NASBY.
MR. NASBY BECOMES INDIGNANT OVER THE COURSE OF MR. BRAGG, OF WISCONSIN.

CONFEDERATE X ROADS (which is in the state of Kentucky), January 27, 1879.—The prevarication of some men is beyond all human calculation, and the misfortune of the Democracy is such which nothin short of infinity kin calculate upon. Their aim no discipline in the party, but it seems on the contrary ez the every man uv em, from the highest down to the lowest privit in the ranks, wuz a ftin on his own hook. Ther wuz a bill introduced into Congress remonstrating a Kentuckian, named Mitchell, for cotton seized by Linkin's hirelins, and the proceeds uv which went into the Fedrel Treasury, and wuz yooosed to crush the South it very simple case. Mitchell went South at the beginning of the unholy crocodile. He had a pass sothin from a Fedrel General to go South, but when he got there he preferred to stay, and he did stay for three years. Bein a too Kentuckian Mitchell went into the Confedrnt servis, ez a Commissary or suthin uv the sort. That he was a too friend uv the South is evidenced by the fact that he came back alive and wuzn't hung to his neck tree.

PETROLEUM V. NASBY.
BRANCH OFFICE of Williams' Steam Dye Works, of Evansville, at Mrs. James' No 47 Eighth street, Cairo, Ills.
For a good shave for ten cents, a good hair cut for twenty-five cents, go to Henry Schick's barber shop, No. 142 Commercial Avenue.

All the finest brands of cigars and tobacco, fine cut and plug, meerschm and other pipes, cigar holders, etc., etc., a large and varied stock, for sale at wholesale and retail, at F. Korsmyers, Sixth street near Levee.
Mr. JOHN H. BEECHER has vacated the Court House Saloon, and desires to apprise the public that he has taken possession of his house on Thirteenth street, where he will open a house for the accommodation of regular and transient boarders, furnishing meals at all hours, and regulating his prices according to the times. The hundreds of citizens and country people who have stopped with Mr. Beecher need not be told that he always feeds his patrons on the best that can be had. He is well known for his good and abundant feeding, and his acquaintances will be sure to give him

Doorn his absence his cotton wuz remorselessly seized by Linkin's friends, and confiscated.

After the South wuz crushed, Mr. Mitchell's wealth been mostly in Confederate money, he bethought himself uv the cotton. I don't know how much cotton wuz taken, nor is it necessary that I should know. I only know that he put in a claim for \$129,000, enuff to enable him to live in considerable comfort and smooth his pathway to the silent toom. That wuz all about it. It wuz a case wuch appealed to every Democrat, and it ought to hev gone thro the house with a whoop, ez the begining of emsilishment.

But before it cum to a vote, a Dimekrat named Bragg, of Wisconsin, made a menudary speech agin it, and to add insult to injury he gave the sufferin South notis that sich clamors would be resisted by the Democracy of the North, and that ther wuz no earthly yooose in interloosin sich bills.

Let me ask Mr. Bragg wat he meant? Is he a Dimekrat and does he comprehend the hull dooty uv a Dimekrat? Wat wuz he electid fur? Wat rize hez he to hold a seat in Congress ez a Dimekrat, and cast his vote agin Dimekratic measures? He is insubrdit. He hezn't the remotist idee uv wat his dooty really is. Wat did the South cum back into the Yooonun fur?

Hez it will be the entrin wedge for sich appropriashens till the Treasury is bankrupt. Sposen it is? Doesn't Mr. Bragg understand that the South is bankrupt? Doesn't Mr. Bragg understand that rize here in the Corners we hev claims agin the General Government for more than twice the amount uv Mitchell's hezgerly demand? Why Delkin Program lost twelve miles and all his fenses, and Capt. M'Pelter his distillery with his preshus contents; Isaker Program sez he lost suthin; and ther ain't a citizen uv the Corners but wuch dislivered he had bin impoverished by the blood-koted lirelins the very night it wuz diskivered ther wuz a prospect uv a Dimekrat House and Semit and consequent payment uv those clamors.

The effect on the on the Corners uv this prospect uv payment was instagantaneous and strikin. Ther revired in our breasts a feelin uv devoshun to de old flag wuch we hadn't left for yers. Ther wuz an immedjt longin to see its folds floatin everywhere, and expressions begun to be heard that perhaps the South had made a mistake, and that the old flag wuz good enuff for us. And wuz better, jist the second that the payment uv these clamors wuz considered a showy thing, Bascom re-established the credit system, and in the most generous manner put down on his slate jist ez many drinks ez we ordered. When a citizen sed "Put it down, Bascom," his inquiry wuz: "Hez yoo a clamor agin the Government?" and as the answer allus wuz: "Certainly—milks," he put it down cheertfully and smiling. Do yoo know, Mr. Bragg, wat your insenajary speech hez dun? It hez crushed out yooonunism here entirely. It hez revived the old feelin uv animosity to the Fedrel Government, and revived the smoldering discontent that wuz well nigh extinguished. The citizens murmur: "Then the Government ain't goin to pay me for my mules? D—in the Government."

Isaker Gavitt sez that of Bragg, uv Wisconsin, succeeds in blockin the payment to him fur de mules that John Morgan took, the hopes uv the South for a free government are forever dashed, and that freedom may ez well commence her streck.

The revolin uv Mr. Bragg's speech hez plunged the Corners into gloom, from which it will take months to arouse it. Biznis is deprest, and there is general stagnation. Bascom rebosed credit at his lar to wumet and we hev to depend on chance commercial travelers from Louisville for what refreshers we git. We sit and sit afore his fire and wonder of the time will ever come when supplies will be regular, and the worm that dieth not in our stumicks will ever be sufficiently satiated. All this we owe to Bragg's uv Wisconsin.

I never want to see a Dimekrat electid from a State like Wisconsin. They ain't half baked. Wat Bragg shood hev done, wuz to vote for that clamor, and take defect when he came up for re-elecksun, like a man trusin the next Dimekratic President, which will be under Suthern Control, to give him a furry mishun.

Sich Dimekrats must be red out uv the party. We didn't come back into the Yooonun to play second fiddle to the North. Uv the Radikels North we expect opposition, but uv the Democracy uv the North, submishun. Nothin less will ansur. The Braggs must either git into their old places or go out among the Ablishinists, where ther is weepin, and wallin, and gashin uv teeth.

The cardinal principles uv the Suthern Dimekrats is:
1. Payment uv all clamors that any Confedrnt may make on the Gintal Government for property yooosed up doorn the struggle.
2. Peshunin Suthern soljers, includin even seh ez wood like to hev gone into the servis, but didn't.
3. A comprehensive system of internal improvement wuch wood includ a Custom House at the Corners, and the slack-water uv Sucker Crik.

Er Mr. Bragg can't support these toooly consiliatory measures, the goner he gets out uv the party the better. We want no sich in our ranks.

A CARD—To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a recipe that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a half-addressed envelope to the Rev. JOSEPH T. INMAN, Station D, Bible House, New York City.

SOUTH AMERICA AND SOUTHERN UNITED STATES.—Owing to the warm and delightful climates, their inhabitants grow sallow from torpid livers, indigestion, and all diseases arising from disordered stomach and bowels. They should, of course, at all times keep the liver active, and to our readers we would recommend Tabler's Vegetable Liver Powder; taken in time, it will often save money and much suffering. Price 50 cents. Barclay Brothers, agents, Cairo, Ill.

THE BUCKEYE—It is a well established fact, that Tabler's Buckeye Pile Ointment will cure, if used according to directions. Esculus Hippocastanum, or Horse Chestnut, commonly known as the Buckeye, has been highly esteemed for many years, owing to the fact, that it possesses virtues, lying in the bitter principle called Esculin, which can be utilized for the cure of Piles. If affected with that terrible disease, use Buckeye Pile Ointment and be relieved. Barclay Brothers, agents, Cairo, Ills.
