For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindaness, have been cured by the alterative action of these Pills. Most of the Pills in market contain Mercury, which, al-though a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that fre-quently follow its incautious use. These contain no mar-cury or mineral substance whatever.

and for the relief of consumptive patients in advances stages of the discore. stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and aimest every hamlet of the American States, its wonderful cures of pulmonary complaints have made it aiready known. Nay, few are the amilies in any civilized country on this continent without some personal experience of its effects; and feweryst the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formal-dable and dangerous diseases of the pulmonary organs, let is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious effemy that steals upon them unprepared. We have abundant grounds to believe the Cherry Pectoral saves' more lives by the consumptions it prevents than those it cures. Keep it by
