SURPRISING ECONOMY
Plow for conservation is effective in saving
wasting erosion, with serious
the value of the haylands. Add. from
growth, the market for which is
problems with preservation, but new
improvement in the past
with Mr. and Mrs. Albert

DAYS CLEANING ECONOMY
We sympathize with the man who
of his one suit, but it is largely
his own fault. He is not a
suit which can be cleaned
good order. If you keep these
of his foresight
and skill.
