WANTED—A RIDER AGENT

IN EACH TOWN and district to ride and exhibit a sample Latest Model "Hedgethorn" bicycle furnished by us. Our agents everywhere are making money fast. Write for full particulars and special offer at once. NO MONEY REQUIRED until you receive and approve of your bicycle. We ship to anyone anywhere in the U. S. without a cent deposit in advance, prepay freight, and allow TEN DAYS' FREE TRIAL during which time you may ride the bicycle and put it to any test you wish. If you are then not perfectly satisfied or do not wish to keep the bicycle ship it back to us at our expense and you will not be out one cent. **FACTORY PRICES** We furnish the highest grade bicycles at one-third actual factory cost. You save \$10 to \$25 middlemen's profits by buying direct of us and have the manufacturer's guarantee behind your bicycle. **DO NOT BUY** a bicycle or a pair of tires from anyone at any price until you receive our catalogues and learn our unheard of factory prices and remarkable special offers to rider agents.

YOU WILL BE ASTONISHED when you receive our beautiful catalogue and study our expert models at the moderate prices we can make you this year. We sell the highest grade bicycles for less money than any other factory. We are satisfied with \$1.00 profit above factory cost. **DEALERS**, you can sell our bicycles under your own name plate at double our prices. Orders filled the day received.

SECOND HAND BICYCLES. We do not regularly handle second hand bicycles, but usually have a number on hand taken in trade by our Chicago retail stores. These we clear out promptly at prices ranging from \$3 to \$8 or \$10. Descriptive bargain lists mailed free.

COASTER-BRAKES, single wheels, imported roller-chains and pedals, parts, repairs and accessories. **\$4.00 Hedgethorn Puncture-Proof Self-healing Tires** A SAMPLE PAIR TO INTRODUCE, ONLY **\$4.80**

The regular retail price of these tires is \$10.00 per pair, but to introduce we will sell you a sample pair for \$4.80 (cash or order \$4.55).

NO MORE TROUBLE FROM PUNCTURES NAILS, tracks, or glass will not let the air out. A hundred thousand pairs sold last year.

DESCRIPTION: Made in all sizes, it riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture-resisting qualities being given by several layers of thin, specially prepared fabric on the tread. The regular price of these tires is \$10.00 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. We ship C. O. D. on approval. You do not pay a cent until you have examined and found them strictly as represented. We will allow a cash discount of 10 per cent (thereby making the price \$4.35 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement. You run no risk in sending us an order as the tires may be returned at OUR expense if for any reason they are not satisfactory on examination. We are perfectly reliable, faster, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a trial order at once, hence this remarkable tire offer.

IF YOU NEED TIRES don't buy any kind at any price until you send for a pair of Hedgethorn tires quoted above; or write for our big Tire and Sundry Catalogue which describes and quotes all makes and DO NOT WAIT but write us a postal today. **DO NOT THINK OF BUYING** a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write NOW.

J. L. MEAD CYCLE COMPANY, CHICAGO, ILL.

Notice the thick rubber tread "A" and puncture strips "B" and "D" also rim strip "M" to prevent rim cutting. This tire will outlast any other make—SOFT, ELASTIC and EASY RIDING.

"THE CORPORATION DIFFERENT"

Comprehensive telephone service furnished at rates based on operating and maintenance cost with only a reasonable profit added, defines the policy of The Mountain States Telephone and Telegraph Company.

Skilled engineers, practised artisans, and a trained force of men and women expert in the art of telephony, are constantly giving their best efforts to keeping the service at a high standard of excellence. Meanwhile rates are fixed so that they will pay only a fair margin of profit on actual investment.

And speaking of the investment; we wish again to call your attention to the fact that for every dollar of stock issued, we have \$1.15 worth of plant.

That we believe is almost unique—that is one of the reasons that ours has been called "the corporation different."
