THE NEGRO.

An Angle Team Correspondent to a British Paper Gives, the Magne of Team Service Gives, the Magne of Team Service Gives Gives

series of enactiments). To fish particular the United States and the separate States (at least continued to the separate States) and nothing short of a vote of the whole people at the halot box can alter these principles. The people are the supreme, power, when we get down to "bede rock," and the slay may not be far distant when this will be demonstrated as surely in England as in democratic America. At present "the people" down from a surely in England as in democratic America. At present "the people" down from a surely in England as in democratic America. At present "the people" down from a surely in England as in democratic America. At present "the people" down from a surely of a considerable percentage of engrose, in Texas there are, according to the United States or the percentage of engrose; the above is quite good enough, or more properly speaking bad exough, for my subject. The negroes countrities about non-fourth of the population. The negroes have now the right to vote. At the present time I san a voter, and shall cast a halot at the election in November, I have always said, and say row, that it as a second that, it is not sent that it is a second that, it is not sent that it is a subject to the properly speaking bad excent amount of education. I can read the newspapers—I think I do so pretty thoroughly—and my face in getting lamiliar in all the book stores in town, so that I do make some kind of a step town the subject in the second of the subject of the subject of the Supreme continued that it was a second to wind the strongly, or I could put it plain: enough. The North forced negro suffinge on a heaten South, and they the surface had you and protuce their towards and their pleasures are only of the gros

Kendall's complaint sginst the negro lies in the last part of the letter. He votes the Republican ticket and that in itself is sufficient to condenn, the negro in the syste of Mr. Kendall and his Democratic friends. It would be interesting to he
