LOCAL BRIEFINGS. "HE'S ASLEEP." Colonel Lament was awakened by an Associated Press reporter and informed of General Sheridan's death.

Don't disturb him, let him rest. What care he for the veteran gone? What care he for the worst or best of the pauper crew? Let him sleep.

Don't disturb him, he's asleep. As he was when Sheridan made his ride, Or climbed with his boys up Lookout's steep, While Cleveland rested nor cared who died.

Don't disturb him, let him sleep. While the bells toll mournfully and woe, And the veterans bow their heads and weep, But the head of the nation feels no woe.

What have done O God, that we Must all these insults meekly stand? Is it because we made men free And drove armed treason from the land?

Our cup of gall has been filled full, While copperheads, rebels and John Bull, Have laughed with glee. Now let it stop.

We've had enough; so have a care, Show common decency at least. Or by the gods you'll think the air Is filled with seeds from west to east.

Mr. Frank Woodbridge, of Sandusky, was in the city yesterday.

Mr. L. C. Morris, of the O. I. & W., was in the city last night.

General Manager Henderson, of Indianapolis, returned home this morning.

Mr. John Sanderson, of the Arcade clerical force, left today for trip through Canada and the north.

The Rippers, a base ball club composed of local hotel waiters, play the Urbana at the latter city today.

General Manager Moore, of the C. S. & C., was in the city last evening on business. He left this morning for Tiffin and is traveling in his special car.

It is to be regretted that Rev. William N. Broadbeck, the first pastor of St. Paul M. E. church, this city, will not be able to visit Springfield during his present tour in the West.

There was born, Thursday afternoon, to Mr. and Mrs. John Burns, worthy people living in the east end, across the creek, a boy baby, which, though small, was physically perfect, except it was born with six fingers on each hand.

There is a brown hand-satchel at the patrol house which was dropped by three young ladies from a carriage yesterday, and handed in by a farmer. It contains some keys, toilet articles and ladies' garments. It can be recovered by proper identification.

The storm Tuesday night has played havoc with the patrol boxes. The police have responded to a half dozen calls since that evening that had their origin only in the disarranged condition of the box.

Last night a "ghost" call came in from Water and Columbia streets, which nobody turned in.

A transcript was filed in the court of common pleas this morning from Mayor Riker's court at St. Paris. It was on complaint of Martha Purkeypile against Robert Anderson, charging him with an assault to commit rape upon her June 28, 1888.

Anderson was bound over to court in the sum of \$300. He gave a good bond for his appearance at the next term of court—Urbana Citizen.

ROYAL BAKING POWDER ABSOLUTELY PURE.

For quick raising, the Royal Baking Powder is superior to all other leavening agents. It is absolutely pure and wholesome and of the highest leavening power.

Prof. H. A. Mott, U. S. Government Chemist, after examining officially the principal baking powders of the country, reported:

"The Royal Baking Powder is absolutely pure, for I have so found it in many tests made both for that company and the United States Government.

"Because of the facilities that company have for obtaining perfectly pure cream of tartar, and for other reasons dependent upon the proper proportions of the same, and the method of its preparation, the Royal Baking Powder is undoubtedly the purest and most reliable baking powder offered to the public.

FARMERS' PICNIC.

The Titlers of the Soil Have a Day Together—They Expect a Permanent Organization.

The farmers work hard and take few holidays and it is certainly very proper that they should get together and have a "time" once in a while, the same as other folks.

After organization speeches were made by Messrs. Holman, Little, Merritt and others, upon subjects of interest to farmers. The objects of the new association will be the enjoyment of an annual picnic together, a better acquaintance with each other, discussion of topics of interest to farmers, and other matters that may come up for attention.

HONORING SHERIDAN.

Action of the Citizens' meeting last night—The Salute to be Fired.

In response to the call for a citizens' meeting, to take appropriate action regarding the death of General Sheridan, quite a number assembled at the mayor's office at 8 o'clock last night.

On motion of Dr. J. H. Rodgers, F. M. Hagan, esq., was made chairman of the meeting, and Thomas G. Brown secretary.

After some remarks by Dr. Rodgers and Hon. George C. Hawley as to what would be appropriate and possible, the following was offered by Dr. Rodgers:

In view of the near approach of the hour of burial, we deem it inexpedient to call together our fellow citizens in public assembly, or to prepare for their approval any formal resolutions expressive of our common sorrow at the death of Lieutenant General Philip H. Sheridan, late commander in chief of our army, and of sympathy with his bereaved family.

Nevertheless, we earnestly request that, so far as possible, flags be draped and displayed at half mast from residences and public buildings during all of Saturday; that the usual number of guns due to the rank of the deceased be fired during the day; and that the fire alarm bell be tolled while the funeral service is in progress at Washington.

The above was adopted, and on motion the chairman appointed the following committee to carry out the expressed desire of the meeting: The committee is Thomas Brown, J. W. R. Cline, Dr. John G. Kennen, J. M. Bence, F. S. Penfield and L. F. Young, after which the meeting adjourned.

The committee met at Judge Young's office this morning at 10 o'clock, and arranged for the firing of half hour guns from sunrise to the hour when the funeral procession moves, and then a salute of seventeen guns, which is the number designating the rank of the deceased.

The salute will be fired from the Little Miami yards, opposite the Central engine house, and the instructions of the meeting will be carried out in detail.

SAWYER-PIERCE.

The Nuptials of Mr. Frank Sawyer and Miss Bertha Pierce Celebrated Last Night.

Last (Thursday) evening at the residence of Mr. Chas. H. Pierce, of south Mechanic street, the marriage of Mr. Frank E. Sawyer and Miss Bertha F. Pierce was solemnized in the presence of about one hundred guests, by Rev. S. P. Dunlap.

The residence was beautifully and tastefully decorated, which added a charm to the scene that will ever remain in the memory of all present.

Many elegant and costly presents were made by the relatives and friends of the young couple, showing the high appreciation and esteem in which they are held.

A fine supper was served, consisting of all that the most exacting epicurean could demand, and to which the guests devoted their attention amid the pleasant and repartee that was being exchanged around the banquet board.

About one hundred guests were present, consisting of the relatives and friends of the contracting parties, among those from abroad were Mr. and Mrs. Harley Porter, of Lima; Mr. and Mrs. Harper, of Lowell, Mass.

The young couple left this morning for Cincinnati and other points on a wedding trip, to be gone several days. Upon their return they will proceed immediately to housekeeping, at their new residence on Ward street, where they will be at home to their friends.

Mueller-Kanster.

At 5 o'clock last evening a pretty and impressive wedding was solemnized at the residence of the groom's mother on extreme north Limestone street.

The contracting parties were Rev. John Mueller, pastor of the Concordia Evangelical church, Washington, D. C., and Miss Tony Kanster, late a teacher in the Aiken (S. C.) university.

The contracting parties are both possessed of intellectual qualities of a high order and the union is one of mind as well as of heart.

The presents were rich and appropriate. The bride has been the guest of the groom's mother for the past month. The groom is a brother of Prof. Samuel Mueller and is one of the most prominent divines in the Capital City.

Among those present were Mrs. Mueller, the venerable mother of the groom, Mr. Paul Mueller, Prof. Mueller, Mr. John V. Maler, Rev. and Mrs. Breckenridge, Mr. and Mrs. A. McC. Wilson, the Misses Thomas, Messrs. Galt and Galt, Miss Cutler of Cleveland, Miss Lettewitz, Misses Holford, Mr. P. E. Montanus and Prof. August Mannings.

After the serving of dainty and seasonable refreshments the guests were entertained by music by the "M" quartette and by Miss Zetavern. The music was of a high order of excellence.

The bride and groom left after the ceremony for a bridal trip to Newcastle, Pa.

The committee on resolutions offered the following: Whereas, in the death of Gen. Phil S. Sheridan the country has lost one of its most distinguished patriots, the army one of its most illustrious commanders and the C. A. R. one of its most beloved comrades, therefore, be it

DISASTROUS FIRE.

W. T. Smith's Drug Store Damaged by an Early Morning Blaze.

Shortly after 7 o'clock this (Friday) morning a disastrous fire did heavy damage at W. T. Smith's drug store, No. 16 south Market street, between High and Main streets. It is probable that the loss on stock and building will aggregate fully \$5,000, and may exceed that figure.

At 7 o'clock this morning, Mr. Smith was driven down to the store from his residence on west High street by his son Victor. The latter then drove back home, and after opening the front and rear doors, Mr. Smith washed off a piece of ice the ice wagon had deposited at the front door, and after placing it in the cooler, went out to the hydrant to fill a measure with water. While he was bending over the hydrant parties from across the street rushed over and told him the store was on fire. Mr. Smith hastened to the door and found the store full of dense, oily smoke and the rear a dense, crackling mass of flames.

An alarm was keyed in from box 3, and the Central Western and Clifton's responded. A line of hose was run by the Westings, and two lines from the chemical carried to the rear through Conklin's grocery adjoining. Such prompt and excellent work was done that the blaze was speedily extinguished before the fire had spread.

The fire and smoke damaged all the stock and scorched and charred the wood work, especially that in the rear part of the store.

The department in which the blaze originated was filled with oils, paints, alcohol, kerosene varnishes and other materials of a highly combustible character.

It is probable that the fire had been smoldering all night and that the draft between the open doors fanned it into a fierce and immediate flame. Three barrels of "alabaster" plaster, in the room over the rear of the store, were burned up and the wood-work charred.

Mr. Smith estimates his damage to stock at \$1,500 and to the building \$3,900. Both fully covered by an aggregate of \$4,500 insurance in the Knox and Ohio Mutual companies.

TERRIBLE ACCIDENT.

Mr. Alex. Sykes, a former Springfielder, Tragically Injured Near Larkton, Kansas.

The distressing news was received in Springfield yesterday that Mr. Alex. Sykes, a former well-known resident of this city, was operating his new farm, six miles from Larkton, Kansas, met with a terrible accident a day or two ago, which will make him a cripple for life.

While operating a mowing machine upon his place, he accidentally got his right foot caught in the knives of the machine and was so badly cut and torn that it may have to be amputated, although the physicians are making strenuous efforts to save it. At all events, Mr. Sykes will be a cripple for life. The tendons were nearly all severed, and the injury is a frightful one.

Mr. Sykes was doing splendidly at his new home, had just paid for a farm of 160 acres and purchased another of the same size. He was a prominent musician in Springfield and had many friends who will sincerely deplore his misfortune.

At Home Again. Rev. Dr. Steele, rector of Christ (Episcopal) church, has returned home from his summer vacation trip, and will resume his services next Sunday at the usual hour. All are cordially invited and will be welcome.

The Liddy Case. In the police court, this afternoon, young Pat Liddy was fined \$5 and costs in the case of disorderly filed against him some days ago.
