war, Von Wiegand cables Page 6 International News Service Cable

LONDON, March 12. - Hardboiled Anzac warriors-like those who smashed the Italians in Lybya -have now arrived in the Middle East, ready to make a stand An official British a nounce- against any Nazi drive through Greece or Turkey, the government indicated today.

An official communique stated: "Contingents of the Australian, Imperial and New Zealand expeditionary forces which left England for duty in another theater of war arrived safely in the Middle East some time ago." From Greece, meantime, news of tremendous importance to the

coming stages of the war caused optimism to rise sharply in London. EXPECT NEW BLOW

Reports from Athens indicated a smashing new war effort can be expected from that quarter within the next 48 hours. But just what CAIRO, March 12.-A violent for the time being as secret miliform this will take was regarded

(For obvious military reasons British sources refrained from comment on persistent reports that a huge British army is being landed at Piraeus, the port of Athens, in preparation for an Anglo-Greek offensive. Prime Minister Churchill recently offered to send an expeditionary force to Greece, and since that time the exact disposition and whereabouts of Gen. Sir Archibald Wavell's North African army have been unknown.

(Italian newspapers frequently have reported British landings in Greece. Virginio Gayda, Premier Mussolini's spokesman, recently said that 20,000 Canadians had disembarked at Salonika.) All Balkan reports confirmed

House Ready To Start on Tax Bill

New-type United States planes strengthen RAF Page 1

By WILLIAM S. NEAL Int'l News Service Staff Correspo WASHINGTON, March 12 .-With Congress awaiting his \$7,-000,000,000 British aid request, President Roosevelt today summoned his so-called "high command" for a White House conference, as House leaders announced they would start work on a new tax bill April 1 to help finance the

huge program.

Developments were: 1-Mr. Roosevelt spent the morning closeted with Budget Director Harold R. Smith, getting his letter to Speaker Rayburn ready to be read to the House formally requesting the \$7,000,000,000 ap-

1-The President called Secretary of State Hull, Secretary of Treasury Morgenthau, Secretary of War Stimson, Act-ing Secretary of Navy Forrestal, Gen. George C. Marshall, army chief of staff; Rear Admiral Robert Ingersoll, acting chief of naval operations, and Smith.

3—Chairman Doughton (D) of North Carolina, of the tee (which originates all taxing legislation), announced that hearings would commence April 1 on a new tax bill expected to boost federal levies at least \$1,000,000,000 annually, possibly as much as \$2,000,000,000.

4-Democratic leaders pre-4 dicted Congress would pass
Mr. Roosevelt's requested \$7,000,000,000 British aid appropriation within two weeks, despite ation within two weeks, indications that the size of the request might precipitate a bitter battle.

In requesting the "high comand February, 1941, the German up and Greece is ready to make mand" to confer with him, the eace rather than face the might President, according to the White Of this amount 1,524,000 tons of German legions massed on Bul- House, planned to go over his were sunk by the German navy of the Greek diplomatic mission officers and defense officers who request before the House appropriation committee starting tomorrow foreign reports or suggestions Hull is slated to be the first with that Greece would accept a ness. WAIT TAX REPORT

Doughton, in announcing his

plans to start tax hearings, said: "The time is approaching to begin work on a tax bill. probably will make a start the last of this month.

"First we want to await the result of March 15 income tax collections to find out how the tax yield is running. It is likely that a conference between members of Congress and the President and treasury officials will be sought soon. The \$7,000,000,000 request
