## LET EASTER BE A DAY OF INSPIRATIONS—

Isn't it true that in the seeming hustle, bustle and striving of business life we all sometimes lose sight of the true meanings of events, occasions, days or seasons?

Isn't this true, more or less, in regard to Easter? Are we permitting self glory, desires, ambitions, commercialisms to overshadow the day and rob us of inspirations which should mean for us happiness, peace, plenty?

These few words are not aimed to preach creed nor form. Instead they are grouped in a new form of a sincere invitation to every person in Algiers to visit his or her church on Easter. To let it be a day of inspirations. —Inspirations to all that is best in them.

Easter commemorates the resurrection of the Christ. An occasion which was the living proof of the victory of Life over Death. And if that be so, then frail human fears, worries, jealousies, despairs are all useless. It is to us to look to the source of our being—and we are at least striving to do this when we attempt to live the Christianity that we all know.—Each in his own way.

So visit YOUR church Easter Sunday. It will give you the inspirations to strive anew in meeting your work-a-day problems.—Dealing with fellow-man—as you would be dealt with.

It's well worth the effort.

I follow the fashions, although I am just 30, and have had my hair bobbed, but my young daughter has long braids of which I am proud. I was much embarrassed the other morning when Lila remarked before her daddy, "Mother, when will I be old enough to bob my hair?"

My boy was given a canary during a recent illness. After listening to the bird singing for several days, he said: "Mamma, that bird doesn't sing any songs I know. Tell him to sing 'Mary'."

My small son, who is observant

and consequently well informed for his age, was questioned by his aunt about a scratch she had just found on one of her pieces of furniture. He replied: "I didn't do that. Can't you see it's only a birth mark?"

## POLLY INSTALLS RADIO.

Radio messages as well as literature, songs and instrumental music, will be flashed to the audience between the reels. Mr. Foto feels that his many patrons are entitled to this treat and thus have the opportunity to listen in for the first time in this new scientific discovery. This will be a nightly occurrence shortly, and programs will be given to the Polly patrons from the broadcasting stations throughout the South.

## ALGIERS TEAM LOSE.

With all the breaks of luck against them, the Al-Grets, composed of players from Algiers and Gretna, fought hard, if unsuccessfully, against the Alcos in the opening game of the baseball season Sunday at Gretna Amusement Park.

"Moo Cow" Miller was on the mound for the Al-Grets and out-pitched his noted rival, Bordes, but with the fates against the locals they went down to defeat by the close score of 3 to 2.

In the line-up for the Al-Grets were: Cazaubon, Knowles, Kirk and Mark Abbott. Hotard, Whitmore, "Beans" Delery and Olivier.

Catcher Smith, of the Alcos, suffered a broken kneecap and had to be removed from the field to the Charity Hospital in the seventh inning.

The Gretna Athletics defeated the Trupiano Stars of Algiers in the first game by the overwhelming score of 7 to 1.

## FIFTEENTH ANNIVERSARY.

## BASEBALL.

The Sanchez Sweets defeated the Lower Coast Stars Sunday morning by the score of 9-7. The game was interesting throughout the whole seven innings. The first three innings both sides were blanked, and in the fourth the Sweets scored five runs and the Stars also scored five runs, and then the Sweets started to play. The next two innings found them on top. Teal and Fitch pitched.

The Sweets also played the Ferryhouse Sluggers, but the Sluggers were helpless before Barichivich and Fitch and lost by a score of 24 to 5. "Bomp" Tingstrom starred, hitting a home run, two three-baggers and two doubles. In addition to his hitting Tingstrom also stole home.

The Sweets have won six games and lost none. The Sweets would like to hear from Troop 32 for Sunday next. The Sweets meet the McDonoghville Stars next Sunday. Fitch will hurl for the home team.

us in the new. Tonight the Pastor will have for his subject, "The Day of Farewells." Tomorrow the subject will be, "The Day of Suffering." There will be no services on Saturday, but Sunday will be full. The Epworth Leaguers will hold a Sunrise Prayer Meeting at 6 o'clock; at 11 a. m. the Rev. J. G. Snelling will preach an Easter sermon; at night the Pastor will preach. The Holy Communion will be administered at both services. Come and rejoice with us on this great day.

## PERSONALS

We regret to know that Brother R. M. Brown, who came to preach for us on the night of the dedication, has been sick and had to undergo an operation on his throat. He has recovered sufficiently to return home Tuesday of this week. Little Robert had an operation for adenoids.

Mrs. Davis was a recent guest at the home of her sister, Mrs. A. C. King.

Mrs. W. B. Warren is still with her father in New Iberia. Mr. and Mrs. J. H. Stamps, who have recently moved to Timpon, Texas, writes that he has gone into the mercantile business and that his outlook is promising. They lived on Summer street for several years and made many friends while here, who wish for them the best.

## SUNDAY SCHOOL

A meeting of the Workers' Council was held on Tuesday evening after church services, and many important items were brought up for discussion. It was decided to hold the regular monthly meeting on the third Tuesday of each month, and we trust all officers and teachers will bear this in mind. May 13 was chosen as the day for our annual outing to City Park, which we hope will be pleasant and enjoyable to all. May 21 will be Sunday School Day, formerly known as Children's Day. We are also planning to hold Children's

## THE HERALD EIGHTEEN YEARS AGO

Cleanings From Algiers News And Happings During  
The Second Week In April 1904, When  
This Paper Was A Husky Infant

Believing that Herald readers, new ones as well as the faithful old-timers, will be interested in a glimpse of Algiers events as recorded in this newspaper at that early age it was bristling with fresh news chosen by the same editor and publisher that is serving you today. We trust our selections will prove interesting to all.

In this issue appeared a long article regarding the lawn party that Belleville School was to give on April 20. The committees were all appointed and their names published.

Percy Sadler, a brakeman on the Southern Pacific railroad, fell from the train at Boutte, La., and sprained his wrist severely.

There was an account of the branch store to be opened corner of Canal and Common streets by Duvie Bros.

The contract for a new building at the Naval Station was let and work was to begin at once.

The following real estate deals were made by Barrett Bros.: The Whitmore property on Vallette street was sold to Charles R. Corbett; the residence of Captain Mark Morse was sold to J. J. Vanderlinden, and two lots of ground corner of Lamarque and Belleville streets were sold to H. Daste.

Pastor and Mrs. Charles Niermann of Trinity Lutheran Church were surprised by their friends, the occasion being the tenth anniversary of their marriage.

Week, the time to be announced later.

We are delighted with the attendance and trust that it will keep up throughout the summer months which are now ahead.

Our classes are becoming very interesting. Mr. Rickey's last Sunday elected their officers, Mrs. Cayard's elected theirs a few Sundays ago, while yet in the old church, and the Adults will elect theirs before long.

Regular monthly meeting of the Union will be held next Tuesday night in the Algiers church. We are looking forward to a large attendance from the city churches. The meeting is of especial interest, as we are to have the election of officers and installation of same.

There will be a sunrise service on Sunday morning at 6 o'clock and all are invited to attend. Special selections will be rendered and the program looks interesting.

## Shrunken Body is Two Feet Tall

Preserved better than many an Egyptian mummy, a shrunken body of an Indian chief who died more than 400 years ago has been brought to the United States by Juan Kratke, a Peruvian engineer. The mummy is only 2 inches high, for the body was shrunk and preserved by a secret "pickling" process known only to the South American Indians.

Tradition records that this is the mummy of Karruba, a Peruvian chief who led his tribe against the Spaniards in 1535. The beads worn by Senor Kratke were found with the shrunken warrior.—Popular Science Monthly.
