Good Races

THE SEVENTH ANNUAL MEET PROMISES TO BE THE BANNER YEAR FOR GOOD RACES—IF THE NUMBER OF HORSES ENTERED HAS ANYTHING TO DO WITH IT. ACROBATIC, MINSTRELS AND BASE BALL ARE THE SIDE ATTRACTIONS.

The Seventh Annual Meet of the Steele County Driving Park Association, which will be held here next week, Tuesday and Wednesday, promises to be the banner meet for good races. In the 3:00 min. class, \$300 purse, there are twelve horses entered; In the 2:20 class, \$300 purse, there are seven horses entered; In the 2:30 class, \$300 purse, there are nine horses entered and in the 2:10 class, \$400 purse, there are eight horses entered. This makes nearly double the number of horses ever entered before. The other attractions are fully as good, if not better than ever.

Mahara's Famous Minstrel Band, of thirty pieces, has been engaged and will furnish the music for both days.

Mayville and Hope, two of the best amateur base ball teams in the state, will entertain the crowd at the ball diamond during the forenoon.

Patrick and Francis, two famous acrobats, who formerly traveled with Sells Bros. circus, will be here and entertain during the lull in the other attractions.

Mahara's Minstrels will hold the boards at the opera house both evenings—followed by a dance.

The Race Association Management are anxious to make this the banner meet and are sparing no pains to see to it that all who attend will be well entertained.

Our hotels and restaurants are making preparations to take care of the crowd and all will be well cared for.

Lay your plans now and come prepared to stay both days.

OPERA HOUSE

Mahara's Mammoth Minstrel Carnival, consisting of twenty colored artists headed by Skinner Harris the funniest of funny fellows, in one grand ensemble of mirth, music and melody will play here two nights, June 28-29. Many will remember this company from last season as the biggest and best show for laugh making purposes that ever came to our city. This season the management promises everything new but the name. Many new and novel features have been added since last time this company was here, until now their organization is recognized as the premier minstrel organization in existence today. Mr. Sloan Edwards, the phenomenal base singer formerly with the New Orleans Colored Concert Co., is with this company and will be heard at this engagement. Mahara's Challenge Band will give a street parade at noon, as well as a band concert in the evening in front of the opera house. We cannot recommend this company to highly and if past records are any guarantee of the future we can safely say this company will give a great show. Those who attend these performances will see nor hear nothing to offend the most fastidious and will join the thousands, who have seen the show, in proclaiming this the best and funniest show they ever saw.

S. are requested to be present at the hall at 10:30 and march in a body to the church at 11 o'clock. Rev. Gilpatrick will preach the sermon. All are cordially invited to attend.

Don't Scrub Contraptions.

Don't be a drudge! A multitude of hard to get at parts—to be washed twice a day if cream is not to be tainted—makes the washing of bucket bowl separators a regular wash day task. The

TUBULAR SEPARATOR
Is washed in five minutes. THE BOWL HAS ONLY ONE SMALL PIECE INSIDE—IT COMES OUT. Come take a bowl apart. It's simple—easy—works perfectly. Drop in and get a catalog.
