remember when your drain and sewer clog again call us and our Electric Eel.

1809

A. LINCOLN

1865

FOUR score and seven years ago our fathers brought forth on this continent a new nation, conceived in liberty and dedicated to the proposition that all men are created equal.

Now we are engaged in a great civil war, testing whether that nation, or any nation so conceived and so dedicated can long endure. We are met on a great battle field of that war. We have come to dedicate a portion of that field as a final resting place for those who here gave their lives that this nation might live. It is altogether fitting and proper that we should do this.

But in a larger sense we cannot dedicate, we cannot consecrate, we cannot hallow this ground. The brave men, living and dead, who struggled here, have consecrated it far above our poor power to add or detract. The world will little note, nor long remember what we say here; but it can never forget what they did here. It is for us, the living, rather, to be dedicated here to the unfinished work which they who fought here have so nobly advanced.

It is rather for us to be here dedicated to the great task remaining before us, that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion; that we here highly resolve that these dead shall not have died in vain; that this nation under God shall have a new birth of freedom; and that government of the people, by the people and for the people shall not perish from the earth.

—The Gettysburg Address.

## WHAT'S NEW IN THIS PICTURE?

Well, just look how the SPECIAL shines now! Brightwork on the fenders and around all windows. A name plate—and inside, door armrests, a robe rail, an extra ash tray. See the SPECIAL in de luxe finish at your dealer's.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

## Here's where Thrift and Glamor meet

Recognize this sprightly traveler?

Yes, it's the Buick SPECIAL 6-passenger Sedan that has caught the public fancy not only on its sleek lines, but on its easily-reachable price.

But notice anything new on it?

That's right — gleaming trim and the name plate "SPECIAL" bright-

ening up the fenders. Brightwork around the windshield and windows, too. And when you swing the door open you'll see still other touches of added luxury—side armrests, front and rear, a robe rail, an extra ash tray.

It's all still mighty thrifty, because this strapping straight-eight sells for less than many sixes.

Frugal in other ways too — gas mileage, for instance, is surprising so many people they are writing us in delight about it.

But here we've added extra glamor. Stepped up, at small step-up in price, the luxury look and surroundings of cars that would normally be much higher.

Why not drop in and see for yourself, both how these added touches dress up this SPECIAL and how close it is in price to cars of much less room, riding comfort, standing and performance.

Your dealer will be glad to see you — glad to show you how this traveler handles—glad to sign you up for prompt delivery.

## DYNAFLOW DRIVE? SURE, AT \$40 LESS THAN BEFORE!

Dynaflo Drive is available as optional equipment on all 1950 Buick SPECIALS. The extra cost is now \$40 less than originally, putting the sleek luxury of this super-smooth transmission within still easier reach.
