

What Men Know, But Don't Tell Their Wives

Every man knows that a woman can make a dollar go twice as far as he can—but will he admit it? He also knows that he ought to see to it that the wife has the ready money to buy the Groceries, then her natural gift of driving a bargain will exert itself and she will buy the Groceries Here where she can buy the Best for the Least.

Our business last Saturday taxed us to the utmost and in some cases our service was not what we want it to be. But we are trying to get things on a systematic basis so we may be able to serve you in the best way possible. In the meantime if every thing is not all right just call 22 W. and it will be made all right.
