SAY NEIGHBOR! DO YOU PAY RENT?

Let us figure with you. Suppose you pay \$25.00 rent per month, that is \$300 per year. \$300.00 per year is worth \$36 in interest. In three years you have paid in round numbers \$1,000.00. And still the other fellow owns the house and lot, at a probable increased value.

WHY DON'T YOU COME TO US, BUY A LOT AND BUILD A HOUSE?

WE LOAN MONEY

Instead of paying for the other fellow's house, why not pay in the same way for one of your own? See the point? Of course you do. Take your pencil and figure it out; it's easy. Then come and see us.

ATTEMPT LYNCHING BUT FAIL

(Continued from Page One)

is determined that the life of the negro shall not be placed in jeopardy until he has had a fair and impartial trial. Another result may be the requesting and securing of a change of venue to another county by counsel for the negro on the grounds that he cannot secure a fair and impartial trial in this county.

Baldwin's Story

Baldwin was seen by a representative of the Silver Belt yesterday afternoon in his cell in the county jail and asked to tell his story of the crime. He showed no reticence and willingly gave his version of the commission of the crime, which was at variance in a number of important details with other stories which he has told.

The negro stated that he was out hunting the morning of the crime and that he had visited the ranch of Morris. He had asked Morris the time, the latter stating that it was 9:20 o'clock. After some conversation Morris started for Roosevelt and Baldwin resumed his hunt. Soon afterward while passing the house, the negro states that he heard a woman scream "Murder!" He started up the draw from where the cries came and says he saw two Mexicans, one of them struggling with a woman and the other at some distance away. He called to the Mexican, asking what he was trying to do with the woman. The Mexican replied in Spanish, which Baldwin could not understand, and started for the negro. Baldwin says he raised his gun to his shoulder, but the Mexican still came forward with a rock in his hand. He pulled the trigger, but the shell did not explode; the Mexican hit him in the head with the rock, knocking him senseless. When he recovered he saw the two bodies lying on the ground and then started for the Hill dairy ranch to give the alarm.

Story Untenable

It is needless to state that in no particular was Baldwin's story substantiated by the marks on the ground. The only tracks found at or near the scene of the crime were those of the victims and of Baldwin. It had rained the previous night and Indian scouts of many years training told the authorities that it was impossible for others to have been at the place where the crime was committed, as there was not the slightest indication of their presence.

Baldwin's wounds were dressed yesterday morning by Dr. J. L. Wales. Baldwin expressed a desire to secure an attorney, but no lawyer in the city cared to take the case. Baldwin says he is 27 years of age.

Southern Pacific Is Threatened with Tie-up of the Entire System

By Associated Press.

BAKERSFIELD, Cal., February 2.—In railroad circles tonight it was learned that unless the Southern Pacific reaches some agreement with the Order of Railway Telegraphers there is a strong probability of a strike being called affecting the whole system. February 6 is the day set for the conference with the railroad officials and the leaders of the telegraphers' union. Demands that telegraphers are making are an eight-hour day with a minimum salary of \$75 per month and 50 cents an hour for overtime, with time and a half for Sunday work. They also want twenty-six days to constitute a working month.

MRS. J. C. McRAE,
Old Ballground, opposite George Hill.

First Meeting of the J. G. C.

The first of a series of club gatherings by the newly organized J. G. C. was held at the home of Mrs. J. J. Keegan Friday evening. The hostesses were the Misses Lou Bolton and Alice M. Birdsall.

The rooms were prettily decorated with hearts, representing the game of hearts which engaged the time. The prizes for the games were awarded to Mrs. Fred Wales and Mrs. P. B. Caler, respectively. Mrs. Wales was presented with a handsome fancy china plate and the consolation prize was an egg beater.

A pleasant feature of the entertainment was the piano playing of the Misses Patton and McCurdy.

Mrs. Crowley and Miss Dodge will be the hostesses for the club at the Dominion hotel on the 14th of this month.

Invitations are being sent out to the dancing friends of the O. D. Athletic association for their third grand ball, to be given in Dreamland Thursday evening, February 7. The first two dances by this organization were splendid successes and the one this week will undoubtedly be well attended.

SHOCKING DEATH OF YOUNG MINER

Nude and Mutilated Body Is Found in San Francisco Yesterday

By Associated Press.

SAN FRANCISCO, Cal., February 2.—A peculiarly atrocious murder was discovered this afternoon when the dead body of Claude Young, nude and fearfully mutilated, was found in a room in a lodging house on East street. Apparently the man had been beaten to death with his own heavy miners' half boots. Those with their spike heels literally soaked with blood, lay on the floor near the bed on which the body was stretched.

Young was 29 years old and carried a card showing his membership in the Western Federation of Miners. He came from Tonopah a few months ago and has been working as an electrician. There was no clue to the murderer.

Robbery was suggested, but doubt was thrown on the theory by the finding of \$6 in the man's clothes.

Young appeared at his lodging house at 3 o'clock this morning and asked for a room. Nothing more was seen of him until this afternoon, when the bed maker opened the unlocked door.

Keegan in Good Time

The third race in the roller skating series at Dreamland was peculiar for the fact that none of the racers relinquished their distinctive consistency of sequence. All around the course it was Baumgartner striving to outdistance Keegan and, a little farther in the rear, Schneider sharply behind Stone.

All the spectators in the stadium breathed hard at Keegan's time—Dreamland's record for the season so far—3:27.5.

On account of Sunday, the fourth race will not be held until tomorrow night.
