INVALIDS

AND OTHERS SEEKING

HEALTH,

Strength and Energy,

WITHOUT THE USE OF DRUGS, ARE REQUESTED TO SEND FOR "THE ELECTRIC REVIEW," AN ILLUSTRATED JOURNAL, WHICH IS PUBLISHED FOR FREE DISTRIBUTION.

IT TREATS upon HEALTH, HYGIENE, and Physical Culture, and is a complete encyclopedia of information for invalids and those who suffer from Nervous, Exhausting and Painful Diseases. Every subject that bears upon health and human happiness, receives attention in its pages; and the many questions asked by suffering invalids, who have departed of a cure, are answered, and valuable information is volunteered to all who are in need of medical advice.

The subject of Electric Belts versus Medicine, and the hundred and one questions of vital importance to suffering humanity, are fully considered and explained.

YOUNG MEN

And others who suffer from Nervous and physical Debility, Loss of Manly Vigor, Premature Exhaustion and the many gloomy consequences of early Indiscretion, etc., are especially benefited by consulting its contents.

The "ELECTRIC REVIEW" exposes the unwholesome and dangerous practices of quacks and medical impostors who profess to "practice medicine," and points out the only safe, simple, and effective road to Health, Vigor and Bodily Energy.

—Bob Nash is engineer on the Eckert.

—Cons Millar for Memphis, passed down at 6 p. m.

—Ben Frazier, an old Cincinnati pilot, is on the Raven.

—The Raven and barges passed up the Ohio at 5 p. m.

—The Golden City will be down to-day for New Orleans.

—The City of Vicksburg, for Vicksburg, is due here to-night.

—Colorado for Memphis was here at dark adding freight.

—The Jas. W. Gaff for Cincinnati will be up to-night. Capt. Wise commands her.

—The Golden Crown is still here receiving. She will get away this morning, having added 800 tons.

—Frank Bedard, who during the war was proprietor of the St. Charles hotel, is now clerk of the T. F. Eckert.

—The New City of Providence is now ready to launch at Jeffersonville. Capt. Jno. Keiser, superintendent of the Anchor Line has gone over to see it well done.

—The T. F. Eckert passed up to Louisville at noon yesterday. Capt. Irwin Dugan was in command. Lou Allen brought her here from St. Louis. Jack Anderson and Henry Ashton pilot her to Louisville from here. Capt. Reese has decided the Alice can be raised, and we think he will have her afloat inside of five days.

—The big Jim Howard of the Anchor line is due here Friday for New Orleans, if the business here keeps the boat until evening it is likely that Capt. Pepper, assisted by Capt. Shields, will entertain his Cairo friends. Dancing and promenading will be the programme, and no one who has ever before been entertained on any of the Anchor line boats could be induced to forego this treat. The Anchor line folks in particular, like every thing else they undertake, do it in magnificent style.

WOULDN'T COMMIT HIMSELF.

Detroit Free Press.

A woman was yesterday looking around the ferry dock as if in search of some one she knew, and she finally accosted an old lake captain with the query:

"Sir, are you a sailor?"

"I have sailed," he replied.

"There has been a great gale on the lakes?"

"Maybe there has. I know there has been one on land."

"You see, I have a son on a schooner."

"Yes, maybe you have."

"And I'm afraid he was out in the storm."

"If you have a son on a schooner, and the schooner was out in the storm, it is likely your son was out too."

"Do you think there was any danger?"

"I can't really say."

"But it blew terribly hard."

"Perhaps it did, madam; but as I was playing chuckers most of the time, I can't say how hard it blew."

"If the schooner went down my son went down, too, didn't he?"

"Maybe so and maybe not. I wouldn't like to give an opinion about that. Some sons go down with schooners and some don't."

"You haven't heard that the Daisy was lost, have you?"

"I shouldn't like to say I had or hadn't, but I probably haven't."

"I'd hear by to-morrow if she had, wouldn't I?"

"You might, and you might not."

When she had gone an acquaintance who had overheard the conversation asked the captain why he did not give direct answers. The old man drew himself up an inch or two and replied:

"Twenty-eight years ago I had an opinion to advance on almost any subject. One night the mate of my bark said that we were running her ashore on Long Point. I stuck to it that it was only a fog bank. In fifteen minutes she was high and dry, and I was \$18,000 out of pocket. Since then what I do know I keep to hedge on, and what I don't know I keep locked up in my clam shell until I strike a rising market."

Is YOUR HAIR FALLING OR TURNING GRAY?—"London Hair Color Restorer," the most cleanly and delightful article ever introduced to the American people. It is totally different from all others, not sticky or gummy, and free from all impure ingredients that render many other preparations obnoxious. It thickens thin hair, restores gray hair, gives it new life, cures dandruff, causing the hair to grow where it has fallen off or become thin, does not soil or stain anything, and is so perfectly and elegantly prepared as to make it a lasting hair dressing and toilet luxury. London Hair Color Restorer is sold by all druggists at 75 cents a bottle, or six bottles for \$4. Principal Depot for United States, 330 North Sixth street, Philadelphia.

BETTER TIMES.—The business revival and new era of prosperity which is now fairly inaugurated, is in keeping with the increased health and happiness seen all over the land, and is one of the results obtained from the introduction of Warner's Safe Kidney and Liver Cure. "The changes wrought by this remedy," says Rev. Dr. Harvey, "seem but little less than miraculous."

THE VOLTAIC BELT CO., MARSHALL, MICH.—Will send their celebrated Electro-Voltaic Belts to the afflicted upon 30 days trial. Speedy cures guaranteed. They mean what they say. Write to them without delay.
