Opelousas, La., July 12, 1905.
To the Honorable President and Members of the Police Jury:
Gentlemen—We, the undersigned committee, appointed at your last meeting, ascertain the best mode of draining the public roads at the northwest and southwest corners of Greenwood plantation and cost of same, beg leave to report that we have decided that the best mode of securing the drainage of said roads will be by removing the dam built across the public road known as the Pickens road, and also by removing the levee built on Mr. E. M. Boagni's land on west side of said public road; that the cost of removing said levees we estimate to be about five dollars.

Yours respectfully,

Yours respectfully, E. LAFLEUR, MARTIN ANDREPONT,

Motiot by Mr. Guillory-The above report was accepted, com-mittee discharged and report ordered spread upon the minutes. Motion by Mr. Dailey-

The minutes were read and adopted. Motion by Mr. Lafleur-The Police Jury adjourned until the first Monday in August, being the seventh day of said month.
