## THE ADMINISTRATOR'S SALE

### OF THE

# SAM KEE STOCK OF MERCHANDISE

NEVER before in the history of Globe has such a tremendous sale of serviceable merchandise been inaugurated. Never before have the people of Globe and vicinity had such an opportunity to stock their shelves and outfit their homes as will be offered them tomorrow morning at 9 o'clock when the doors of the big Sam Kee store will be thrown open to them. Never before have they had such an opportunity to purchase groceries and wearing apparel at such ridiculously low prices as those quoted below. Never before has such an extensive and varied stock of merchandising, dispensed of by a large and efficient corps of salesmen and saleswomen as will be in evidence tomorrow at this the "greatest of sales." Such opportunities come but once in a lifetime. This is YOUR chance. This stock has been appraised by men who are experts in the business and their prices have reached bedrock. They simply figured to get the actual cost for these goods and have thereby given the sales manager a rare opportunity to quote to the purchasing public prices never before heard of. Remember this sale commenced yesterday at 9 o'clock and nothing will be held in reserve. You can buy in wholesale lots if you desire or you can buy a nickel's worth if that will please you better. They all must be sold. Don't delay coming now with the idea that the goods will be cut some more, for they won't. They have reached bedrock at the first marking. To mark them lower would be to give them away. Bring your basket (a good big one) and don't bother about much money.
