COLUMBIAN WOODMEN LECTURES.

Contributed.

The addresses delivered under the auspices of the Columbian Woodmen, at the High School Auditorium, this city, on Monday night last were heard by a large number of the representative citizens of the city and vicinity.

At 7:00 P. M. a torch light procession was formed at the Columbian Woodmen Hall on Main Street, engaged in by more than one hundred persons, headed by the St. Martinville Band which discoursed strains of appropriate music, the spectacular proceeded to the S. P. Railroad, and thence back Main street, and to the magnificent High School, whose spacious auditorium was already filled to overflowing with representative citizens of the city, amongst whom were many ladies.

Dr. Olivier, master of ceremonies introduced Judge F. T. Ransdell in well chosen words.

Judge Ransdell in a most masterly scholarly manner addressed the audience, in an address of an hour and thirty minutes duration, on the subject of fraternalism which was well received by the large audience.

Judge Ransdell is a brother of U. S. Senator Jos. E. Ransdell, and is Judge of the Ninth Louisiana Judicial District, composed of the parishes of Madison - East Carroll, and is one of the deepest, and most scholarly gentlemen on the bench in this state. Judge Ransdell was accorded liberal applause, and on the conclusion of his address, Dr. Olivier introduced Mr. B. M. Dairty, of Shreveport, La., who is State Manager of Louisiana, for the Columbian Woodmen. Mr. Dairty spoke forcibly and effectively of the Columbian Woodmen's policies, and proved himself a most convincing speaker, and he made an excellent impression on his hearers.

The Columbian Woodmen have made a splendid record for growth in this city, and it numbers among its members some of our most prominent citizens.

Mr. J. E. Cain, District Deputy Manager, of Homer, La., who has been in the environs of this city, working in the interest of the Columbian Woodmen for the past two months, has made many friends here, and contemplates remaining here for some time, in order to assist in building up the membership to 100 before Spring.

The City of St. Martinville welcomes this splendid young fraternal society among the factors that are of benefit in the moral uplift of the community, and wishes it success, among its peers.

MANY DISORDERS COME FROM THE LIVER.
Are You Just at Odds with Yourself? Do You Regulate Living? Are you sometimes at odds with yourself and with the world? Do you wonder what ails you? True you may be eating regularly and sleeping well. Yet something is the matter! Constipation, Headache, Nervousness and Bilious Spells indicate a Sluggish Liver. The tried remedy is Dr. King's New Life Pills. Only 25c at your druggist. Bucklen's Arnica Salve for Skin Eruptions.

LOCAL NEWS

Mr. Sam Shelburne of Morgan City was in town this week attending to business.

Prof. Gab. Maraist of Scott, was attending to business here this week.

Mrs. Louis Babin of Baton Rouge was here this week visiting her brother, Mr. D. W. Voorhies.

Mr. James D. Simon who is a student at the L. S. U. came home this week on account of not being well.

Mr. Louis V. Olivier of Lake Charles was here this week and he says things are quite dull in the lake city.

SALESMAN WANTED to look after our interest in St. Martin and adjacent counties. Salary or Commission. Address THE HARVEY OIL CO Cleveland, O.

Mr. Pat Maraist who has completed his studies at the Industrial Institute of Lafayette, returned home this week.

Mr. and Mrs. Frank T. Guilbeau of Breau Bridge were visiting here this week, at the home of Mrs. F. Rousseau.

The bayou at this time is very high, running about two or three feet over the dams at the locks.

Mr. John Oniel of New Iberia was here this week looking for a proper location for an ice factory, and we are informed that he has secured an option on a lot.

We are informed that the new bridge on the canal at Keystone had caved in during the heavy rains Sunday. This was a fine, substantial bridge built by the parish about a year or two ago.

We surely ought to get an ice factory this summer, as one of our leading business men is taking steps to form a local stock company for that purpose, a party from New Iberia was here Wednesday and asked the Mayor to submit to the Council at its next meeting a request for an exemption of town taxes for ten years, and if granted, work on the plant to commence at once. Another party from Birmingham, Ala., has also been taking steps with the view of putting an ice plant here.

FOR SALE—A 54 acre farm 2 mile town on Railroad, near derrick, on road to New Iberia, sandy land, something real good, for sale at a bargain if sold within this week. Laizaire Bienvenu.

Seized to satisfy above writ.

Terms and conditions—cash.

Sheriff's office this 29th day of Jan. A. D. 1915.

WADE O. MARTIN, Sheriff.

The Election A Surprise.

The election here Tuesday to elect two Representatives to the Legislature proved quite a surprise to the local politicians. It was generally expected by the Democrats that Dr. D. C. Labbe, running as a Progressive, would be defeated, and instead of that he ran ahead of the two Democratic candidates. It was also expected that Mr. Gaston Thibodeaux would run ahead of the other two candidates, when he proved to be the weakest. Messrs. D. C. Labbe and Emile Muillemot were elected.

THE VOTE.

The vote cast Tuesday for Representatives was as follows:

Dr. D. C. Labbe, progressive 461
Emile Vuillemot, democrat 457
Gaston Thibodeaux, democrat 421

CHILDREN'S COUGHS—CHILDREN'S COLDS BOTH ARE SERIOUS

When one of your little ones shows symptoms of an approaching Cold, give it Dr. Bell's Pine-Tar-Honey at once. It acts quickly, and prevents the Cold growing worse. Very healing—soothes the Lungs, loosens the mucous, strengthens the system. It's guaranteed. Only 25c. at your druggist. Buy a bottle today. Bucklen's Arnica Salve for Sores

WHY A SILO?

Here are 10 reasons why every farmer who keeps livestock should have a silo. They were formulated by Professor J. H. Skinner of Purdue University.

1. The silo preserves the palatability and succulence of the green corn plant for winter feeding.
2. It helps to make use of the entire corn plant.
3. The silo increases the livestock capacity of the farm.
4. Silage is a good summer feed when pastures are short.
5. Because of the small amount of ground space required by the silo it is an economical means of storing forage.
6. The silo prevents waste of corn stalks, leaves and husks, which contain about one-fifth of the feeding value of a corn plant.
7. The silo locates near the feed manger an assurance of having feed near at hand in stormy as well as fair weather.
8. The silo assists in reducing the cost of grains in fattening cattle and sheep.
9. Silage greatly increases the milk flow during the winter season and decreases the cost of production.
10. There are no stalks to bother in the manure when corn is put into silo.

All should understand that silage is not a complete balanced ration. It is a succulent food and should be supplemented with some balancing dry feed.

STOP THE CHILD'S COLDS

THEY OFTEN RESULT SERIOUSLY

Cold, Croup and Whooping Cough are children's ailments which need immediate attention. Don't take the risk—you don't have to. Dr. King's New Discovery checks the Colds, soothes the Cough, allays the inflammation, kills the germs and allows Nature to do her work. 50c at your Druggist. Buy a bottle to-day.
