

## BULLETINS WERE PLENTIFUL BUT CROWDS TIRED

TREMENDOUS LACK OF CHEERS  
AND ENTHUSIASM ON THE  
STREETS AT NIGHT.

READERS WERE VERY PATIENT,  
BUT IT DID GROW SO  
MONOTONOUS.

Streets Were Deserted at Midnight,  
When Result of Election Was Al-  
ready Apparent and People Lost All  
Interest in County Fight.

Bulletins and bulletins!  
They were read last night, and read  
again and again, on the Silver Belt's  
bulletin board in the early part of the  
evening, at the Iris theater, later in  
the night, when the Silver Belt's ser-  
vice was sent there; up in the Saguaro  
club, amidst luxurious surroundings, in  
the street, where the White House  
flashed them across a curtain in front  
of the express office, in the lobby of the  
Dominion hotel, down at Keegan's sa-  
loon, where they were tacked up on the  
wall, and still the crowds waited for  
more and more.

The news was rather discouraging  
for so sturdily democratic a community  
as Globe.

But still, the readers waited patient-  
ly, eager for some little scrap of in-  
formation that would show that the  
leader of the democracy was making the  
fondly expected progress towards the  
presidency of the United States.

But the news was all one way.

As the night wore on, the lead of  
the republican nominee gained steadily.  
It grew dreadfully monotonous, honest-  
ly.

Early in the night, a bulletin was  
posted in front of the Silver Belt of-  
fice to the effect that Taft had carried  
Maryland. The crowd on the sidewalk  
was so dense that the newspaper man  
could hardly reach the board to stick  
up the bit of paper.

"What does it say—what's the main  
thing," asked one of the readers  
anxiously.

"Maryland for Taft—5000," re-  
sponded the disseminator of infor-  
mation with professional brevity.

"Excuse me, old man, but that's aw-  
ful," came from the aforesaid reader  
in tones of profound disgust. The  
crowd made not a comment.

"That's awful!"

The words expressed the clearly ap-  
parent sentiments of the many on the  
streets.

At 11 o'clock, the White House had

nothing but bats for an audience and  
"doused" its "flash machine."  
At 11:30, the Iris theater was de-  
serted, save for one old man who stout-  
ly vowed that he would "see it  
through," and the extinguisher was  
clapped upon his ambition.

The county elections were exciting-  
ly close, but all this was lost sight of  
in the face of what that man Taft  
had done.

At midnight, Globe was sleeping  
again.

FOR ONE DAY ONLY,  
NOVEMBER 16TH.

**BRYAN MAKES NO STATEMENT.**  
(Continued from Page One)  
talked to the newspaper men and oth-  
ers who had assembled in the "work  
room." He read some further returns,  
but they told the same story of defeat  
and he announced that he would not  
have any statement to give out to-  
night.

## MARK A. SMITH IS APPARENTLY THE DELEGATE

RETURNS AT LATE HOUR THIS  
MORNING WERE STILL  
INCOMPLETE.

Chairman Dillon Claimed Election of  
Mark Smith by Plurality of 1200.  
While Hoval A. Smith Insisted Ralph  
Cameron Was Winner by 1000.

Returns received up to a late hour  
this morning forecast the election of  
Mark Smith by a plurality ranging  
between 300 and 500. Reports are  
very meagre from the counties in the  
northern portion of the state. Chairman  
Dillon at 2 o'clock this morning claim-  
ed the election of Mark Smith by a plu-  
rality of 1200. Hoval A. Smith of the  
republican territorial committee at the  
same hour claimed the election of Cam-  
eron by 1000 plurality. The result of  
the contest will not be definitely known  
until about noon today. There are in-  
dications that Smith has been elect-  
ed, but by a considerably reduced ma-  
jority.

**BUFF TRIAL DRAGGING ON.**  
SAN FRANCISCO, November 2.—  
The tenth week of the trial of Abraham  
Reef, charged with the bribery of a  
supervisor, commenced today, with two  
places on the jury unfilled. The morn-  
ing session of court ended without the  
selection of a candidate, and the ex-  
amination of a salesman was in progress  
this afternoon.

**Seven Years of Proof**  
"I have had seven years of proof  
that Dr. King's New Discovery is the  
best medicine to take for coughs and  
colds and for every diseased condition  
of throat, chest or lungs," says W. V.  
Henry, of Panama, Mo. The world has  
had thirty-eight years of proof that Dr.  
King's New Discovery is the best rem-  
edy for coughs and colds, la grippe,  
asthma, hay fever, bronchitis, hemor-  
rhage of the lungs, and the early stages  
of consumption. Its timely use always  
prevents the development of pneumonia.  
Sold under guarantee at Palace Phar-  
macy. 50c and \$1.00. Trial bottle free.

Mrs. E. H. Harris gave a dinner  
party last evening. The guests were  
delighted with the coffee. Mrs. Harris  
always uses Folger's Golden Gate whole  
roast and grinds it herself, not too fine  
pulverized coffee is bitter.

Read the pain formula on a box of  
Pink Pain Tablets. Then ask your Doc-  
tor if there is a better one. Pain means  
congestion—blood pressure somewhere.  
Dr. Shoop's Pink Pain Tablets check  
head pains, womanly pains, pain any-  
where. Try one, and see! 20 for 25c.

**What Would You Do.**  
In case of a burn or scald what would  
you do to relieve the pain? Such in-  
juries are liable to occur in any fam-  
ily and everyone should be prepared for  
them. Chamberlain's Salve applied on  
a soft cloth will relieve the pain almost  
instantly, and unless the injury is a  
very severe one, will cause the parts  
to heal without leaving a scar. For sale  
by all druggists.

## GILA COUNTY REMAINS LOYAL TO DEMOCRACY

(Continued from Page One)  
which returns have been reported, with  
their respective pluralities, are:

Roe, D. .... 6  
Ryan, R. .... 19  
Pine, Pleasant Valley, Summit, Bell-  
vue, McMillen and Tonto are the out-  
side precincts still to hear from. Pine  
and Pleasant Valley are safely demo-  
cratic and the other precincts are about  
a standoff. The democratic precincts  
will add about thirty to the pluralities  
of the democratic candidates and will  
bring them all to Globe leading the re-  
publican candidates. The latest reports  
would indicate that the returns from  
the Globe No. 1 box will give the demo-  
cratic candidates on an average of  
about 100 plurality, which will elect  
the whole ticket by pluralities running  
from 100 to 300.

There is considerable speculation re-  
garding the race for justice in the  
Globe precinct. Hinson Thomas seems  
safe on the returns received from North  
Globe. His majority is estimated at  
250. H. H. Bert Pratt, the republican  
nominee, received twenty-five more  
votes in North Globe than were cast  
for Rawlings, and it is thought that he  
will carry the Globe No. 1 box. Raw-  
lings, however, claims his election by at  
least 100 votes. It will take the offi-  
cial count to decide this controversy.  
The vote in the North Globe box for  
precinct officers was as follows:

GLOBE NO. 2	
Justice of the Peace—	
Hinson Thomas, D. ....	78
Rawlings, D. ....	55
Pratt, R. ....	75

**LATE GLOBE RETURNS.**  
At 4 o'clock this morning 558 of the  
1,571 votes cast in Globe precinct had  
been counted and the incomplete count  
gives the following results. The count  
for this precinct shows a gradual demo-  
cratic gain as the count proceeds.  
There were at this hour still 713 votes  
to count, it being estimated that the  
work would not be completed before  
noon today:
