The Hon. W. E. Purcell, of Wahpeton, closed the Democratic campaign in this county last Saturday by delivering a series of addresses, closing in this city at 3:00 o'clock. A goodly number of the faithful were out to hear him, and report the gentleman as a very pleasing orator.

Mrs. I. W. Standley braved the threatened storm of last Tuesday morning and drove her big Cadillac to Hillsboro, where she visited with friends for the day, returning home in the evening. Like several other ladies of the city and vicinity, Mrs. Standley is becoming expert in the handling of the horseless carriage.

No, there have been no railroad or automobile accidents in this city this week. The numerous disabled and crippled young men to be seen on our streets are only the survivors of the teams that played football Tuesday afternoon. They all seem to have enjoyed it, however, and are anticipating another game in the near future.

Among the many other "cute" tricks perpetrated by the young bloods of the city Halloween, was the tearing up of the walk in front of the Lutheran church. The damage done thereby was not great, nor did it in the least affect the popularity of the porch of that building as a trysting place for soft, spoony youngsters, for it was occupied by a pair of them the very next night.

Mr. Carey Hopkins of Aurora, Ill., who has been visiting at the home of his brother-in-law, S. W. Hitchcock Tuesday afternoon, was taken on the train to the deceased's home for interment. While visiting here about two years ago, the deceased's wife was taken sick and died in a similar manner. The bereaved family have the sympathy of the community.

The "Count-on-Me" class of the M. E. Sunday school gave a farewell reception to their teacher, Mrs. H. H. Moore, in the basement of the church last Thursday evening, and at the close of a delightful evening passed in social intercourse, games, etc., James Turnbull, in behalf of the class, presented Mrs. Moore with a half-dozen silver salad forks.

No "show" company appearing in Hope for a long time has given more genuine satisfaction and pleasure to our theatre goers than did the Sanford Dodge company last Saturday night in "That Printer of Udell's." While the parts were all well carried, those of "Uncle Bobby" "Goodrich" and "Udell,"—the last two being carried by the same person, Dan McCarthy—were exceptionally fine. Still, one should have read the book to fully appreciate the work done.

The concert given by the Minot Symphony Orchestra was the leading event last week, being given at the Opera House, Thursday evening. Only a small house greeted the musicians, but nevertheless they gave a splendid program. We are not enough of a musical critic to go into the details of the various numbers, and can only state that we enjoyed them all, as apparently did the entire audience. We were sorry, however, for the gentleman who rendered the violin solo. His selection was splendid, but he was unprepared for the hearty encore he received and was forced to respond with a third-rate dance selection. Following the concert the floor was cleared and the young people enjoyed several hours of dancing to the excellent music.

### War and Postal Savings.

The war in Europe is having a great effect on the postal savings deposits of this country. Since the day the war started the receipts have increased wonderfully and withdrawals fallen off. This is due to the fact that thousands of people who were in the habit of sending their money to Europe are now keeping it in this country. The deposits have increased \$10,000,000 since July 1st, which is a greater gain than was made during the entire fiscal year just closed. Owing to the increase of deposits, a number of the very largest banks in the country, which have heretofore declined to qualify for depositors for postal savings, are now among the eager applicants for them.

## HANNA ELECTED BY BIG MAJORITY

Entire Republican Congressional and State Ticket Gets Good Majority.

WOMAN SUFFRAGE MAKES A GOOD SHOWING.

Unofficial County Returns Give Grimson Victory In Sheriffalty Contest.

Hanson Makes Great Run For Senator, But Loses By Narrow Margin.

Although the election returns from over the state are incomplete, indications are that Gov. Hanna is re-elected by a majority of 10,000. Steele county gave Hanna 447, Hellstrom 453.

Gronna and Helgeson carried the county by a majority of nearly 400 each, and are running as strong in all returns received.

Judge Spaulding carried the county 428 to 399. Returns indicate, however, that the official count will be necessary to decide who is the winner.

The unofficial count gives Ellingson a victory over Ed. W. Hanson for State Senator by 172 votes: Griggs county 425 to 407; Steele county 539 to 385.

Major and Grimson are so close in the fight that the official count may swing it either way, but as it now stands the returns are, Major 497, Grimson 505.

Boe defeated Simonson for Treasurer by 400.

The Legislators candidates stand as follows:

	Steele	Griggs	Total
Baldwin	553	504	1057
Lathrop	579	359	938
Everson	560	373	933
Lunde	249	527	776
Lee	218	508	726
Fuller	239	281	519

Miss Blondie Holt was elected County Supt. of Schools by over 125 majority, the count standing, 768 to 642.

The question of Woman Suffrage received 454 favorable votes and 498 opposed, in this county. In the state it carried in several counties, but will fall short of becoming a law.

The people of Hope and Steele county are indebted to the North Dakota Telephone Company for free service on election night in getting the returns. Shortly after midnight the complete vote for the 25 precincts had been compiled in several of the contests. A collection was taken up and turned over to the operators, who worked hard and assisted materially in keeping the reports coming.
