CHURCH & CO'S.

"Arm and Hammer Brand."

Bi-Carb Soda and Saleratus

Which is the same thing.

ABSOLUTELY & CHEMICALLY PURE!

Impure Bi-Carb Soda or Saleratus (which is the same thing) is a slightly yellow color, may appear white, examined by itself, but a COMPARISON with CHURCH & CO'S "Arm and Hammer" Brand will show the difference.

See that your Saleratus and Baking Soda is white and PURE, as should be all similar substances used for food.

Housekeepers who prefer bread made with yeast, will improve its quality, make it rise better, and prevent it from souring, by adding one-half teaspoonful of Church & Co.'s Soda or Saleratus. Be sure and not use too much milk. The use of this in preference to baking powder, saves twenty times its cost.

See one pound package for valuable information and read carefully.

SHOW THIS TO YOUR GROCER.

## MEDICAL.

### DEBILITY AND NERVOUSNESS ARE CURED!

No organ of thought or action can be employed without the assistance of the blood, and no organ can be employed safely or with impunity without a supply of healthy blood. With healthy blood the faculties become well developed, whether they be muscular or intellectual. By the use of FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES the blood is speedily vitalized and purified, and so made capable of producing a sound mind and a sound body.

"Persons suffering from impure blood, or whose health is giving way, either as ministers or those who study closely, will find in the Syrup the material to build them up, and the tonic to keep them there."

I am, etc., your true friend,  
DR. J. I. FELLOWS.

Putnam, N. Y., March, 1879.  
MR. JAMES I. FELLOWS--Dear Sir: During the past two years I have given your Compound Syrup of Hypophosphites a fair though somewhat severe trial in my practice, and am able to speak with confidence of its effects. In restoring persons suffering from emaciation and the debility following dyspepsia, it has done wonders. I constantly recommend its use in all affections of the throat and lungs. In several cases considered hopeless, it has given relief, and the patients are fast recovering. These are consumptive and old bronchial subjects, whose diseases have resisted the other modes of treatment. For impaired digestion, and in fact for debility from any cause, I know of nothing equal to it. Its direct effect in strengthening the nervous system renders it suitable for the majority of diseases.

I am, etc., your true friend,  
WM. S. HOWE, M. D.

NOTE--It is only the independent, well-posted, and successful physicians who can afford to prescribe this remedy. Experience has proved this. The highest class medical men in every large city where it is known recommend it.
