

Fine Furniture at Less than Retail Prices

You don't have to pay big prices in order to get the finest furniture from the best factories. Our buying and selling methods are so superior to those of the average retail dealer that we give you the best quality at a saving of about one-third. No matter what you may want in furniture you can buy it from us at a saving and we guarantee quick and safe delivery to your nearest railway station.

Retail Furniture Dealers have always made large profits on furniture. This has been due to small margins. We have taken the entire output of the factory in many lines and to the lowest possible manufacturing cost we add one small profit only. Our furniture man, who has spent a lifetime in the furniture business, specifies our quality and you are sure to receive the greatest possible furniture value because from the selection of the raw material to the delivery of the finished product every process of manufacture must measure up to our high standards.

Basket Ball Game at Newellton.

Attended by ideal weather, the entertainment given Friday, December 2nd, by the patrons and teachers of the Newellton High School for the purpose of obtaining money to enlarge the library, was a pronounced success. A large and generous crowd answered the appeal for help, and while giving their support to this very good cause, incidentally spent a most pleasant afternoon. The feature of the occasion was a basketball game between the High School and a picked team composed of the teachers and others. Amidst much enthusiasm from the side lines, where each team had about an equal number of cheering supporters, the Picked Team went down before the fast and snappy playing of the High School bunch. The former were cleverly out-classed from the beginning; and though putting up a very plucky fight, it was a losing one. The High School guards managed to keep the ball at a safe distance from their goal the greater part of the time, allowing only one throw from the field which netted results. The forwards gave a good account of their chances at the basket, making in all four goals from the field. The Picked Team was greatly handicapped by its members not having had any practice together; but even under such a disadvantage they made it decidedly interesting for their opponents. The line-up was as follows:

PICKED TEAM.
Miss Johnston, F.
Miss Brower, F.
Miss Routh Buckner, C.
Miss Emily Nettville, G.
Miss Hughes, G.

HIGH SCHOOL.
Josephine Aly, G.
Carrie Daniel, G.
Carrie M. Muir, Susie M. Muir, C.
Louise Murdoch, F.
Inez Gordon, F.

Score: High School, 8
Picked Team, 6
Referee: A. F. Smith.
Official Scorer and Time Keeper: Dr. D. H. Alverson.

Time of Halves: 15 minutes.
Immediately after the game the crowd repaired to the school building where a light and tempting lunch was served. At other tables were beautiful displays of cakes, candies, and fancy work, none of which failed to find a ready purchaser. When the crowd had dispersed, leaving only a few remnants in its wake, the tidy sum of sixty-seven dollars and twenty-five cents was left in the hands of the Library Benefit Promoters.
