BAUGH'S
RAW BONE
SUPER PHOSPHATE OF LIME

TRADE MARK

STANDARD WARRANTED.

We offer to Farmers, the present Fall season, BAUGH'S RAW BONE SUPER PHOSPHATE OF LIME as being highly improved. Rough's Raw Bone Super Phosphate is, as its name indicates, prepared by dissolving Raw Bones in Oil of Vitrol—that is, bones that have not been deprived of their organic matter—the grease and glue—by burning or baking. It, therefore, presents to the farmer the Farmers ALL the valuable properties of Raw Bones in a highly concentrated form—rendering it at once quick in action and very permanent.

Farmers are recommended to purchase of the dealer located in their neighborhood. In sections where no dealer is yet established, the PHOSPHATE may be procured directly from the undersigned.

MORO PHILLIPS'
GENUINE IMPROVED
Super Phosphate of Lime.
STANDARD GUARANTEED
For sale at Manufacturers'
Depots,

NO. 27 NORTH FRONT ST.,
Philadelphia,
AND
No. 95 South Street, Baltimore.
And by Dealers in general throughout the Country.

The **SOMBRERO GUANO,** of which **MORO PHILLIPS' PHOSPHATE** is and always has been manufactured, (and of which he has sole control for the United States) contains fifty per cent. more Bone Phosphate than Raw Bone, therefore it is more durable.

A large percentage is Soluble, and will immediately yield its nourishment.

The Ammonia contains is pure and ready to yield its value—not animal matter, capable of yielding its ammonia after decomposition.

It is prepared in its manufacture to render it the most valuable Super Phosphate and Crop Producer in the market.

Eight years' experience has proved to the farmer that it is durable and can always be relied on as uniform in quality; and the numerous unsolicited testimonials continually received of its use in competition with other Fertilizers, fully attest that it has not been excelled.

Price, \$36 per ton of 2,000 lbs. Discount to dealers. **MORO PHILLIPS,**
Sole Proprietor and Manufacturer.

Nature's Great Restorer.

SCHAEZT'S
CELEBRATED
BITTER CORDIAL.

This medicinal preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable composed of various herbs, gathered from the great storehouse of nature, and selected with the utmost care. It is not recommended as a CURE ALL, but by its prompt and salutary influence upon the Heart, Liver, Kidneys, Lungs, Stomach and Bowels, it acts both as a preventative and cure for many of the diseases to which those organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same beneficial results. It is a certain, prompt and speedy remedy for DYSPEPSIA, DYSENTERY, BOWEL COMPLAINT, DYSPEPSIA, LOWNESS OF SPIRITS, RICKETS, HEADACHE, &c. For CHILLS and FEVERS of all kinds, it is far better and safer than quinine, without any of its pernicious effects. It creates an appetite, proves a powerful digester of food, and will counteract the effects of liquor in a few minutes.
