There can be no doubt but that Mr Bruner's bill has the approval of a statement creating the impression Hardware Co. that it is approved and endorsed by a majority of the people of Calcasieu parish, and if the papers have quoted also yearling and two-year-old him correctly he has done so, is strange to say the least.

The attention of Mr. Bruner and all Office. other divisionists is called to the fact that this measure is not introduced by either Representative Shattuck nor Representative Locke of Calcasicu. Nor will it be introduced in the Senate by Senator Drew. These men. elected by the people of Calcusical parish, go to Baton Rouge for the purpose of toing the wishes of the majority of the people of Calcasieu and advolieve would redound in good to the people of this community. The representatives of this parish are not advocating parish division. They are not advocating it because they do not bilise the majority of the people of the people of the parish are in favor of it. lieve would redound in good to the Separish are in favor of it.

It is suggested here that Messrs. her. Shattuck and Locke, who are relients of the parish, who made a uspign among the people of the Min, who are in Baton Rouge to assent the people of the parish, are as better position to judge what the Messleu people want than Mr. hear, who is a rank outsider.

MEETING SUNDAY NIGHT.

Strongest Address of Campaign.

What is conceded by all to have

Sunday evening. The evening being an ideal one, the house was packed to its utmost capacity with a most earnest and enthusiastic company, who were anxious to hear what the man who has held the office of district attorney for a number of years had to say on this all absorbing question. The speaker spoke eloquently and at length upon this great question. His argument was both pleasing and convincing, so much so that one who had not thoroughly made up his mind beforehand to cast his lot with the Wets could hardly have failed to have been convinced that the saloons must go. A larger percentage of voters were in the audience than has been the case at any previous meeting held here.

Mr. Moss also addressed a good meeting at Fenton Sunday afternoon, where his address was received with

much enthusiasm.
