FANATICISM IN IOWA.

Dubuque Herald. Was fanaticism ever so rampant as in Iowa? The whole aim of the Republican party seems to be the enactment of laws restraining the liberty of the people. One of the penal laws enacted by the last legislalature, and which is now in force, is that making it a crime for one friend to treat another friend to a glass of wine, or beer, or cider, on election day within one mile of the polls. A fine of from \$5 to \$100 is imposed for the violation of the act, and imprisonment besides. Was ever usurpation and oppression more malignant? Every Republican voted to enact the law. Every Democrat voted against it. Ye who love personal liberty, and who are in favor of conducting your own private business in your own private way, what do you say to this malicious and puritianical meddling? But keep right on sustaining the party who, by and by, will invade the sancity of your

THE MILLERS' CONVENTION. Kansas City Times.

The millers of the west and northwest are to have a grand international convention at Cincinnati on the 30th of May. Provision has been made for the entertainment of over 50,000 millers and manufacturers from this country, while between 1,500 and 2,000 Europeans, engaged in the milling interests, have signified their intention of being present. Ten complete flouring mills will be set up in the exposition buildings, and two of them will be from Europe. Next to the Democratic national convention, this will prove the finest advertise ment Cincinnati has ever had.

Ghosts.-Not Col. Ingersoll's "aristocracy of the air," but real human ghosts. Ghosts that were once healthy men and women, but are now simply the "ghosts of what they once were." As we meet them and inquire the cause of all this change they repeat the old, old story, "a cold," "neglected cough," "catarrh," "overwork." or "dyspepsia," "liver complaint," and "con stination," with unsuccessful physician and remedies. In offering his Golden Med ical Discovery and Pleasant Purgative Pellets for the cure of the above affection. Dr. Pierce does not recommend them as a "sure cure" in all stages. For if the lungs be half wasted away, or there be a cancerous complication, no physician or medicine can cure. The Discovery is, however, an unequaled pectoral and blood-purifier. It speedily cures the most aggravated cough, or cold, and in its early or middle stages. consumption. By correcting all irregulari ties of the stomach and liver, it readily cures blotches, pimples, scrofulous ulcers, "bunches," or tumors. Hundreds testify that it has restored their health, after eminent physicians had failed. For constipation, use the Pellets. As a local remedy for catarrh, use Dr. Sage's Catarrh Remedy.
