At twelve o'clock a chicken pie supper was served from a long table on the stage where the young people served their guests with true hospitality. THE HOPE PIONEER

Clip the above ticket and take it to the polls with you so that you will not overlook one of the independent candidates.

The Pioneer asks your support and vote for official paper at the election Tuesday. The Farmers Press has had this position for the past three years or more—why not pass it around.

Do your duty on election day. Go to the polls and cast your ballot. It makes no difference who you are supporting for office or what stand you take in political matters, it is your duty to go to the polls and there register your position by voting for your convictions, then if things are not run to suit you you are in position to protest. Get out and vote.

Although returns will probably be meager Tuesday night, the Fargo Radio Service Co. will be on the job starting about 10:30 broadcasting all available returns. The Pioneer will pick these up and will also be headquarters for any local returns. We will appreciate it if someone will make it a point in every precinct to bring or phone returns to No. 39 Hope.

The high school football team is making plans to go to Larimore on Saturday for game with the school there.

At the radio demonstration Wednesday evening, quite a number of stations were tuned in, in spite of the static due to the approaching rain storm. It is expected that a radio concert will be given at the opera house, probably on November 17th. The Pioneer will get the football game between the University and the Agricultural College play by play on Saturday afternoon and election returns on Tuesday night.
