The storm of last week is said by many of the "old timers" to have been the most severe since 1873, and it is fortunate that railroad traffic could be resumed so quickly. While we have had several storms in more recent years that moved more snow and when it was much colder, the storm of last Friday was almost unparalleled in the amount of snow in the air and the continuity of the gale.

Obituary.

Phillis Gallagher was born in New York state January 6, 1838, and was married to Peter Dukelow on January 7, 1862. They came to Iowa in 1872 and settled on a farm near Bonair where they made their home until coming to Cresco in 1894.

The funeral services were conducted at her late home Sunday afternoon, Rev. Hill officiating. The interment was in Oak Lawn Cemetery.
