W. G. Scott of Globe, now an expounder of Blackstone, but once a disciple of Gutenberg, was a visitor at the Messenger office this week. MOVING PICTURES GOOD

Beatty Bros., who opened their moving picture show in Miami last night, presented a number of interesting and amusing scenes. A large audience was in attendance the first night and showed their appreciation by repeated encores. The amusement concern will give another entertainment tonight, showing an entirely new set of reels. The entertainment was given at the Home restaurant.

BUILDING THEATER

O. P. Skousen, who for a number of years conducted a moving picture show and skating rink in Safford, has forsaken those towns and located in Miami. Mr. Skousen has owned a building 50 x 75 feet in Safford, had it dismantled and shipped to Miami, where the lumber is being used to construct a building 45x75 feet on Miami avenue. The building will be occupied by a moving picture show, which will be run by Mr. Skousen. The building will have a maple floor, which will allow it to be used either as a skating rink or for dancing purposes.

COLLINS RENTS COTTAGE

T. E. Collins, manager of the S. Abraham grocery store, has rented a cottage on Live Oak street and expects to be settled by the 8th, when the building is to be completed.

A few minutes delay in treating some cases of croup, even the length of time it takes to go for a doctor, often proves dangerous. The safest way is to keep Chamberlain's Cough Remedy in the house, and at first indication of croup give the child a dose. Pleasant to take and always cures. Sold by all druggists.

A Shaking Up

COUNTY PAYS LESS COIN FOR HIDES

Since the abolition of skunk bounties in Gila county the expense of redeeming pelts of wild animals has dropped back to normal, the expense from the purchase of skins amounting to only $438.50 during January.

During the past month, the following bounty skins were received by the conty supervisors: Coyotes, 119; wild cats, 27; raccoons, 14; wolves, 10; skunks, 6; lions, 5; bears, 1.

The six skunk hides were received, by reason of the fact that a demand had been made out before they were placed under the ban, the demand having been transferred and only reaching the board at Tuesday's session.

The number of coyotes received is above the average, over 100 having been turned in at one time by one trapper.

WILL SOON FINISH NEW TELEPHONE EXCHANGE

Central Energy System Is Great Improvement in Service

By the middle of the present month, the new exchange of the Consolidated Telephone company will be ready for operation, according to the present plans of that company.

Yesterday the work of stringing a new line of cable from the old building into the new office was commenced. This work will be completed within the next few days and the work of cutting the telephones over from the old exchange to the new will then be commenced.

It was the orinigal intention to complete the installation of the new system before cutting over any of the phones and then putting them in connection with the new board by simply changing the fuses. This plan has been changed, however, and the phones will be cut over to the new exchange as fast as the cables are ready, two sets of operators handling the work.

The switchboard in the new office is installed and all necessary connections have been made. There is still quite a little work to be done in the cable room, however and the local employes of the Kellog Switchboard & Supply company, manufacturers of the outfit, will have several days of strenuous work before the installation is complete.

The new office of the Consolidated Telephone company will be one of the most complete in the territory, when ready for use, as the most modern appliances manufactured are being installed. By the new system, "central" is called by merely taking the receiver from the hook and the line is disconnected by replacing the receiver. By this system, there should be very little delay in securing either central or the subscriber desired.

Call for a hot bath at the Ruby barber shop any old time. You'll get it without delay.

Send some of the Special Mining Editions of the Silver Belt to your friends abroad. A few left at the low price of 25 cents each.

GIVING OUT

The Struggle Discourages Many a Citizen of Globe

Around all day with an aching back;
Can't rest at night;
Enough to make any one "give out."
Doan's Kidney Pills will give renewed life.
They will cure the backache;
Cure every kidney ill.
Here is convincing proof that this is so:

J. A. Rees, Head House, Prescott, Ariz., says: "I still continue to recommend Doan's Kidney Pills and on more than one occasion I have personally endorsed the claims made for them. Whenever anyone questions me regarding my experience with Doan's Kidney Pills, I say that I have found them to be a remedy that can be depended upon. I was troubled for some time by pains through my back, especially severe when I stooped or brought any strain on my loins. Doan's Kidney Pills cured me. My advice to any person afflicted with kidney complaint is to give this splendid remedy a trial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

INACTIVE KIDNEYS THE CAUSE OF BACKACHE

A Few Doses Make the Kidneys Act Fine, Ending Bladder or Urinary Misery

A real surprise awaits every sufferer from kidney or bladder trouble who takes several doses of Pape's Diuretic. Misery in the back, sides or loins, sick headache, nervousness, rheumatism pains, heart palpitations, dizziness, sleeplessness, inflamed or swollen eyelids, lack of energy and all symptoms of out-of-order kidneys simply vanish.

Uncontrollable urination (especially at night), smarting, offensive and discolored water and other bladder misery ends.

The moment you suspect kidney or urinary disorder, or feel any rheumatism, begin taking this harmless medicine, with the knowledge that there is no other remedy, at any price, made anywhere else in the world which will effect so thorough and prompt a cure as a fifty-cent treatment of Pape's Diuretic, which any druggist can supply.

It is needless to feel miserable and worried, because this unusual preparation goes at once to the out-of-order kidneys and urinary system, distributing its cleansing, healing and strengthening influence directly upon the organs and glands affected, and completes the cure before you realize it.

Your physician, pharmacist, banker or any mercantile agency will tell you that Pape, Thompson & Pape, of Cincinnati, is a large and responsible medicine concern, thoroughly worthy of fermentation and begin eating what you want without fear of discomfort or misery.

Almost instant relief is waiting for you. It is merely a matter of how soon you take a little Diapepsin.

Failed in Health

"My mother died six years ago," writes Miss Ruth Ward, of Jerseyville, Ill., "and left me to care for six children. I had never been strong; and this, with the shock of her death, was too much for me.

"I failed in health. I was tired all the time and did not want to go anywhere, nor care for company. I had the headache all the time and such bearing-down pains.

"A very dear friend advised me to take Cardui, as it had done her so much good, so I commenced to use it and now I am in good health."

Take CARDUI

Why are Wagons Painted?

A cheap wagon is painted to hide defects in the wood and make it look attractive to the purchaser.

Even the paint is of poor quality and wears off quickly, leaving the wood exposed to the weather.

A **Studebaker** is painted to preserve the wood and protect it from the elements.

Even when the boxing is forced into the hub, it is covered with pure lead in order to keep moisture out of the hub.

You cannot see that, but it's there just the same.

The paint used on a

Studebaker WAGON

is chosen for its wear and weather resisting qualities.

It may not look much different from the "cheap" wagon when new, but—

Ask us for the book, **"The Farmer's Friend,"** which shows just how the **Studebaker** is made.
