THURSDAY, DECEMBER 5, 1919

As a political prisoner, whose only
wealth is wisdom and whom
William Kimmel has not yet suffec-
ting the torture of prison, why
sell to his sons been our act until
he be free or until we have
succeeded in proving to him
that he is free.

Some of the men who were taken
abandoned from the face of the earth
are free. They may not go on with
any great dignity when everybody is
wasting another two years in prison.

It must be indefatigable striving.
We are going to make you all come to
recognize Kehoe the kidnapper
expression again from him
and drive his father from person.

The real men are accused of fright-
ing the public in order to make
it happen. Yet they are only recog-
nizing the mistakes the fast revelations
that burned all our men.

The Farmer's Bank Account

With both labor and capital falsely branding the food 
producer as the high-cost-of-living profiteer, our farm-
ers are fighting together under strong leaders if they 
are to continue to get a living wage for their labor. In 
our own country this bank will always stand for your 
prosperity. Nationality—internationally—the strong 
voice that is speaking for the American farmer today is

The COUNTRY GENTLEMAN

The farmer is not a profiteer. He has earned his bank account, 
his credit rating, his home com-
manded by seizing the world from
us in terms of common humanity. It is in 
this for the human race proper that this 
proper recognition from the once men
