MISCELLANEOUS.

—River 43 feet 5 inches above low water mark, a decline of 6 inches since yesterday.

—The Golden Rule will be here Tuesday for New Orleans.

—The Belle Memphis had not arrived late last night, probably wind bound.

—The Guiding Star got away late last night fully loaded. She added 500 tons here.

—The John B. Maude was wind bound here, until early noon. She added liberally for Vicksburg and got off at 1 p. m.

—The packets will be late probably today, by reason of the high wind which prevailed yesterday.

—The Maude's anchor, which so gracefully dangles between her chimneys, was considerably mixed up with the winds, guys, etc., and bore but little evidence of being a hopeful institution.

—Commodore Rollingpin says: "Since Walt McKee, of Cairo, has become the proprietor of a daily newspaper, he has taken to wearing a standing collar and a plug hat, and has his boots blacked. Walt's reports, however, are as full and reliable as ever"

—Capt. John Jones, clerk on the steamer Guiding Star has been oppointed general agent of the celebrated Rafting cookstove, manufactured in Evansville. The beauty of the stove consist in certain attachments "with under," which gives universal satisfaction. Geo. Williams, of Owensboro, formerly of the Pargona, and other lower coasts, but now wharfboating at Owensboro, is the patentee,

—Through certain nice adjustments of drain tile, and other simple appliances, Captain Moore has been enabled to render the carriage of all kinds of stock possible without annoyance to passengers. He is warranted in announcing that the Robert Mitchell desires a cargo exclusively of the genus bovine, feline, canine, quinine and ninety-nine if possible. Other freights will be entertained, in case the desired quality is not offered. She will be down to-morrow night.

—An unfortunate movement of the engine yesterday, on the Guiding Star, resulted in the death of two colored men, and the seriously wounding of one white. It seems a line became entangled in the journal of one of the wheels, and the these men were sent into the wheel house to extricate it. While at work and without the slightest warning the engines were started. The two negroes were thrown into the river and drowned and the white man was so terribly crushed that he died in a short time after. It was a distressing affair, and shows very bad management upon the part of some one and should be investigated.

—It is hard to say just who is to blame in the matter of the accident yesterday, on the Guiding Star which resulted in the drowning of two negroes and the crushing of a white man to death. The engineer claims to have been ignorant of the fact that the men were in the wheelhouse and started the engine in reply to the pilot's signal. The pilot insists that the mate ordered him to move the engines, which in turn is denied by the mate. It was a distressing affair, and shows the necessity of having some system and management, when such repairs are necessary. We could not learn the names of the unfortunate men.

The probabilities are that the J. D. Parker will prove a total loss. Our dispatches from Louisville this morning state that her owners have given up all hopes of getting her afloat again. The James D. Parker has been a faithful, fortunate and profitable sternwheel steamer. She has the cylinders of the Emma Floyd, and was built on the Cincinnati marine ways; named after Capt. James D. Parker, secretary and treasurer of the Memphis and Ohio river packet company, by whom she is owned. The Parker made her maiden trip from Cincinnati to Louisville October 5, 1872, under charter to the Louisville mail line company, and afterward plied between Cincinnati and Nashville, and has since been engaged in the Cincinnati and Memphis trade, plying almost constantly, and during the lowest water, only lying up during the prevalence of ice and the yellow fever blockade at Memphis. She is valued at $15,000 and insured for $10,000 in Cincinnati offices. Her cargo has all been saved.

CATARRH OF THE BLADDER CURED.—Henrietta, Monroe Co., N. Y., Jan. 5, 1880.—H. H. WARNER & Co.:—GENTLEMEN:—I am a man 67 years of age, have lived in Monroe county, N. Y., most of my life, and believe there is no man of my acquintance who would doubt any statement I might make. I have been a terrible sufferer of catarrh of the bladder for years. Hearing of a number of cures from the use of your remedy, and after taking a few bottles of your Safe Kidney and Liver cure, I was not only relieved, but found myself cured. Thomas Owens.

"MY BACK ACHES SO, and I feel miserably," said a hard-working man. The doctor questioned him and found that he had been habitually costive for years, that now his kidneys were disordered and his whole system deranged. Kidney-Wort was recommended and faithfully taken and in a short time every trouble was removed. The cleansing and tonic power of this medicine on the bowels and kidneys is wonderful.

A GOOD HOUSEWIFE.—The good housewife, when she is giving her house its spring renovating, shold bear in mind that the dear inmates of her house are more precious than many houses, and that their system needs cleansing by purifying the blood, regulating the stomach and bowels to prevent and cure the diseases arising from spring malaria and miasma, and she must know that there is nothing that will do it so perfectly and surely as Hop Bitters, the purest and best of medicines.—Concord N. H. Patriot.
