

School Opens September 16th

And we desire to see a big opening as war times demand Education and Work. We are always willing to do our part and ask others to be of the same mind. Publishers are demanding retailers to get on a cash basis in order to save on prices and labor and school books will make no exception.

The children can come to our store and get prices on the books needed, next morning on the way to school pay for them, thus helping all the round. Please do this.

666 cures Chills and Fever.

Louis Havens was in town Monday.

John Phillips left this week for training at Tulane.

Earl Poe has gone to Georgia Tech for Military training.

L. Lipsitz leaves Saturday for New Orleans to visit his son and to do some trading.

Mrs. S. F. Carruth and son Charley visited N. P. Carruth near Bunkie this week.

Lost

One Eastern star pin. Finder will please return to Mrs. J. F. Rogers, McNary.

Are you preparing that fall war garden?

Have you bought your quota of War Savings Stamps.

Wm. Cady, Jr., left Sunday afternoon for school at the Culver Military Institute.

Messrs T. C. Kirkpatrick, D. W. Squires, and M. L. Monroe of Melder welder were in town Saturday.

Rev. Shuttlesworth moved his family to Eunice this week and Rev. P. W. Lofton moved into the parsonage and will be ready for his work as pastor of the Baptist Church.

666 cures Headache, Billiousness, loss of Appetite, or that tired aching feeling, due to Malaria or colds. Fine Tonic.

666 cures by removing the cause

Miss Sallie Robinson of Alexandria did fine work for our Sunday school cause last Saturday and Sunday.

Richard Colpuette left Tuesday for Baton Rouge where he enters for his second term at L. S. U.

After a ten day leave of absence spent with relatives, Corporal J. O. Tabaret returned to Fort Crockett Tuesday.

666 contains no alcohol, arsenic, nor other poisonous drugs.

Mr. and Mrs. W. M. Cady are spending a short while at Mineral Wells.

T. C. Ward reported a good Sunday school at McNary last Sunday. 81 persons were in the Glenmora school and we are looking for 100 next Sunday.

J. H. Brown of McNary is on the sick list this week.

We understand that Prof. Pilcher has resigned to enter the military service.

The new commissary at McNary was opened for business this week.

Sweet potato growers here can arrange to store their crop in the local curing plant.

We have an anonymous article touching the liquor situation locally. If the writer will send his name, we will give the public his views.

666 cures Malarial Fever.

Don't forget the Sunday-school rally 14 and 15th.

666 cures Billious Fever.

SCHOOL OPENING

Monday morning witnessed a most gratifying opening of the Glenmora High School. All the teachers and local board were present. While several new members are on the teaching staff this year they come well recommended and we feel quite sure a fine record this term. About 500 students were present. The opening prayer was offered by Rev. W. W. Perry and addresses were made by him and Messrs B. F. Lewis, J. W. Britt, J. W. May and Mr. Turner.

GRAVEL ROADS

The graveling of the public highway from the Allen parish line to the ward line near Lecompte is practically assured.

Messrs. E. M. Pringle, here, and Peninger of Forest Hill will see after the construction of this work.

The money for the bonds is provided and there is hope that this sum may be supplemented by State and Federal aid.

Engineer Sylvester has promised to make the survey for the grades sight away.

There is hope of beginning the work within the next 60 days and bringing it to an early finish.

RED CROSS

The local Red Cross branch put up a booth at the place of registration last Thursday and netted \$79 on the days work.

Our branch is one of the best in the parishes. We have turned in a large of finished goods and would have turned in more, if we could have secured more material with to work.

A fine spirit of harmony and a will to work are the characteristic notes of our Branch.

E. M. Pringle was a New Orleans visitor this week.

J. E. Tuttle was a Lake Charles visitor last week end.

The Glenmora Naval Stores office here is being moved to Lake Charles.

Mrs. F. R. Grounds spent a few hours in Lake Charles last Friday.

Howard Chester and Gus Cowart left the Motor Training School at Tulane this week.

Subscribe for the Patriot.

If you are thinking of beautifying your place with a few coats of paint, see P. P. Kavanaugh about it.

DIARRHOEA IN CHILDREN.

For diarrhoea in children one year old or older you will find nothing better than Chamberlain's Colic and Diarrhoea Remedy, followed by a dose of castor oil. It should be kept at hand and given as soon as the first unnatural looseness of the bowels appear.

CHAMBERLAIN'S COUGH REMEDY.

This is not only one of the best and most efficient medicines for coughs, colds, croup and whooping cough, but it is also pleasant to take, which is important when a medicine must be given to young children. Chamberlain's Cough Remedy has been in use for many years and has met with much favor wherever its good qualities have become known. Many mothers have given it their unqualified endorsement. Wm. Scruby, Chillicothe, Mo., writes, "I have raised three children, have always used Chamberlain's Cough Remedy and found it to be the best for coughs, colds and croup. It is pleasant to take. Both adults and children like it. My wife and I have always felt safe from croup with it in the house." Chamberlain's Cough Remedy contains no opium or other narcotic.

RARE-DEVILS WILL
THRILL CROWD AT
LOUISIANA'S FAIR

Famous Auto Speed Demos To Drive For Championships Sunday, November 3.

Several of the most famous speed kings of the world will thrill visitors to the State Fair of Louisiana Sunday, November 3. Entertainment of the most royal kind is absolutely assured. It promises to prove the liveliest motor meet ever witnessed in Shreveport, with some of the most daring feats ever seen on a dirt track.

Shreveport is the last town on the circuit to be visited by the speed demons, among whom there is more or less rivalry and a desire to wind up the season by smashing records. In order to stimulate interest, the State Fair Association has arranged for a special Liberty race for the championship. The prize will be paid in Liberty bonds.

There will be a dozen or more daring drivers, using some of the most famous cars in the country. These machines were constructed exclusively for hair-raising track events, and those who are fortunate enough to be present November 3 will witness some of the finest auto racing ever pulled off in the South. These speedsters are death-defying in their performances and will whirl around the track apparently indifferent to the danger of such daring speed as that for which they are noted.

J. Alex Sloan, the country's best known auto race manager, will be in general charge of the big program.

With the nation at war and motor cars playing an important part in the world conflict, there will be great patriotic interest in this year's State Fair meet.

For further information apply to W. R. Hirsch, Secretary, Shreveport, La.

NEW AGRICULTURAL BUILDING ERECTED

The most important improvement at the Louisiana State Fair grounds this year is the erection of a mammoth new agricultural building, known as the Louis N. Brueggerhoff Memorial Hall, in honor of the late Mr. Brueggerhoff, for several years secretary of the State Fair.

This building, which will meet a long felt want due to the rapid growth of the agricultural exhibits, represents an expenditure of approximately \$75,000. It is constructed of brick with terra cotta trimmings and classic in style, and is the largest structure on the grounds. It is 250 feet long and 130 wide, with center aisle 45 feet in width. At each end there is a wide triple entrance, and three single entrances at each side. There is ample space for all of the parish fair booths, the Junior Extension exhibits, State University exhibits and all other agricultural displays.

A combination lecture and moving picture booth, or room 30x60 feet has been provided especially for use by the Junior Extension Department of the University, and there are also an office for the officials and assistants in charge, and a rest room for the lady attendants.

In erecting this mammoth building this year, the Fair Association had in mind not only the importance of encouraging agricultural progress at all times, but of giving special encouragement while the nation is at war and the need for food production is record-breaking.

For further information and catalog write to W. R. Hirsch, Secretary, Shreveport, La.

FOOTBALL BATTLE SATURDAY, NOV. 2

Football Day will be celebrated at the State Fair of Louisiana Saturday, November 2, with the annual contest between the University of Arkansas and the University of Louisiana as the stellar attraction.

For several years these universities have been fighting their annual gridiron battles at Shreveport during the State Fair, with thousands of college boys and girls and former collegians on hand to cheer and root for their favorites. This year's game promises to be no exception—unless the attendance is larger and the interest keener. The teams prepare for this battle as one of the most important of the season, and the contest November 2 this year will no doubt go down in their annals as one marked with tremendously hard fighting for the honors.

In addition to the Arkansas-Louisiana game there will be many other special attractions for the school and college students, and School and College Day, as usual, is expected to prove one of the biggest days at the fair. Valuable lessons in production and conservation and other things helpful in winning the war will be learned by the young folks as well as by those who have finished school and college.

For further information and catalog write to W. R. Hirsch, Secretary, Shreveport, La.

We are prepared to help our our Country by keeping you in health and assisting you to finance the war. We keep standard medicines and W. S. S. for sale.

Revival Services

WILL BEGIN AT THE METHODIST CHURCH SUNDAY AT 11 O'CLOCK, and continue 10 days or more. Rev. A. C. HOLDER of Shreveport, one of our General Evangelists, will conduct the services. The public is cordially invited to attend the services

Avoid All Evasion.

Everything Put Right.
"Father, the duke has proposed, and we want to be married immediately."
"All right. Here's a check for your million. Tell the duke to step in and I'll give him a dollar to get the license."—Louisville Courier-Journal.

Evasions are employed either to avoid speaking the truth or performing a good action. Hence, a lover of the real and true, as well as the tender-hearted and benevolent, hold them in direct and unspeakable abhorrence.

Same Old Human Nature.

From the fresco paintings of women in Cretan palaces of the period about 3000 B. C. it is learned that the women of that time pinched in their waists, had flounced or accordion pleated skirts, wore an elaborate coiffure on their heads, shoes with high heels and hats which might have come from a Parisian hat shop, while one woman might be described as wearing a jupon.

The Methodist Ladies' Aid

Will Have a Parcel Post Sale on Main Street Saturday Afternoon.

A cut and slash at W. W. Johnson's store—Credit cut out and credit prices slashed. See me.

GIRLS! WHITEN SKIN WITH LEMON JUICE

Make a beauty lotion for a few cents to remove tan, freckles etc.

Your grocer has the lemons and any drug store or toilet counter will supply you with three ounces of orchard white for a few cents. Squeeze the juice of two fresh lemons into a bottle, then put in the orchard white and shake well. This makes a quarter pint of the very best lemon skin whitener and complexion beautifier known. Massage this fragrant, creamy lotion daily in to the face, neck, arms and hands and just see how freckles, tan, sallowness, redness and roughness disappear and how smooth soft and clear the skin becomes. Yes! It is harmless, and the beautiful results will surprise you.

FOR A WEAK STOMACH.

The great relief afforded by Chamberlain's Tablets in a multitude of cases has fully proven the great value of this preparation for a weak stomach and impaired digestion. In many cases this relief has become permanent and the sufferers have been completely restored to health.
