

Connell Defeated By Lions In Opening Game On Local Field

Lions to Participate in Colorful Jamboree at Yakima Friday

By ART GLASOW

Last Friday under a boiling sun the Kennewick Lions dropped Connell 19-7 before a good-sized enthusiastic crowd.

Resorting to only power plays and using little deception the Lions rolled up 230 yards against Connell's 60 from scrimmage plays.

First Quarter

The Lions started out nicely making first downs over tackle and around end only to receive costly holding penalties each time when well on their goalward march. Connell failed to threaten after an exchange of punts and another holding penalty inflicted upon Kennewick.

Millak Scores

Millak started the second quarter off in going off tackle from the Lions' 45 yard to the eleven behind nice down field blocking. On the second play Millak went over center to score. The try for the point was wide of the goal posts. The Lions kicked off to Connell and captain Carl Fast taking the ball on the 25-yard line romped clean up to the mid-field stripe, where Connell lost the ball on successive downs as the half ended.

Third Quarter

Broadbook, Connell quarterback, received Millak's kick on his own 20-yard line. From the combination of Fast and Broadbooks, Connell began to click, but after two successive first downs the Lions stiffened and took the ball away on downs on their own 35-yard stripe. After an exchange of punts Belair side tipped and twisted his way from Kennewick's 37 to Connell's 47 yard line. On the next play Millak makes another first down on Connell's 35 and from there Helm

goes to the 20-yard on an end around play as coach Coates sent in a fresh line-up ending the third quarter.

Fourth Quarter

Starting the fourth quarter the Lions immediately went to work with Wade going off tackle to the one-yard line and scoring on the two following plays. A pass failed into the end zone for the extra point, making the score 12-0. After Hoppy's interception of a forward pass, Pulliam made first down from Kennewick's 42 to Connell's 36. On the next play a well executed double reverse, Pulliam ran unaided and shaking off a half dozen tacklers, to score. The pass from Wade to Pulliam was good making the count 19-0.

Connell received the kick-off and after a series of short forward passes (six in succession, five of which were completed, penetrated deep into the Lions' territory. Again Carl Fast flipped a bullet pass to left end, Thompson, who stepped across to score Connell's only touchdown. Broadbook plunged over center, making good the extra point.

Lions Thrill Crowd

During the closing seconds of the fourth quarter the boys in the orange and black pulled a tower play which almost had the referees going in circles. The play consisted of a forward pass and double lateral, which was good for 60 yards and a touchdown only to be called back because of an illegal lateral. This play ended the game, making the final score of 19-7.

Tomorrow (Friday) the Lions will participate in an eight-team battle royal at Yakima. Each team will play another drawn by lot for a fifteen minute period, giving valley gridiron fans a close up of all the teams in the district with the speediest and most effective plays. A large crowd of local fans is planning to attend. The game will start at seven-thirty.

When Pressing

In pressing a new garment, test the iron first on a small piece of the material from which the article is made. This is especially true of modern synthetic materials. You should try washing a sample of dress material so that you will know whether to wash or dry clean the garment.
