SALE WAS GREAT SUCCESS.

The Opportunity Sale put on during the past two weeks by J. V. Baker & Son which drew to a close Wednesday afternoon proved to be a great success and the Messrs. Baker wish to extend their hearty thanks to the buying public for the patronage extended them and the interest shown in competing for the different prizes offered. Aside from the big prizes offered every customer who entered the store during the sale received a surprise package of some sort, and anyone who did not receive such package can get one by mentioning the fact at the store. At the close of the sale Wednesday little Dorothy Ruhoff drew out the numbers which decided the lucky winners of the main prizes, Victor Lustig holding number 993 which won the \$10 gold piece, and E. M. Ickes winning the cabinet of spices with number 258. The Indian blanket given for the largest number of eggs brought to the store during the sale was won by Mrs. A. Holthaus and Mrs. George Lange and Mrs. Willis Turner tied for the prize offered for the heaviest dozen of eggs, each having twelve eggs that weighed an even two pounds. The tie will be decided later by lot.

NORMAL HAD GOOD YEAR.

The Lewiston state normal, which will open its summer school on June 12th, had an enrollment last year of 439 students and a senior class of 131. 564 certificates and diplomas were issued last year. Following are the students enrolled from Idaho county: Cecilia R. Naeck, Anna C. Peterson, Esther Tautfest, Kathryn S. Taufest, Melvena I. Taufest, Ferdinand; Harry H. Warren, Kooskia.

BAND CONCERT THURSDAY.

The Cottonwood band will again render an open air concert in front of the Orpheum theatre, next Thursday evening, June 7, before the presentation of the picture, that, Carl Laemmle, president of the Universal Film company dedicated to the mothers of the world, "Human Hearts."

PREFERRED HOG TO WATCH

Wm. Hamilton, a young farmer of the Kamiah section, was in the city Sunday and Monday visiting at the John Funke home. Mr. Hamilton will be remembered as the young man who purchased a purebred Poland China sow from Mr. Funke last fall and had the good fortune this spring to secure a litter of 13 pigs, nine of which are still living and doing fine. He came up to see Mr. Funke's hogs and to compare notes as to how his bunch were doing. In connection with young Hamilton's entry into the purebred game the following will be of interest. On completing his course of study at the state university at Moscow, where he had assisted in carrying on experiments in feeding hogs, the young man's mother made him a graduation present of \$75 with which to purchase a gold watch but he preferred to invest the money in a registered hog and selected one of the best in Mr. Funke's herd, with the above result. We predict that a few years will see him one of the leading Poland China breeders of Idaho, if not the entire northwest.

MEMORIAL SERVICES QUIET

Memorial Day passed off very quietly in Cottonwood, Wednesday. It had been planned to hold some open air exercises and enjoy a ball game between the Cottonwood team and a team representing the First National Bank at Lewiston but the cold and stormy weather prevented the ball team from reaching this place. However, all business houses closed at 2 p. m. for the afternoon, flags were displayed and many visited the cemeteries where the graves of deceased relatives and friends were covered with beautiful flowers.

Later the band rendered several selections at the ball park and the town team played a pick-up team of married men, winning the game by a margin too wide to report.

TEACHERS LEAVE.

At the close of the high school exercises last week the teachers of the local public school departed at once for their respective homes and vacations.

Principal Clayton Westover will visit with a brother in Moscow.

Miss Margaret Farrel left for her home in Butte, Mont. and after a short visit with her relatives will spend the summer in a tour of the Yellowstone National park.

Misses Anna Marie Cameron and Dora Jenifer went to their homes in Lewiston.

Miss Ione Jones left for Seattle, Wash.

Miss Alice Tiffany of Culesac will visit with her relatives and attend summer school.

PAROCHIAL SCHOOL CLOSE.

The local parochial school closed Tuesday after a very successful term and eighth grade diplomas were granted to seven students as a result of the past year's work. A short program was enjoyed at the school Tuesday morning and after the diplomas and grade cards were distributed the school closed for the summer vacation.

Those receiving eighth grade diplomas were: Anna Jenny, George Koczynski, Eugene Darscheid, Margaret Moriarty, Lillie Malerich, Mary Altman, Albert Altman.

BACK FROM CONVENTION.

George Terhaar, John F. Knop and August Seubert returned Wednesday from Wallace where they went to attend the state convention of the Knights of Columbus and report having had a very satisfactory session. Leo McCarty, of Lewiston, was elected grand knight for the coming year and Joe Papineau, of Moscow, state treasurer, the rest of the officers going to south Idaho councils. Pocatello was selected as the meeting place for the convention next year.

The boys made the trip in an automobile from Lewiston to Wallace.

CELEBRATED SILVER JUBILEE

FR. WILLIBRORD ORDAINED ON MAY 19, 1898—LOVED BY HIS PARISHONERS

The celebration of the Silver Jubilee, the 25th anniversary of the ordination of Rev. Father Willibrord, pastor of the local Catholic church, into the priesthood, took place yesterday morning at the church during the Corpus Christi services and was largely attended by the members of this and adjoining parishes. Father Willibrord was ordained at Conception, Mo., on May 19th, 1898, and read his first mass on May 29th of the same year. He came to Cottonwood on January 14th, 1915, as successor to Rev. Father Odilo, O. S. B., and has served this parish as pastor continuously since that date and during his stay here has endeared himself to his parishioners as well as to members of the Protestant faith. Had the wishes of the reverend father been observed there would have been no public observance of this important milestone in his religious life, but his superior declared otherwise and, according to custom, the celebration was postponed to the great feast of Corpus Christi, at which time the institution of the Holy Sacrament of the Altar is solemnly celebrated by the Catholic church, as a fitting occasion to celebrate his anniversary. He was joined in the solemnity by all of his confreres from the monastery, which assistance allowed the feast to become one of the most impressive ceremonies we have ever had the privilege to witness. There were three holy masses with compliance from the members of the congregation who joined their pastor in thanksgiving for the graces received.

Very Rev. Father Paul, O. S. B., delivered the festival sermon. High mass was celebrated by the jubilarian, assisted by Rev. Father Jerome, O. S. B., Deacon, and Rev. Father Boniface, O. S. B., as sub-Deacon and Rev. Father Michael, O. S. B., as Master of Ceremonies. At this occasion the celebrant wore the costly vestment with which his parishioners had presented him on the real anniversary day—May 29th.

During the services those present marched in solemn procession from the church to the front porch of the parsonage, where an altar had been erected, and here holy benediction was administered. This is the second occasion of the kind celebrated within the history of the church in Cottonwood and will be long remembered by all present.

FOUR INCHES OF RAINFALL

The weather report for the month of May, as recorded at the Monastery west of town, shows a total rainfall of 4 inches for the month, which is almost twice the normal precipitation. Rain fell on twenty days during the past month.

FLY BLOW TO CELEBRATE 4TH

RIVER PEOPLE ARE MAKING ARRANGEMENTS FOR 4TH OF JULY—5 DAYS.

Plans are now well under way for the big "round-up" celebration to be held on the Joseph during the week of July 3 to 7, inclusive. This celebration is becoming an annual event with the people across the river who are striving to make the occasion one to attract people from all parts of the surrounding country and still keep the celebration away from the old and dried Fourth of July celebrations and make it more of the nature of a picnic outing. During the five days horse racing, bucking contests, steer roping, riding and tying contests, base ball games, and small sports will occupy each afternoon and a big dance will be held afternoon and evening in the monster pavilion. The forenoons will be given over to visiting about the grounds and recouping from the previous day's exercises.

The roads leading across the river are now being placed in first class condition for auto travel and it will be an easy matter for persons with cars to reach the scene of the celebration. Those desiring to go with teams can secure pasture near at hand and there will be plenty of shade and fine mountain water. In fact, it is an ideal place for a camping trip and outing and there will be no grafting allowed, only nominal charges made for the dance and entrance to the grounds.

As we know of no celebration to be held in Cottonwood it is quite likely that a large number of our people will avail themselves of the opportunity to enjoy the hospitality of the people across the river on the above dates.

The Fly Blow celebration will be under the supervision of the following officers selected for that purpose: W. I. Rooke, president; Robert Gill, vice-president; Edwin Peek, secretary; W. A. Spivy, treasurer.

BURIED FRIDAY IN BUTTE.

Impressive funeral services were held Friday afternoon at 2 o'clock, from the Sherman & Reed chapel, for Frank A. Bowman, the Rev. B. H. Lingenfelter officiating. During the services Mrs. Paul Bailor sang "Thy Will Be Done," "Sometime We'll Understand," "Jesus Lover of My Soul," "Abide With Me" and the "Star Spangled Banner." She was accompanied by Mrs. Florence Martin. There was a wealth of beautiful floral offerings, and the chapel was filled with sorrowing friends and relatives of the deceased. Earl McLean of Cascade, Mont., Mr. and Mrs. George Medved of Cottonwood, Idaho, and Mrs. John D. Long of Grangeville, Idaho, came to Butte to pay their last respects. Interment was in the Mt. Moriah cemetery.—Anacanda Standard.

WEDS SPOKANE MAN.

Miss Ida Asker of Cottonwood and E. Hedin of Spokane, Wash. were married at Spokane Tuesday the 29th at the home of bride's sister, Mrs. Oliver Bidne. The bride is the charming daughter of Mr. and Mrs. L. M. Asker, prominent citizens of this section. The groom is a resident of Spokane and became acquainted with his wife while she was visiting at the home of her sister. They will make their home in Spokane. The Chronicle joins with their many friends in wishing them a happy wedded life.

GOLDSTONE CHAMPION ON UNIVERSITY COURSE

Former Cottonwood Boy Wins Tennis Honors at Moscow Tournament

Word was received in Cottonwood from Moscow that "Abe" Goldstone a former resident of this city and now a student at the University of Idaho had won the championship in the annual University of Idaho tennis tournament. Mr. Goldstone is the son of Mr. and Mrs. Samuel Goldstone of Lewiston and also at one time prominent citizens of Cottonwood. He is enrolled in post-graduate work at the university and is prominent in student affairs at that place.

In speaking of his victory the Moscow Star-Mirror says: "Abe" Goldstone, racquet wielder supreme, won the University of Idaho men's tennis tournament by defeating Dan Prescott in the finals of the tournament Thursday morning, 6-2, 6-3, and 6-2. The new champion showed superiority in every phase of the game, although Prescott put up a stiff battle throughout the entire three sets. The match has been delayed for several weeks owing to an infected hand that was bothering Goldstone.

"The new champion had the hardest row to follow of any man in the meet having put 'Curt' Harrington out in the semi-finals. His decisive win over both of these Idaho stars gives him undisputed claim to the campus championship. As the new champion is enrolled in post graduate work at the university, he is ineligible for varsity competition."

CLUB LEADER HERE.

H. A. Stone, district club agent for the university extension department, arrived in the city last night from Nezperce and will spend a couple of days here with the pig club and baby beef club members. While in the county he will also get in touch with the boys and girls who ordered dairy calves this spring from Tillamook in hopes of joining the dairy calf club which was to have been organized by County Agent Grayson had he been retained. As several calves were shipped in for this purpose Mr. Stone feels that he can assist the young folks in continuing their work and perhaps arrange for showing some of the calves at the fairs this fall. He will have three days each month to devote to club work in this county and oversee the dairy calf club work at the same time he visits the other club members. Mr. Stone states that there are now 400 club members in the northern counties of the state and 500 projects under way. His next visit to the prairie will be during the last week of June.

MACHINERY ARRIVING.

Three carloads of machinery belonging to the General Construction Co. and intended to be used in the work of the company in surfacing the state highway from this place to Lawyer canyon are being unloaded here this week and will be transported to the crusher site north of town as rapidly as road conditions will permit. The rainy weather of the past month has so softened the new highway that it is almost impassable in places and the contractors are having considerable trouble in getting supplies to the scene of operations. However, they hope to be in shape to start work with a full crew within a week or ten days and will rush operations as rapidly as weather conditions will permit.

NEWS AROUND THE STATE

ITEMS OF INTEREST FROM VARIOUS PARTS OF THE STATE

The Lewiston ball team won its seventh consecutive victory Sunday in a game with the Endicott team by a score of 11 to 7.

Miss Millicent Kuhn, daughter of a Lewiston physician, was thrown from a horse on the campus of the university at Moscow, Sunday evening and suffered a fracture of the hip and collar bones. The horse slipped on the pavement and fell on the girl.

Rose, Conway and Woodson, found guilty last week of the robbery of the Orofino postoffice, were sentenced to seven and one-half years in the federal penitentiary at Leavenworth, Kansas, and also fined \$1000 each.

Miss Elizabeth Thompson of Lewiston was chosen at Spokane as "Miss Columbia," winning first place in a beauty contest conducted by the Spokane Chronicle and entered by 150 of the charming young women of the northwest.

Idaho has a prospective winter wheat crop of 8,690,000 bushels based on conditions existing May 1. This is 41,000 bushels more than produced last year and 87,000 bushels more than the average of the preceding five years.

Sheriff William Kirkpatrick, serving his second term in Bonner county, was arrested Wednesday at Coeur d'Alene by United States Marshal F. M. Brashears on an indictment returned by a federal grand jury. He is charged with conspiring to violate the Volstead act.

Samuel Shaver, Montana cattleman, was formally charged at Boise with first degree murder in the sensational shooting of Fay Rogers, 34, in the heart of the business district in that city. Revenge and jealousy were the cause of the shooting.

The Merchants' Trade association, organized last week at Craigmont, Saturday held a free picture show for visitors from the rural districts, this being a series of get-together projects planned by the mercantile interests of Craigmont.

E. B. Perkins, of the U. S. geological survey, and assigned to the state of Idaho, last week spent four days in Nez Perce county with County Agent Skuse and assisted in mixing 416 pounds of poisoned grain to be spread on some 6,000 acres of Indian land in the Gifford-Raubens-Southwick sections, for the eradication of squirrels.

Prof. R. T. Parkhurst, head of the poultry department of the University of Idaho college of agriculture, has been licensed as an official judge by the American Poultry association. This appointment is taken as a distinct recognition for Prof. Parkhurst as the number of judges in the west is limited and the association is unusually discriminating with regard to personality.

During the spring term of the federal court, which ended at Moscow, Saturday, Judge Dietrich handed out jail sentences totaling 26 months and collected in fines the sum of \$4,175, these sentences and fines representing the handling of liquor law violations alone. Fourteen defendants plead guilty to liquor charges, and five were found guilty by juries for similar violations of the law.

Twenty-five Indian patients in the Fort Lapwai sanatorium left Monday for their homes on the reservations of Washington and Montana. These patients are members of the Blackfoot, Spokane, Flathead and Poplar tribes, and the trip they are to enjoy will be in the form of a vacation among their own people. They were accompanied by George Keek, of the Fort Lapwai sanatorium. The Indians will return to Lapwai in the fall for further treatment.
