For the Farmer of 80 acres or more.

This is a light gasoline tractor pulling the load of five horses, and costing the price of two poor ones. Pulls plows, disks, seeders, mowers, binders also saws wood, grinds feed, run drainage pumps, silo cutters etc., or any stationary belt work that a 12 H. P. will do, having the advantage of moving under its own power.

Cost half as much for gasoline as Horse Feed, never gets tired, will work night and day. No harnessing, currying or chores just crank it off and go to work. This Bull is immune from Charbon, and don't die. For prices and particulars, write or see

We learn with some satisfaction that Mr. A. V. Fournet and his sons, George and Willis, will undertake a large rice crop in the Pointe Claire section.

The election for two Representatives for St. Martin Parish will take place next Tuesday, there are two Democratic candidates and one Progressive. It appears to us that Thibodeaux and Labbe have the best chances of election.

Judge Joseph E. Ransdell will be here on January 25th., to deliver an address to the Columbian Woodmen, Knights of Columbus and the public on Fraternalism. Judge Ransdell is an interesting speaker and all who will hear him we are sure will be satisfied.

We have noticed from the papers that thousands of tons of wheat have been shipped from New Orleans for the relief of the Belgians and very little rice. It seems to us that thousands of tons of rice should be shipped from New Orleans and flour shipped from other ports. Rice is every bit as good as flour as food and much cheaper. We can see no reason why greater quantities of rice should not be shipped from this section and less flour.

**CHILDREN'S COUGHS—CHILDREN'S COLDS BOTH ARE SERIOUS**  
When one of your little ones shows symptoms of an approaching cold, give it Dr. Bell's Pine-Tar-Honey at once. It acts quickly, and prevents the cold growing worse. Very healing—soothes the lungs, loosens the mucus, strengthens the system. It's guaranteed. Only 25c. at your druggist. Buy a bottle today. Bucklen's Arnica Salve for Sores

—A large number of teams are now busy plowing the lands of the rice farmers. Several thousand acres of land will be put into rice this coming season. With favorable weather, we may expect a large amount of money in circulation early in the season. This with the large acreage of cane, and the seed thus far is reported fine, indicate that brighter times are coming this way. Our people are full of hope, working hard and with courage, and with a determination to crush hard times for ever.

**STOP THE CHILD'S COLDS**  
**THEY OFTEN RESULT SERIOUSLY**  
Cold, Croup and Whooping Cough are children's ailments which need immediate attention. Don't take the risk—you don't have to. Dr. King's New Discovery checks the colds, soothes the cough, allays the inflammation, kills the germs and allows Nature to do her work. 50c at your Druggist. Buy a bottle to-day.
