

DON'T WORRY! BE CARUFL!

Bogalusa has suffered less from the influenza than any city of its size in the South.

That's due to the faithful work of the doctors, the splendid sanitary condition of the City, connected with the hearty co-operation of all citizens.

Old "Flu" is Now on the Run Help Chase Him Away

By obeying all sanitary laws, rules and regulations, the influenza will soon be driven from this vicinity. STAY AWAY FROM CROWDS; IF SICK, STAY IN BED UNTIL THE DOCTOR PERMITS YOU TO LEAVE IT!

Breathe plenty of the ozone pure air, get enough sleep, and, above all, don't worry.

Don't undo the great work already done. Keep cheerful and see that your friends and neighbors are likewise.
