OFFICERS INSTALLED

Phoenix Lodge and Ft. Meigs Grove I. O. O. F. and L. C. B. A.

A special meeting of Phoenix lodge F. & A. M. was held Monday night on which occasion there was work in the Master's degree and installation of officers. The retiring Master, W. E. Escott, acted as installing officer and just prior to commencing that part of the ceremonies the members presented him with a Past Master's apron as a token of their good will. Past Master E. L. Blue was called upon to make the presentation and spoke as follows:

During the past two years, you have filled the station of Master of Phoenix lodge, enjoying honors, bearing burdens and performing the duties with credit to yourself and honor to the lodge. It is my pleasure to perform a very pleasant duty, which is to present you with a token of the good will and brotherly fellowship of the members of the lodge. The lamb-skin or white apron is the emblem of purity and the badge of a mason, more ancient than the golden fleece or Roman eagle, more honorable than the star and garter or any other badge that may be conferred upon you, and when worthily worn, it leads to the attainment of higher and greater honors to be conferred by the Great Master of the Universe, when our labors in the earthly lodge are over.

None save him who has served as Master can know how deeply the Master appreciates the good will and assistance of the brethren of the lodge. This apron you have truly won by your service and we know you will worthily wear it.

Accept it in the spirit with which it is given. Let it be one more link in the long chain of good will and fellowship that binds us together in one band of friends and brothers.

Mr. Escott was very much affected by the evidence of the good will of his brethren, and made a very pleasing reply to the presentation. He said he had endeavored to give his best efforts to the work and had tried to fill the station with which he had been honored to the best of his ability. He felt deeply grateful for the kindly assistance that had been given him by the members of the lodge, and complimented them highly by saying that they were entitled to his thanks and a large share of the praise that was given him for the work that had been done. He deeply appreciated the token of good will and fellowship that had been presented him and would endeavor to conduct himself at all time so that the brethren

Chamberlain's Cough Remedy the Best Made.

"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Walker of Porterville California. There is no doubt about its being the best. No other will cure a cold so quickly. No other is so sure a preventive of pneumonia. No other is so pleasant and safe to take. There are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy. For sale by Wm. Comstock & Son, druggists.

OVERLY IS GUILTY

Circuit Court Says he Fished in Wood County.

The Circuit court has affirmed the decision of the lower courts which fined "Slick" Overly for fishing with a seine in the Maumee river.

Overly had raised the question of the jurisdiction of the courts, claiming that the fishing was done on the Lucas county side. Attorney E. G. McClelland and Prosecutor Ladd held that it was done on the Wood county side. Overly claimed that the fishing was done in the main channel of the river between Island No. 1 and the Lucas county side, being more than half way to the boundary of the latter county.

The prosecution held that there are two channels in a stream, which divides two political bodies of land, the center of the main channel is the boundary line—not the mere center of the river. As Overly was shown to have fished south of the center of the main channel between Island No. 1 and Lucas county they claimed he was in Wood county territory, and the courts have just upheld them in their opinion. The case was a peculiar one.

SCHOOL NOTES

The schools opened Monday with a good attendance, a number of new pupils having been enrolled. The pupils seem to have profited by the vacation and entered upon the school work with enthusiasm, and the work is progressing very satisfactorily.

James Marriott of the Seventh grade, is out of school on account of a sprained shoulder.

The Fourth grade reports two new pupils making a total enrollment of forty-five.

There are now seven tuition pupils in the Eighth grade. Five new pupils were enrolled January 8—Earl Hum, Roy Spilker, Joe Hufford, Thomas Schaller and Fred Rossbach.

Lawrence Hillbrand and Frank Stewart entered the Seventh grade Monday.

The Sixth grade enrolled Marie Spitzig from St. Annis school, Toledo, on Monday.

The examination for the first semester will be held on Thursday and Friday of this week.

EDUCATIONAL EXHIBIT

Secretary R. S. Sweet, J. O. Troup and J. B. Wilson met Friday night and talked over plans for the educational exhibit to be made by the pupils of the schools of Wood county at the fair this fall. A program of what is desired will be sent out to all the teachers so that the representation of school papers may be a general one.—Sentinal.

DEVERNA WINS SUIT.

In the suit of Edward W. DeVerna vs. his daughter, Eliza Cloar, and husband, the Circuit court decreed in favor of DeVerna, and costs were assessed against defendant. DeVerna sought to recover possession of 40 acres of land near Dunbridge which the defendant claimed he had deeded to her.

The fault of giving children medicine containing injurious substances, is sometimes more disastrous than the disease from which they are suffering. Every mother should know that Chamberlain's Cough Remedy is perfectly safe for children to take. It contains nothing harmful and for coughs, colds and croup is unsurpassed. For sale by Wm. Comstock & Son, druggists.

COURT HOUSE NEWS

Prisoners Arraigned and Answered to Indictments Against Them.

On Monday afternoon prisoners were arraigned in Common Pleas court and answered to the charges against them as follows:

William Linder, charged with shooting Rosa Cole on Nov. 14, with intent to kill, pleaded guilty to the charge.

James Hardee, alias Chas. Baker pleaded not guilty to the charge of forgery. P. J. Chase is his attorney.

Al. Bartz, charged with assault and robbery upon John W. Shaw pleaded not guilty. It is alleged that Bartz assaulted and robbed J. W. Shaw of \$12.

George Bennett pleaded not guilty to the charge of larceny. He is alleged to have stolen chickens valued at \$5.50 from J. C. Malkebbber.

Bert Watts pleaded guilty to a charge of larceny. It was his first offence and he asked the mercy of the court. He was given 30 days and costs.

Thomas C. West, who is said to have stolen a suit of clothes, a bolt of silk lining, and a pair of shears from Henry Neiman, pleaded not guilty to a charge of larceny.

Much sentiment exist among Wood county people against the Board of Pardons, on account of their action in the Downing case, and there is talk of asking for the removal of the Board. Sheriff Reece will probably have petitions circulated in various parts of the county asking for the removal of the Board.

Ever since the mysterious pardoning of Bill Downing, there have been many daily expressions to the sheriff that have led him to take this step. The officers of this county were led to believe that the application for the pardoning of Mr. Downing would not be heard for month, but the very day they received this intimation, the board paroled Downing through the solicitation of some of his Toledo friends. The county officials want to make it possible to adequately punish pickpockets and others, when once they have caught them. This latter is hard enough without having all their work undone in so short a time.

Joseph M. LaPlant has commenced suit for divorce from Mary LaPlant. He says they were married in Toledo in 1892 and have a thirteen-year-old girl living. He alleges that his wife has wilfully absented herself from him for more than three years and has disregarded her marital vows and duties.

Marvin Kuhns Marries Widow.

Marvin Kuhns the life prisoner pardoned from the Ohio penitentiary by Governor Herrick Christmas day, was married at Albion, Ind., Saturday afternoon to Mrs. Kate Hogans, a widow. She is believed to be the woman who worked so hard to secure Kuhns' pardon. The latter will embark in business at Churubuseo, where the officers shot him down in 1900 when he was captured.—Fostoria Review.

PRISONERS SENTENCED.

Judge Fries sentenced the three prisoners who pleaded guilty on Monday.

William Linder, charged with shooting to kill, was given an indeterminate sentence in the Mansfield reformatory. He seemed to take his sentence very much to heart, and wept bitterly.

Tom West, who stole a suit of clothes from Neiman, was given one year at hard labor in the penitentiary.

Marion Martin, for burglary, received an indeterminate sentence in the reformatory.

Only 82 Years Old.

"I am only 82 years old and don't expect even when I get to be real old to feel that way as long as I can get Electric Bitters," says Mrs. E. H. Brunson, of Dublin, Ga. Surely there's nothing else keeps the old as young and makes the weak as strong as this grand tonic medicine. Dyspepsia, torpid liver, inflamed kidneys or chronic constipation are unknown after taking Electric Bitters a reasonable time. Guaranteed by Comstock & Son, druggists. Price 50c.

MANY INDICTMENTS

Returned by Grand Jury After 14 Days Labor.

The Grand Jury closed its labors Thursday evening last after being out four days. They returned 22 indictments, six of which were secret. Twenty-three cases were considered and 101 witnesses examined.

The indictments, which were made public, are as follows:

William Linder, shooting with intent to kill, main and wound.

John Miller, trespass.

Bert Watts, larceny, four counts.

Thomas C. West, larceny.

James Hardee, alias Charles Baker, forgery.

Albert Bartz, robbery.

Edward Murphy, selling intoxicants to minor.

Tad Parker, aiding prisoners to escape.

Marion Martin, burglary.

Claude Huber, horse stealing.

George Bennett, burglary.

John Bass, assault with intent to kill.

The work done by the jury this year covered more cases and was heavier than that which has been done by any grand jury for a number of years.

Its recommendation that the lower windows of the jail be better protected was the result of its inquiry into the case of Tad Parker who handed a gun through one of the ground floor windows to William Linder, one of the prisoners, last November.

A brief synopsis of the crimes for which the men were indicted may be of interest and is given below.

William Linder on the night of November 4, 1905, went to the home of Rosa Cole of B. G., and shot several times through the windows and doors of the house and when Mrs. Cole ran out the rear door and followed him around the house to the front of it, was wounded by a shot from the revolver which Linder had reloaded.

John Miller, it is alleged cut off the branches of a maple tree which was the property of R. F. Whitacre, on the fourth of last October.

Bert Watts was indicted for stealing \$175 worth of chickens from Geo. Blandin, Dec. 16, 1905, same to the amount of \$5.95 from David Gilbert Dec. 18, same to the amount of \$2.45 of Peter Williams & Co., on Dec. 19, and stealing a horse blanket from William Rideout worth \$4.50 on Dec. 4, 1905.

Thomas C. West is the tailor who stole a \$40 suit of clothes, linings and shears to the value of \$48.45 from Henry Neiman in this city Jan. 1 of this year. The clothes were sold to S. J. Coombes, the barber.

James Hardee alias Charles Baker, is said to have forged William Harper's name to a check Sept. 12, 1904, for \$53.

Albert Bartz is alleged to have robbed John W. Shaw, of \$12 September 21 last.

Edward Murphy it is claimed, sold liquor to a minor named Jesse Kersey Dec. 25, 1905.

Tad Parker passed a revolver through the window of the county jail to William Linder.

Cornelius Slike, it is alleged, sold liquor to Jesse Kersey on Dec. 25, 1905.

Marion Martin is the man who broke into Sam Reiss' store in this city and stole clothes, thread etc., to the amount of \$43.65 on the night of November 9th.

Claude Hubner is charged with taking a horse from the pasture of Thos. Argue September 17 last, without his knowledge.

George Bennett, it is alleged, broke into the poultry house of J. C. Malkebbber, and lifted 11 chickens valued at \$5.50 on the night of Nov. 22, 1905.

John Bass, it is alleged, is the man who assaulted Oliver Stage with the intention of killing him December 26, 1905.
