

## Permanent Relief For Chronic Constipation

Knowledge and Practice of Correct Daily Habit the Great Essential.

Constipation is a condition affecting all classes of all people and can be permanently relieved only by acquiring habits of regularity.

The most natural time for the eliminative process is in the morning when both the muscular and nervous systems are relaxed by sleep and rest. When relief does not come readily, it is an excellent plan to take a mild laxative at bedtime. Cathartics and purgatives, that by the violence of their quick action shock and disturb the system, should not be employed.

An effective laxative remedy that is very dependable, and which does not gripe or otherwise disturb the organs involved, is found in a combination of simple laxative herbs known as Dr. Caldwell's Syrup Pepsin that can be bought at the drug store for fifty cents a bottle.

Mrs. C. C. Allen, 215 Foam St., New Monterey, Calif., wrote to Dr. Caldwell that she "found Dr. Caldwell's Syrup Pepsin just what was needed for

constipation and distress of the stomach after eating. It should be in every household."

Get a bottle of Dr. Caldwell's Syrup Pepsin and keep it in the house to use when occasion arises. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Ill.

## DEMURRER SUSTAINED IN SUIT AGAINST TWO PAYETTE PHYSICIANS

(Capital News Special Service.) Payette, Feb. 4.—The case of Weldon J. Berry of Payette against Drs. Strauss and Hurd, for \$50,000 damages, for an alleged libel published by the defendants in the Payette Independent some time during 1914, was decided this week, by Judge Bryan, of the Seventh judicial district, in favor of the defendants.

The case was decided on the demurrer of the defendants, which maintained that the matter alleged as libelous, was not libelous in itself, and that the innuendo was too broad and extensive as applied to the meaning of the language employed, and that the innuendo could not enlarge the ordinary meaning of the language used so as to give the matter published a libelous character, where the matter does not appear to be libelous in itself. This in view, the defendants maintained that there was no cause of action, which view was upheld by the decision upon the demurrer.

The case was well fought and argued. Attorneys Norris and Norris appeared for plaintiff, while Attorney M. G. Riebeling appeared for Drs. Strauss, and R. E. Haynes for Mr. Hurd.

## AMUSEMENTS

### The Majestic.

Large crowds again attended the Majestic theater last night to see the closing presentation of the great film spectacle, "Cabrera." There are many thrilling scenes in the play, one being an eruption of Mt. Etna and another the burning of the Roman fleet. These serve to hold the interest through the entire 12 reels. For the last two days of this week vaudeville will head the bill. Teddy Osborne has a novelty act in his "Dog Town Review." He features 12 dogs and one monkey and carries special scenery for his entertainment. Jack Pine is a singer, dancer and a roller skater who comes highly recommended and whose work has pleased wherever he has been. There will also be a program of good motion pictures shown.

### The Strand.

A most attractive picture is the Triangle-Fine Arts feature film, "The Lily and the Rose," in which Lillian Gish and Rosika Dolly are presented at the strand theater for the rest of this week. The story has been done before but never has the acting been better, the settings as charming or the photography clearer. Lillian Gish, in the leading part, is, as a sub-title says, "most adorable." Delicacy and sincerity show in her characterization of the old-fashioned girl and her emotional scenes are handled with conviction. Miss Dolly is one of the most attractive sirens who has been on the screen for a long time

# Cottolene

"The Natural Shortening"

Until Cottolene was offered, people thought—and rightly—that most fried foods were greasy, indigestible and unhealthful. But Cottolene was quickly found to be a frying aid which actually made foods better tasting and better to eat.

None of the good flavor of the food is allowed to escape; the cooking process is rightly finished and the digestibility of the food is retained along with tempting taste.

It is this natural quality of Cottolene which also makes it so superior for pies, pastry, biscuits, cakes and all shortened foods.

Try Cottolene—order a small pail from your grocer. Then arrange with him for a regular supply.

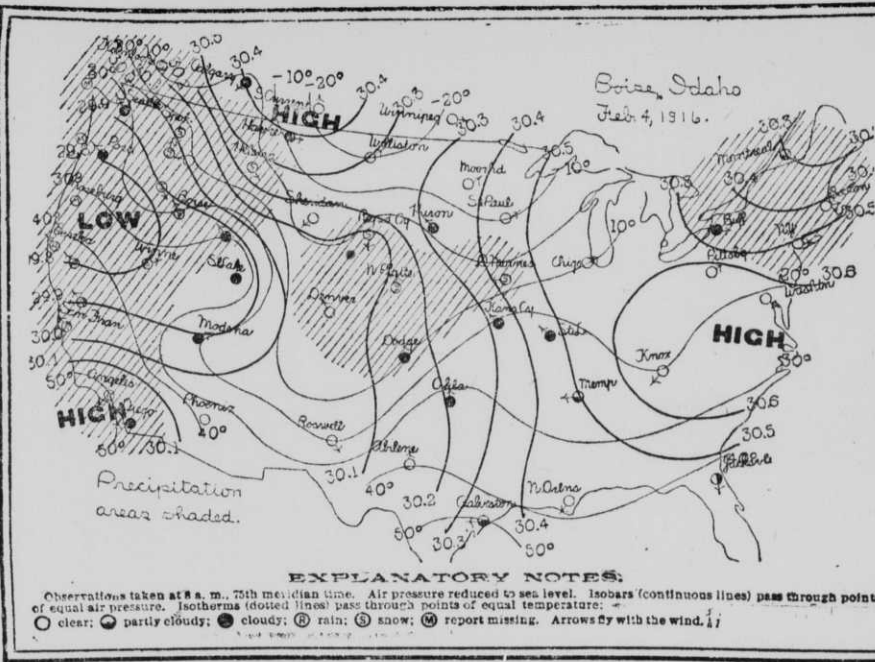

Write to our General Offices, Chicago, for a free copy of our real cook book "HOME HELPS."

## TODAY'S OFFICIAL WEATHER MAP

U. S. Department of Agriculture, WEATHER BUREAU

FORECAST FOR BOISE AND VICINITY—Snow tonight and Saturday; probably partly rain.

DAILY REPORT—Highest temperature yesterday, 32; lowest temperature this morning, 26; mean temperature yesterday, 30. Total precipitation for the 24 hours ending at 6 a. m., .39 of an inch.

CONDITIONS—An area of moderately low pressure covers most of the Pacific slope, while in other sections the pressure is high. Precipitation has occurred in the Pacific states and eastward over Nevada, Idaho and western Montana, and also over limited areas in the plains states and in the extreme northeast. The tendency has been toward milder weather, the rise in temperature having been most rapid in the northern Rocky mountain region and in the Gulf states. Conditions are still unsettled and promise snow and rain in Boise and its vicinity tonight and Saturday.

The Isis. Delayed trains prevented the showing at the Isis theater yesterday of "Temptation." Geraldine Farrar's second screen feature. In its place "Lydia Gilmore," in which Miss Pauline Frederick plays the title role, was again shown. The film may get in today, in which event it will be shown both today and tomorrow, matinee and night.

The Comic. Charlie Chaplin is again at the Comic theater on the program now being shown, appearing in the two-reel comedy, "A Night at the Show." There is much slapstick in the film, such as the throwing of pies and tomatoes, all of which drew many laughs. Ruth Stonehouse plays the principal part in the drama of the entertainment, "Brought Home," which is also in two reels.

## How To Get Rid of a Bad Cough

A Home-Made Remedy that Will Do It Quickly, Cheap and Easily Made

If you have a bad cough or chest cold which refuses to yield to ordinary remedies, get from any druggist 2½ ounces of Pinex (50 cents worth), pour into a pint bottle and fill the bottle with plain granulated sugar syrup. Start taking a teaspoonful every hour or two. In 24 hours your cough will be conquered or very nearly so. Even whooping cough is greatly relieved in this way.

The above mixture makes a full pint—a family supply—of the finest cough syrup that money could buy—at a cost of only 54 cents. Easily prepared in 5 minutes. Full directions with Pinex. This Pinex and Sugar Syrup preparation takes right hold of a cough and gives almost immediate relief. It loosens the dry, hoarse or tight cough in a way that is really remarkable. Also quickly heals the inflamed membranes which accompany a painful cough, and stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough. Excellent for bronchitis, spasmodic croup and winter coughs. Keeps perfectly and tastes good—children like it.

To avoid disappointment, ask your druggist for "2½ ounces of Pinex,"—do not accept anything else. A guarantee of absolute satisfaction, or money promptly refunded goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

## MILLION AND A QUARTER IN THE STATE TREASURY

Report of State Treasurer Shows Increase in Balance on Hand During the Month of January.

The first month of the new year, January, 1916, finds the state of Idaho with a credit or balance made up from all the funds carried in the treasury department, of \$1,258,294.22, an amount \$316,854.16 greater than the total balance carried and brought forward Jan. 1, which was \$941,440.16. This is shown by the report of State Treasurer John W. Eagleson filed yesterday with the state auditor. It shows in addition the interest earnings on current funds in state depositories during January amounted to \$2549.63. The receipts for the month were a half million dollars or, to be exact, \$547,287.52, while the warrants paid during the month amounted to \$230,444.92. There was \$58,994.68 paid into the common school fund and \$64,686.61

paid out, leaving a balance in that fund of \$100,502.11.

Yet there was \$24,700.07 paid into that fund during the month. However, there was almost that amount paid out or \$24,699.93. The common school balance was smaller at the close of the month than when it opened. There was a balance of \$266,513.28 in this fund Jan. 1. The receipts were \$34,618.03 and the amount paid out \$54,895, leaving a balance at the close of the month of \$246,326.31. There is a balance of \$3,017.09 in the Carey act trust fund, an increase over the balance in that fund at the first of the month for \$144.87 was paid into it and \$268.18 paid out. The predatory animal fund shows a balance of \$1,727.26. Into this fund was paid \$1,119.94, while \$307.50 was paid out. The state highway fund had a balance of \$8,256.21 Jan. 1.
