There is more Calzarth in this section of the country than in any other section put together, and until the last few years was supposed to be incurable. For a great many doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment pronounced it incurable. Science has proven Calzarth to be a constitutional disease and therefore requires constitutional treatment. Hall's Calzarth Cure, manufactured by P. J. Cheney & Co., Toledo, Ohio is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
