Dr. Harter's
IRON
TONIC
Is a preparation of Protoxide of Iron, Peruvian Bark and the Phosphates, associated with the Vegetable Aromatics. Endorsed by the Medical Profession, and recommended by them for **Dyspepsia, General Debility, Female Diseases, Want of Vitality, Nervous Prostration, Convalescence from Fevers and Chronic Chills and Fever.** It serves every purpose where a TONIC is necessary.
Manufactured by The Dr. Harter Medicine Co., St. Louis.

The following is one of the very many testimonials we are receiving daily:

Gentlemen:—Some three months ago I began the use of DR. HARTER'S IRON TONIC, upon the advice of many friends who knew its virtues. I was suffering from general debility to such an extent that my labor was exceedingly burdensome to me. A vacation of a month did not give me much relief, but on the contrary, was followed by increased prostration and sinking chills. At this time I began the use of your IRON TONIC, from which I realized almost immediate and wonderful results. The old energy returned and I found that my natural force was not permanently abated. I have used three bottles of the TONIC. Since using it I have done twice the labor that I ever did in the same time during my illness, and with double the ease. With the tranquil nerve and vigor of body, has come also a clearness of thought never before enjoyed. If the TONIC has not done the work, I know not what. I give it the credit.

Most gratefully yours,
J. P. WATSON,

FOR NERVOUS DEBILITY
AND SPERMATORRHŒA.
A valuable Discovery and New Departure in Medical Science, an entirely New and positively effective Remedy for the speedy and permanent Cure of Seminal Emissions and Impotency by the only true way, viz: Direct Application to the principal Seat of the Disease, acting by Absorption, and exerting its specific influence on the Seminal Vesicles, Ejaculatory Ducts, Prostate Gland, and Urethra. The use of the Remedy is attended with no pain or inconvenience, and does not interfere with the ordinary pursuits of life; it is quickly dissolved and soon absorbed, producing an immediate soothing and restorative effect upon the sexual and nervous organizations wrecked from self-abuse and excesses, stopping the drain from the system, restoring the mind to health and sound memory, removing the Dimness of Sight, Nervous Debility, Confusion of Ideas, Aversion to Society, etc., etc., and the appearance of premature old age usually accompanying this trouble, and restoring perfect Sexual Vigor, where it has been dormant for years. This mode of treatment has stood the test in very severe cases, and is now a pronounced success. Drugs are too much prescribed in these troubles, and, as many can bear witness to, with but little if any permanent good. There is no Nonsense about this Preparation. Practical observation enables us to positively guarantee that it will give satisfaction. During the eight years that it has been in general use, we have thousands of testimonials as to its value, and it is now conceded by the Medical Profession to be the most rational means yet discovered of reaching and curing this very prevalent trouble, that is well known to be the cause of untold misery to so many, and upon whom quacks prey with their useless nostrums and big fees. The Remedy is put up in neat boxes, of three sizes. No. 1, (enough to last a month,) $3; No. 2, (sufficient to effect a permanent cure, unless in severe cases,) $5; No. 3, (lasting over three months, will stop emissions and restore vigor in the worst cases,) $7. Sent by mail, sealed, in plain wrappers. Full DIRECTIONS for using will accompany EACH BOX.
Send for Sealed Descriptive Pamphlet giving Anatomical Illustrations and Testimony, which will convince the most skeptical that they can be restored to perfect manhood, and fitted for the duties of life, same as if never affected. Sold ONLY by

The Market.

MONDAY EVENING, January 9, 1882.

Once more the sky is clear and the week opens colder and pleasanter, but with very little prospect of a freeze.

The market in some branches, as will be seen by quotations below, shows considerable improvement with a market increase in in the volume of transactions, while others are dull and depressed. The season taken throughout has been one of remarkable dullness in all markets, and there is still but little prospect of any improvement.

FLOUR—Dealers report full stocks and a depressed condition of the market that is a little discouraging.

HAY—Stocks are large and the demand is small. Prices are weak. Low grades are not wanted.

CORN—Both white and mixed are in active request with limited amount of stocks on hand and light receipts.

OATS—The demand is good and supply limited. Prices rule firm at quotations.

MEAL—Scarce and in fair demand at quotations.

BRAN—Good demand for the local trade and stocks all in the mills

BUTTER—The market is well supplied and rather weak.

EGGS—Dull and overstocked. Prices are weak and unsettled.

CHICKENS—We note an increased demand, and a steady and firm market.

TURKEYS—There is a little demand for live and good demand for dressed with only a limited supply.

APPLES—Stocks are fair and the demand moderate. Prices are firm.

POTATOES—We note a good demand and light supply.

ONIONS—Sales are slow and stocks ample for the demand.

Sales and Quotations.

NOTE.—The prices here given are for sales from first hands in round lots. An advance is charged for broken lots in filling orders.

Guilty of Wrong.

Some people have a fashion of confusing excellent remedies with the large mass of "patent medicines," and in this they are guilty of wrong. There are some advertised remedies fully worth all that is asked for them, and one at least we know of—Hop Bitters. The writer has had occasion to use the Bitters in just such a climate as we have most of the year in Bay City, and has always found them to be first class and reliable, doing all that is claimed for them. —[Tribune.

"My Back Aches So,

and I feel miserable," said a hard working man. The doctor questioned him and found that he had been habitually costive for years, that now his kidneys were disordered and his whole system deranged. Kidney-Wort was recommended and faithfully taken and in a short time every trouble was removed. The cleansing and tonic power of this medicine on the bowels and kidneys is wonderful.—Congregationalist.

Trouble Saved.

It is a remarkable fact that Thomas' Eclectric Oil is as good for internal as external use. For diseases of the lungs and throat, and for rheumatism, neuralgia, crick in the back, wounds and sores, it is the best known remedy, and much trouble is saved by having it always on hand. Paul G. Schuh, Agent.

For thirty years Brown's Bronchial Troches have been recommended by physicians, and always give perfect satisfaction. This Syrup possesses varied properties: It stimulates the ptyaline in the saliva, which converts the starch and sugar of the food into glucose. A deficiency in ptyaline causes wind and souring of the food in the stomach. If the medicine is taken immediately after eating, the fermentation of food is prevented.

It acts upon the Liver,
It acts upon the Kidneys,
It Regulates the Bowels,
It Purifies the Blood,
It Quiets the Nervous System,
It Promotes Digestion,
It Nourishes, Strengthens and Invigorates,
It Carries off the Old Blood and makes New,
It Opens the Pores of the Skin and Induces Healthy Perspiration.

It neutralizes the hereditary taint, or poison in the blood, which generates Scrofula, Erysipelas, and all manner of Skin Diseases and internal humors.

There are no spirits employed in its manufacture and it can be taken by the most delicate babe, or by the aged and feeble, care only being required in attention to directions.

MRS MARY A. NEAL.
