

TEMPERANCE WORKER.

MISS BESSIE FARRELL.

MISS BESSIE FARRELL 1011 Third Ave., Brooklyn, N. Y., is President of the Young People's Christian Temperance Association. She writes: "Peruna is certainly a valuable nerve and blood remedy, calculated to build up the broken-down health of worn-out women. I have found by personal experience that it acts as a wonderful restorer of lost strength, assisting the stomach to assimilate and digest the food, and building up worn-out tissues. In my work I have had occasion to recommend it freely, especially to women."

"I know of nothing which is better to build up the strength of a young mother, in fact, all the ailments peculiar to women, so I am pleased to give it my hearty endorsement."

Dr. Hartman has prescribed Peruna for many thousand women, and he never fails to receive a multitude of letters like the above, thanking him for the wonderful benefits received.

DRIFT FOR 752 MILES  
THROUGH GRAND CANYON

TWO MINERS TELL OF EXPERIENCE IN AWFUL RAPIDS OF COLORADO RIVER.

The Needles, Cal.—Charles S. Russell and E. R. Monett, who came all the way through Grand Canyon of the Colorado in a 16-foot rowboat, reached here the other day. Not since 1889, when Robert B. Stanton landed here after a successful fight of 752 miles in the river, has any one made the perilous voyage.

In telling of the trip Russell said: "The river below Bright Angel for 150 miles was so rough that I never expected to get through alive. If Niagara is worse than Diamond Creek Rapids it must be more than rocks and water. After the damage to the

The Boat Capsized.

boat through this fall. Monett managed to climb down the side of the long rapids, but I shot them.

"The boat capsized half way through, and I was unable to crawl out from underneath until we had shot down into the big eddy at the bottom. Monett helped me get the boat ashore and we found it was all right.

"Monett carried all the exposed camera plates and thus saved our photographs. We ended the trip with about two days' supply of provisions—pretty close figuring."

Russell refused to tell what success he had found in the way of mineral in the second granite gorge—where it is generally supposed the richest ore in all the length of the canyon exists.

Starting on September 20 at Green River, Utah, the men have covered 752 miles in 141 days. The last 332 miles, from Bright Angel, they made in 33 days.

DOG HOLDS UP TRAIN.

Delays It for Nearly Half Hour But is Finally Coaxed Off.

Youngstown, O.—Held up by a huge English mastiff, an Erie passenger train was delayed for nearly a half hour in Hubbard the other day.

The dog, owned by Joe Madaline, broke from its kennel and walking to the Erie station boarded passenger train No. 29. A bold brakeman walked up to drag the dog from the coach so the train could proceed. A savage growl met him and he tumbled over two seats to escape. The conductor attempted moral argument. It also failed, and the conductor lost a bit of his trousers.

The animal was in an ugly mood. Passengers were frightened. They fled into another coach and the dog had full possession. A happy thought struck one of the brakemen. He went to a meat store and, procuring a big piece of steak, coaxed the dog to the platform of the car. Then, throwing the meat to the platform, he pushed the dog after it. At the same instant the train started. Just a minute the dog stopped to sniff at the meat, but in that time the train was well under way.

The dog saw the train pulling out, and, leaving the meat, gave chase, running two miles down the track, but in a short time was lost in the race.

Sleeps in Corpse's Box.

Freeland, N. J.—While digging a grave at St. Jerome cemetery here, Mike Bosack, who had too strongly fortified himself against the cold, fell asleep, and to save himself from worry about his safety his companions put him in the rough box in the grave and then placed the lid on without fastenings. When the funeral arrived the undertaker directed an assistant to remove the rough box lid. When he did so Bosack sat upright and wanted to know what was doing. The mourners were panic-stricken until the situation was explained and interment of the corpse was then made.

Baby Saves Her Mother.

Marion, O.—Her hand caught beneath a window, the automatic catches of which fastened when it fell, Mrs. Scott Gast was held a prisoner for hours in her home. Breaking a window pane she screamed for aid, but her voice was lost in the howling wind.

When about to faint from exhaustion she kissed her 16-month-old daughter and sent her through the storm to the nearest neighbor's house, where the baby lisped "Mamma."

An investigation and release followed.

HER GOOD FORTUNE.

After Years Spent in Vain Effort.

Mrs. Mary E. H. Rouse, of Cambridge, N. Y., says: "Five years ago I had a bad fall and it affected my kidneys. Severe pains in my back and hips became constant, and sharp twinges followed any exertion. The kidney secretions were badly discolored. I lost flesh and grew too weak to work. Though constantly using medicine I despaired of being cured until I began taking Doan's Kidney Pills. Then relief came quickly, and in a short time I was completely cured. I am now in excellent health."

RESOLVED TO SNUB EVE.

Mrs. Intheswim Intended to Draw Social Line in Heaven.

The minister had dropped in to tea, and the conversation had drifted through various channels to the question of whether or not we should know each other in heaven. Presuming that our physical beings would be perpetuated, and that recognition would be assured, the minister had asked various ones at the table among whom the Biblical characters they would be most interested in recognizing.

Some mentioned one prophet and some another, but one lady, noted for her social exclusiveness, had not spoken. Turning to her the minister said: "And who would you like to meet in heaven, Mrs. Intheswim?"

Mrs. Intheswim pursed her lips. "I really don't know," she said, "but there is one thing I do know, and that is that I shouldn't care to meet Eve. In fact, I don't know that I would speak to her if I did!"

CURED HER CHILDREN.

Girls Suffered with Itching Eczema—Baby Had a Tender Skin, Too—Relied on Cuticura Remedies.

"Some years ago my three little girls had a very bad form of eczema. Itching eruptions formed on the backs of their heads which were simply covered. I tried almost everything, but failed. Then my mother recommended the Cuticura Remedies. I washed my children's heads with Cuticura Soap and then applied the wonderful ointment, Cuticura. I did this four or five times and I can say that they have been entirely cured. I have another baby who is so plump that the folds of skin on his neck were broken and even bled. I used Cuticura Soap and Cuticura Ointment and the next morning the trouble had disappeared. Mme. Napoleon Dupeppe, 41 Duluth St., Montreal, Que., May 21, 1907."

Champ (savagely)—Your dog has bitten a piece clean out of my dog. Sharpe (ditto)—Confound it! I wanted to bring him up as a vegetarian.
