

BURNETT BROS.' QUARTER-MILLION DOLLAR JEWELRY SALE!

No "excuses" necessary! The size of our stocks—more than \$250,000.00 at retail prices—is reason enough during present times. HONEST price reductions, made in the light of day and in the open — for the Burnett store has not been "closed" one minute "preparing" for this event—are the best proof of the necessity of this sale. We are NOT QUITTING BUSINESS—our CREDITORS ARE NOT BOTHERING US. It is just a situation of too many diamonds—too much jewelry—treasures of untold worth filling vaults to overflowing—AND not enough ready money!
